INTRODUCTION

Must shorten and revise.
The main focus of my research was to identify the ascendancy of Matthew Baker of Stamford, Vt. As of this writing I do not have certain proof, but circumstantial evidence links him as grandson of Matthew and Sally Baylies Baker of Attleboro MA who died in 1757. Matthew of Attleboro married Sally Baylies, d/o Thos. Baylies and Esther Sargent who left Eng. 1737 for this country, which was then a colony of England.

The connecting link from Matthew Baker of Stamford, Vt to Matthew Baker of Attleboro pivots on Thomas Sarjent Baker, (son of Matthew of Attleboro), who appeared in Stamford, Vt in 1791, next door to Matthew Baker (1768-1844). There were only 48 families in Stamford in 1791. I have not found proof that Thomas Sargent Baker was father of Matthew Sr. of Stamford VT. He could have been an Uncle or cousin.

It has been proved that:
Thomas Sarjent Baker filed intent to marry in Dighton, MA where his Guardian Ezra Richmond resided. Thos. was in Swanzey MA 1771-1779; in New Salem MA 1780/1781 when he enlisted for Rev. War; in Scipio, NY 1802-1804, still with wife Bethia on deeds. Resided Hector, NY 1819, when he filed for his Rev. War Pension, having younger wife Rachel. Killed by lightning at Hector in 1828.

Proof that Thos. Sarjent Baker was the same man who resided in Stamford, Vt 1791 is circumstantial. He was allied with the Benjamin Tupper and Wilbur family of Stamford, VT who also moved to Cayuga Co. NY as proven by the Tupper Geny and deeds of Thos. Sarjent Baker with the Tupper family in Scipio NY in 1802-1804. The Tupper family were also allied with John Baker Sr and Jr. who were in Saratoga Springs and Cayuga Co. NY. The Tupper family were also in Pittsfield MA before Stamford, VT where a John Baker Sr and Jr and Elisha Baker also lived. These Bakers owned land in Stamford VT in the 1780's. Possibly John Baker Jr. of Pittsfield, Stamford and Saratoga Co. were the same man.

Lydia Millard Baker's Uncle Valentine Wheeler also moved from Stamford, Vt to Scipio NY about 1810. Lydia married Matthew Baker of Stamford VT.

Simeon Baker and wife Eliz. Ingalls of Taunton Ma resided next to Susannah Baker, (d/o Matthew Baker and Sally Baylies) and her husband Benjamin Jones. They also appeared on a deed together. Simeon's dau. Zipporah m. Baker Jones, son of Susannah and Benj. Jones. Were they cousins?

Thos. Baker and Abigail White of Raynham had a son named Simeon born about the same time and he is supposed to have been the Simeon who m. Eliz. Ingalls. I have not seen proof. Thdre is an Ingalls Gen´y, but Elizabeth does not appear therein.

I plan to set forth the information I have gathered listing possible relationships which may substantiate connections. I have divided the book into three sections: 1. Thomas Baker of Maine and Raynham Massachusetts. 2. Baylies Family and Matthew Baker of Attleboro. 3. Matthew Baker of Stamford Vermont.

The reader interested in Matthew Baker of Stamford Vermont should begin this mss with Section 3, then progress to Section 2 Matthew Baker of Attleborough and the Baylies family which is still circumstantial to Matthew of Stamford. Section 1 should be read last of all since it is least pertinent.

These sections have been arranged chronologically. I will probably rearrange sections at a later time in order to give prominence to Matthew baker of Stamford Vt.

ACKNOWLEDGEMENT

Thanks to the following for information submitted from descendants of Matthew Baker1 of Stamford:

#1-3 from James2, Chas. A.3 line:
1. Justin Baker6, of Baltimore, supplied information on his line. He found me about 1990, (2nd cousin).

2. Jackie Baker6 Humphrey, author´s own line.

3. Rev. James Millard Baker4 - my Great Uncle Rev. James Baker who died 1952. It was he who gave me my first lineage information on the Baker family.
His grandchildren, my 2nd cousins:
A. Grace Baker Mayer6 of Oregon, shared her many diligent years of research without which this would be a much smaller book. She found me about 1988 when I registered Matthew Baker with FHC, Salt Lake.
B. Robert White6 became an avid family searcher after retirement and supplied info. his family. He found me 1993 after reading the book VT Families in 1791, Bicentennial work publ. by VT Genealogical Socy, edited by Scott Bartley; my submission on Stamford families printed therein. Bob lives in England part of the year and has found additional info. on Thomas Baylies in Eng.

4. I have been able to connect the prolific family line of Lorenus3, son of Rev. Matthew Baker Jr.2 of Stamford, Vt, to Licking Co. Ohio and Coles Co. Illinois via Descendants of Lorenus Baker and Clarissa Willison and The Willison Ancestry written in 1980 by desc. Esther Adair Watts of Whittier, Ca., (30 copies), one copy at Family History Library, Salt Lake. When I found this book in 1991, she still had not been able to connect Lorenus to his ancestors in Vermont. She has graciously permitted me to add her book to this one.

5. Mrs. Jean Kneeshaw, desc. of Tryphenia Baker2 (Matt Sr.1) and husb. James Cole through Sophia Cole3, supplied info. her line. She did not know about Matthew Baker1, but did know there was a connection to James M. Baker2.

6. Oct. 1996, I read a list of names submitted from Holland MI Hist. or Gen´l Soc´y and noticed Rev. Matthew Baker and wf Samantha. I wrote to the submitter Mrs. Billy Max Seaman who did not know the parents of Rev. Matthew Baker. She submitted further info. this family.

Thanks to the following for information from desc. of Matthew Baker of Attleboro:

7. Mrs. Mildred Meyer of Ohio, (a good family researcher) and Ted Merrill, both descendants of Sarah Baker Phillips2, provided information on their lines. They had not tied Sarah to her parents Matthew and Sally Baylies Baker. Sarah named a child Baylies which was the clincher.

8. Mrs. Reta Selleck, desc. of Susannah Baker Jones2, submitted info. her line after I was able to connect her to Benjamin Jones. She wrote me after seeing the name Thomas Sergeant Baker which I had submitted in a query to a national periodical. She has an ancestor Sergeant Jones. Her hunch paid off as I was able to connect her line to Benjamin and Susannah Baker Jones.

Delete Thos. IF Matt. of Stamford proven from Matt in Eng. John 1720's.

Gen. 2, Thomas Baker of Maine and Raynham/Taunton, Mass.

This family is listed because Simeon Baker said to have been his son, unproven. Simeon appears to be related to Sarah Baker, (d/o Matt. and Sally Baylies Baker) who m. Benjamin Jones. Their son Baker Jones m. Simeon Baker's dau. Zipporah. The Jones and Baker families were neighbors in Taunton.

ME

An Edmund Baker from Newton, Ferrers, Eng. came to Casco, lived there, one year, abt 1630, (The pioneers of Maine and NH by Pope, p 11. He was a Trader, resided in the house with Alger, 1630 at Casco, Newton 1640, Pioneers on Maine Rivers, Wilbur D. Spencer, p 232. Unknown if related to Thos. below.

Gen. 2
It would appear that the following Thomas was the Thos. Jr. above.
Thomas Baker of Raynham, b. ca 1687 (Boston Transcript, #7524, June or July 25, 1938, #8269, Feb. 4, 1939), married 17 Dec. 1712 Abigail White^3, b. 17 Apr 1694, (Transcript), d/o John^2, White (Nicholas^1) and Susannah Humphrey. Ch. named in will: Ebenezer under 16 yrs; Zilpha; ch. of Samuel who predeceased Thos; Simeon; James; Abigail Parish; Mary ?Presbey; Elijah; Leby.

Inventory of his estate, v. 22, B F or L p. 407, mentions several people named Jones: Timothy, Solomon, Samuel and Abraham who owed or were owing the estate. Henry Andrews and James Danforth were also mentioned in the same way. Geo. Leonard was Judge of Probate. (Note that Leonard was witness for Guardianship of ch. of Matt. Baker of Attleborough, 1757).

Susannah Humphrey was d/o James Humphrey and Frances Cooley.

Questions: Was Matthew Baker of Attleborough related to Thomas Baker of Raynham?

THOMAS BAKER AND ABIGAIL WHITE

Delete Thos. IF Matt. of Stamford proven from Matt in Eng. 1720's.

Gen. 2, Thomas Baker of Maine and Raynham/Taunton, Mass.

This family is listed because Simeon Baker said to have been his son, unproven. Simeon appears to be related to Sarah Baker, (d/o Matt. and Sally Baylies Baker) who m. Benjamin Jones. Their son Baker Jones m. Simeon Baker's dau. Zipporah. The Jones and Baker families were neighbors in Taunton.

An Edmund Baker from Newton, Ferrers, Eng. came to Casco, lived there, one year, abt 1630, (The pioneers of Maine and NH by Pope, p 11. He was a Trader, resided in the house with Alger, 1630 at Casco, Newton 1640, Pioneers on Maine Rivers, Wilbur D. Spencer, p 232. Unknown if related to Thos. below.

Gen. 1
Thomas Baker of Scarborough, Maine and Falmouth had son Thos. Baker who was of Taunton in 1721 when he sold land granted by Scarborough in 1682. This Thos. was app. a prisoner of the Indians, (Genl Dict. Maine and NH by Noyes, Libby and Davis, p 73). Thos. Baker, boy, of Cascow, s/o Thos. of Scarborough, Maine, was on list of Eng. Captives in Canada with the French, still held Oct. 1695, (boy indicates under 16 in 1695, (NEHGR 6:87). Torrey lists Thos. Baker of ?Falmouth Maine and ?Scarborough having ch. as early as 1680/82.

Gen. 2
It would appear that the following Thomas was the Thos. Jr. above.
Thomas Baker of Raynham, b. ca 1687 (Transcript, #7524, June or July 25, 1938, #8269, Feb. 4, 1939), married 17 Dec. 1712 Abigail White^{3}, b. 17 Apr 1694, (Transcript), d/o John^{2}, White (Nicholas^{1}) and Susannah Humphrey. Ch. named in will: Ebenezer under 16 yrs; Zilpha; ch. of Samuel who predeceased Thos; Simeon; James; Abigail Parish; Mary ?Presbey; Elijah; Leby.

Inventory of his estate, v. 22, B F or L p. 407, mentions several people named Jones: Timothy, Solomon, Samuel and Abraham who owed or were owing the estate. Henry Andrews and James Danforth were also mentioned in the same way. Geo. Leonard was Judge of Probate. (Note that Leonard was witness for Guardianship of ch. of Matt. Baker of Attleborough, 1757).

Susannah Humphrey was d/o James Humphrey and Frances Cooley.

SIMEON BAKER AND ELIZABETH INGALLS

Simeon Baker was seemingly related to Susannah Baker Jones, d/o Matthew Baker and Sally Baylies of Attleborough, Ma. based on his residence next door to Jones, property exchange with Jones and intermarriasge ofdau. Zipporah. Simeon was of contemporary age with Susannah.

there

One Simeon, s/o Thos. Baker of Raynham was born 24 Nov. *1735. Thomas2 Baker, ca 1687-1770, (Thomas1 of Maine) and Abigail White (John^{2}, Nicholas^{1} White) of Raynham, Ma. Nich. White Gen'y lists grson Simeon Baker, but not his marr. or death.

Raynham was once part of Taunton I think

Simeon Baker who m. Elizabeth Ingalls was b. ca *1736, died 20 Aug. 1811, 76th yr. His age fits Simeon, son of Thos. of Raynham. Eliz. Ingalls was born ca 1736, died June 19, 1814, 77th year. Both bur. Sandy Hill Cem. nr 7th St. off Somerset Ave. Taunton. (Taunton VR). In same cem. were Pratt, Presbrey and Baker families.

Simeon Baker was a member of First Cong. Church, Taunton. His dau. Zipporah's birth was noted in their rec.

Simeon Baker m. Elizabeth Ingles (Jugles?) in Aug. 1763 in Taunton, Ma, both of Taunton. Reference from private record of Justices of the Peace James Williams, Brig. Gen. James Williams Jr. and Alfred Williams 1737-1837 in possession of Old Colony Hist. Soc'y in Taunton. Taunton VR printed bk.

Boston Eve. Transcript, March 30, 1940, #9943 states Eliz. was d/o James and Martha Ingalls; that father James probably was from line of Jonathan, 1720-1802, who had father Jonathan, ca 1695-1748, of Taunton; that Jonathan, b. 1720, was son of John, bro. of Edmund, whose line has not been traced.

The two Jonathan Ingalls who witnessed Simeon Baker's will must have been related to his wf. These men may have been Jonathan Ingalls Sr. of Taunton (d. ca 1776), who m. Bethia, d/o Wm Richmond, and their son Jonathan Jr. b. Dec. 7, 1754, who m. Freelove, d/o Samuel Andrews. Lineage of Jonathan as listed in the Ingalls Geny was not known, but stated that he had received a legacy from James Reed of Middleboro, Ma, who had sister Martha Ingell. This Gen'y suggests that Jonathan may have been s/o John^{3} (John^{2}, Edmund) Ingalls of the Rehoboth family.

Deborah Ingalls, who m. 1759, Ralph Phillips, is found in the same Justice of the Peace records of the Williams family where Simeon's marriage was found.

The Ingalls Geny lists an Eliz. Ingalls b. 5 May 1736, d/o Ebenezer^4 Ingalls and Eliz. Wheeler but the Wheeler Geny states that dau. Eliz. d. 22 Feb. 1748/9, not the one we seek.

Taunton Vital Records records were burned in 1838. Some were reconstructed from secondary sources. Simeon was noted in the reconstructed records but place of birth or parents were not noted. Raynham was established 1731 from part of Taunton.

Simeon was listed as Pvt. Ma. Rev., (DAR Lineage bk 40, 1936, p 360-62, #39989, and DAR Patriot Index). He marched from Raynham in 1778 to assist in the defense of RI.

1790 census, Taunton. Simeon Baker lived next to Benjamin Jones and John Townsend. He had 4 males over 16, 2 males under 16, 3 females.

1794, June, property was exchanged between Simeon Baker and Benjamin Jones; wife Susannah (Baker) Jones signed off her dower right to the property, recorded 1805. They exchanged evenly for land abutting Grenfield Blake. The land had been purchased by Benjamin Jones in 1777 from Nathaniel and Zipporah Pratt. In 1808, Hutchins Washburn and wf Sally Jones of Taunton, deeded this land to Abijah White Jr. Sally was d/o Benjamin Jones. Susannah signed off her dower rights again, and Benjamin signed off lease rights.

Simeon´s will was probated on Sept. 6. 1811. His will was witnessed by Grinfill Blake, Jona. Ingell, Jonathan Ingell Jr. (LDS Reel 0557195, Probate Rec. Bristol Co. Mass. Jesse Baker thru Balkum). The will identifies him as the Simeon who resided next to Benjamin and Susannah Baker Jones in Taunton in 1790. This is strong evidence that he was related to the Matthew Baker of Attleborough who died 1757. Since Matthew Baker, (ca 1768-1844, of Stamford, Vt 1791), was not named in this will, he was probably NOT a son of Simeon.

Note that Simeon named a child Walker. Why? Why no son named Thos. if he was s/o Thos. of Raynham. The Baylies family were buried in Walker cem. Taunton River, then moved to (?reck), Walker cemetery, Taunton). Helen Baylies, Aunt of Thomas Sargent Baker and Susanna Baker Jones married Peter Walker, s/o James and Sarah Richmond Walker. Helen and Peter had no issue.

A Descendant of Simeon/Eliz. Ingalls was Mrs. Katherine Pease Thayer who joined DAR at an early date. Simeon was listed in DAR Patriot Index, v.1.

Witnesses at their 1706 marriage from the Quaker monthly meeting in England is contained in a paper at Old Colony Historical Society in Mass., copy obtained by Bob White. The signatures are in their own handwriting. Witnesses were: parents Thomas and Elinor Sergeant and Nicholas Baylies (no wife listed for Nicholas). Also signing close to the parents were Abraham and Mary (Sergeant) Darbye, (sister of Elinor), Thomas, Joseph, Joshua, Ann, Mary and Richard Sergeant. Also John and Mary Baylies, possibly husband and wife. Also Thomas Harvey, Ann Harvey and Thomas Sergeant Harvey who signed near the close relatives. Ann may have been Hannah Sergeant (sister of Elinor) who married Thomas Harvey in 1699. There must have been another Sergeant/Harvey marriage. by or before 1690 for this T.S. Harvey to be old enough to sign. In another column were Nathan Harvey and Elizabeth Harvey.

THOMAS BAYLIES AND ESTHER SARGENT

Baylies, Gen. 1. gr.father of Thos. Sargent Baker.

Thomas Baylies, was born circa 1685/7 Alvechurch Parish, Worcester, England. He died at Taunton MA, 5 March 1756, age 69. He was the son of Nicholas Baylies of Worcester, England.

Thomas was married 5 June 1706, in the Alvechurch Parish of Solihull, Worcester, England to Esther/Hesther Sargent in a Quaker type ceremony with 38 witnesses. Esther was born circa 1687 in England, died in Taunton, 7 May 1754, in her 67th year. (Taunton V.R.). She was the daughter of Thomas Sargent, a Yeoman, and his wife Elinor, who were of the Parish of Soly Hull, Fullford Heath, Warwickshire, England.

They were buried near the Taunton River which was an abandoned cemetery when Mary Richmond (Baylies) Allen was alive as she noted in Reminiscences of Baylies Fam. It was then called the Walker cemetery, which was bet. Baker road and RR Ave., and bet. RR Ave and the River, Taunton, (Reminiscinces of Baylies Fam. by Mary Richmond Baylies Allen, b. 1809-d. 1883, LDS # 6019518; LDS 929.273, A1, #19.49; Old Colony Hist. Socy).

Dighton Historical Society information states some bodies were moved after 1875 and some more recently when the Taunton Power and light plant was built. These graves are now located in Unitarian Church cemetery in Town of Dighton #40, north side of Elm St. Thomas and Esther Baylies listed as #318 and #319.

Some of the graves from this neglected cemetery were later moved to Community Church, Dighton, Ma early 1900's. (Old Colony Hist. Soc'y). Trim's bk on Dighton Ma Gravestones calls this "Village Cem" on Main St.

> One Nicholas Bayles of Alvechurch Parish, Worc. Eng. m Sarah Chartleidge alias Webb (or Week or Weel) of Bromsgrove Parish m. at Sidemoor (or Sidmoor or Lidmore) 9 day of 10th month 1685, (bk 1183, p 63, Worcester Rec. Office, Eng. This Nicholas Bayles was s/o Thomas Bayles of Alvechurch Parish. One Thos. Baylies of Alvechurch had will proved 21 day of 3 mo 1684/5. Cartledge or Webb family were of Bromsgrove before the 1650's. Above is perhaps the ancestry of Thos. Baylies of whom we treat (Eng research hired by Bob White, 1993).

Thomas Bayles was an Iron Master in Eng and in MA.
1714, he resided Stourbridge Eng. and moved 25 miles to Coalbrookdale Co. Salop/Co. Shropshire Eng. for employment as Clerk of Iron Works for Abraham Darby who was his blood

cousin and also his brother in law by Darby´s marriage to Mary, sister of Esther Sargeant. He was there 1717, 1718. In April 1716, he became a partner with Darby at Coalbrookdale. Prior to 1717, he became partner with Darby at Merionethshire, at Dolgyn, Wales, a furnace near Dolgelly.

1717, 11th month. Thos. was at Dolgyn to make a foundation for the new furnace 3 mi form Lyn Hir, 2 mi E. of Dolgelly. This furnace was put in operation about 1718. Thos. Goldney accompanied him June 11, 1717 for same purpose. Fellow Quaker and Iron Works man wrote a diary in 1719 listing an acct of prior events relating to Kelsall´s assn with Abr. Darby. Kelsall was associated with Darby by 1713 in Eng or Wales nr the Welsh border. Kelsall was at Dolgelly 1713 and Dolgunele, Wales 1715. The diary states that Thos. Goldney was from Bristol Eng same place where Darby resided before Coalbrookdale.

1719 and 1722, Thos. Baylies probably to County Cheshire near Oulton where ch. were born in Cheshire Quaker records. Author Mr. King (Eng. resident with interest in History of Eng. Iron Industry) places Thos. Baylies in Morton, Co. Cheshire May 1719.

1720 Thos. Baylies was excluded from Vale Royal Iron works fo non payment of partnership capital. Dynasty Darby bk p 42, states that Abr. Darby Sr. (who died 1717) owned Vale Royal Furnace nr Oulton, Co. CHeshire with Thos. Baylies as partner. Vale Royal furnace collapsed in 1731, (King).

1721, Baylies was back at Coalbrookdale (acc. to King), but he states that the last record there for Baylies was Oct. 1719 when he sold his shares in the Coalbrookdale business.

Did Baylies reside Sutton nr St. Helen´s Lancashire, Eng where Vale Royal Co. had another furnace? Baylies was not Mgr. there. Baylies took his investment proceeds from Coalbrookdale to invest in Company at Vale Royal, which collapsed in 1731.

1729, York Building Co. #5, built a furnace at Abernathy, Scottish Highlands, (Thames River water). Thos. Baylies was Manager of Ironworks there sometime between 1729 and 1735. This Company failed in 1735 amidst a major financial scandal. Who were his partners in this venture? (Ref: P. W. King, 49 Stourbridge Rd., Hogley, Stourbridge, W. Midlands, Eng. DY90QS. Hei s author of 1993 article on Iron Industry. Correspondence to Bob White.

1736/7 or earlier Thos. Baylies to London area, long enough for 2nd dau. Ann b. 1709, to marry a man from London and

have ch. at London 1737; and 3rd dau. Hannah to marry a man from London.

Thomas Baylies arrived in Boston in 1737, made a trip back to Eng for more family, signed a contract made in London in 1738 with Clarke and Co. for employment in iron occupation in MA. Baylies settled in Worcester, Uxbridge, Attleborough Gore which is now Cumberland, RI and later was at Taunton, Ma.

No will was found for Thomas Baylies. Probate, stating that he was of Taunton, was found on FHC Reel 0558128, Bristol Co. Ma. Nicholas Baylies was Adm. of his estate. Sylvester Richmond, Capt. Elnathan Walker and Mr. Joseph Attwood were to take inventory of property 10 Aug. 1756. Pages of assets and debts were difficult to read, (read by G. Mayer).

Thos. Baylies, Iron Master, died intestate, Nicholas Baylies of Uxbridge appointed Adm. of estate, dated 10 Aug. 1756, Bk 15, p. 103. Inv. of estate ordered 10 Aug. 1756, dated 13 Aug., presented by Nicholas Baylies, Adm. Includes negro man Prince and negro woman Lucy. Personal estate 632-5-5, no real estate, apprs. Sylvester Richmond, Esq., Mr. Joseph Atwood Capt. Elnathan Walker, Bk 15, p 114-116. (Bristol Co. Probates by Rounds, v.15, p. 187, 188).

It is likely that Thomas and Esther were great grandparents of Matthew Baker of Stamford, Vt and Camillus, N.Y.

Memorial of the Walkers of the Old Plymouth Colony, p. 28-29 cites that Edward^4 Walker died childless. In his will of 1750, he left an acre of land for a burying ground to his kinsman Joseph Atwood. The land was to be be used by all of his present and future relations. This land was located on the Taunton Great River, running north to Edward Blake´s land, to Blake´s fence where Joseph Atwood and others were buried. Edward´s homestead was located in South part of Taunton, 1/4 mile East of Bristol Rd, and near the burial place.

Since Joseph Atwood and Edward Blake were buried in the same cemetery where Thomas and Esther Baylies amd two of the children of Susannah Baker Jones were buried, it would seem that this cemetery was one and the same.

It is helpful to understand the geography of the Taunton and Attleboro area because the people mentioned hereafter in this book resided in those areas.

The town of Taunton, Ma was est. 1639. N. Precinct of Taunton called Norton in 1710. 1712 S. Precinct of Taunton called Dighton. 1731 part of Taunton called Raynham. 1735,

part of Taunton called Berkeley. Original Taunton town rec. were burned in 1838. Many records non existent.

THOMAS BAYLIES AND ESTHER SARGENT

Baylies, Gen. 1. gr.father of Thos. Sargent Baker.

Thomas Baylies, was born circa 1685/7 Alvechurch Parish, Worcester, England. He died at Taunton MA, 5 March 1756, age 69. He was the son of Nicholas Baylies of Worcester, England.

Thomas was married 5 June 1706, in the Alvechurch Parish of Solihull, Worcester, England to Esther/Hesther Sargent in a Quaker type ceremony with 38 witnesses. His father Nicholas was a witness at his wedding. Esther was born circa 1687 in England, died in Taunton, 7 May 1754, in her 67th year. (Taunton V.R.). She was the daughter of Thomas Sargent, a Yeoman, and his wife Elinor, who were of the Parish of Soly Hull, Fullford Heath, Warwickshire, England.

They were buried near the Taunton River which was an abandoned cemetery when Mary Richmond (Baylies) Allen was alive as she noted in Reminiscences of Baylies Fam. It was then called the Walker cemetery, which was bet. Baker road and RR Ave., and bet. RR Ave and the River, Taunton, (Reminiscinces of Baylies Fam. by Mary Richmond Baylies Allen, b. 1809-d. 1883, LDS # 6019518; LDS 929.273, A1, #19.49; Old Colony Hist. Socy). Hist. Bristol Co. MA by Hurd, p. 837 says buried Baylies Cem. in Taunton below Weir Village.

Dighton Historical Society information states some bodies were moved after 1875 and some more recently when the Taunton Power and light plant was built. These graves are now located in Unitarian Church cemetery in Town of Dighton #40, north side of Elm St. Thomas and Esther Baylies listed as #318 and #319.

Some of the graves from this neglected cemetery were later moved to Community Church, Dighton, Ma early 1900´s. (Old Colony Hist. Soc´y). Trim´s bk on Dighton Ma Gravestones calls this "Village Cem" on Main St.

> One Nicholas Bayles of Alvechurch Parish, Worc. Eng. m. Sarah Chartleidge alias Webb (or Week or Weel) of Bromsgrove Parish m. at Sidemoor (or Sidmoor or Lidmore) 9 day of 10th month 1685, (bk 1183, p 63, Worcester Rec. Office, Eng. This Nicholas Bayles was s/o Thomas Bayles of Alvechurch Parish. One Thos. Baylies of Alvechurch had will proved 21 day of 3 mo 1684/5. Cartledge or Webb family were of Bromsgrove before the 1650´s. Above is perhaps the ancestry of Thos. Baylies of whom we treat (Eng. research hired by Bob White, 1993).

Thomas Bayles was an Iron Master in Eng and in MA. In 1714 he resided at Stourbridge Eng. and moved 25 miles to Coalbrookdale Co. Salop/Co. Shropshire Eng. for employment as Clerk of the Iron Works for Abraham Darby who was his blood cousin and also his brother-in-law by Darby´s marriage to Mary, sister of his wife Esther Sargeant. He was there 1717, 1718.
1716, April, he became a partner with Darby at Coalbrookdale. Prior to 1717, he became partner with Darby at Merionethshire, at Dolgyn, Wales, a furnace near Dolgelly.

1717, 11th month. Thomas was at Dolgyn to make a foundation for the new furnace 3 mi from Lyn Hir, 2 mi E. of Dolgelly. This furnace was put in operation about 1718. Thomas Goldney accompanied him June 11, 1717 for the same purpose. Fellow Quaker and Iron Works man wrote a diary in 1719 listing an acct of prior events relating to Kelsall´s ass´n with Abraham Darby. Kelsall was associated with Darby by 1713 in England or Wales near the Welsh border. Kelsall was at Dolgelly 1713 and Dolgunele, Wales 1715. The diary states that Thomas Goldney was from Bristol Eng., the same place where Darby resided before moving to Coalbrookdale.

1719 and 1722, Thomass Baylies probably went to County Cheshire near Oulton where his children were born in Cheshire Quaker records. Author Mr. King (Eng. resident with interest in History of Eng. Iron Industry) places Thomas Baylies in Morton, Co. Cheshire May 1719.

1720 Thomas Baylies was excluded from Vale Royal Iron works fo non-payment of partnership capital. Dynasty Darby bk p. 42, states that Abraham Darby Sr. (who died 1717) owned Vale Royal Furnace near Oulton, Co. Cheshire with Thomas Baylies as partner. Vale Royal furnace collapsed in 1731, (King).

1721, Baylies was back at Coalbrookdale (acc. to King), but he states that the last record there for Baylies was Oct. 1719 when he sold his shares in the Coalbrookdale business.

Did Baylies reside Sutton near St. Helen´s Lancashire, Eng where Vale Royal Co. had another furnace? Baylies was not Manager there. Baylies took his investment proceeds from Coalbrookdale to invest in a company at Vale Royal, which collapsed in 1731.

1729, York Building Co. #5, built a furnace at Abernathy, Scottish Highlands, (Thames River water). Thomas Baylies was the Manager of the Ironworks there sometime between 1729 and 1735. This Company failed in 1735 amidst a major financial scandal. Who were his partners in this venture? (Ref: P. W. King, 49 Stourbridge Rd., Hogley, Stourbridge,

W. Midlands, Eng. DY90QS. He is author of a 1993 article on the Iron Industry. (Correspondence from King to Bob White).

1736/7 or earlier Thomas Baylies probably to London area, long enough for 2nd dau. Ann b. 1709, to marry a man from London and have ch. at London 1737; and 3rd dau. Hannah to marry Wiliam Mould, a man from London.

Hist. Bristol Co. MA by Hurd says he carried on iron-works someplace on the Thames River in Eng.

Thmas Baylies arrived in Boston in June 1737, made a trip back to England the following year to bring his wife and two daughters to this country. He signed a contract made in London in 1738 with Richard Clarke and Co. of Boston for employment as a clerk in an Iron Works in MA. He superintended an iron works in West Attleboro Gore, now cumberland R.I. where he resided 15 yrs and was probably associated with Capt. Thos. Leonard of Raynham in that business. Baylies settled in Worcester, Uxbridge, Attleborough Gore which is now Cumberland, RI and was later was at Taunton, Ma. (Hist. Bristol Co. MA by Hurd and Lewis). (Note that a later Etheridge Clarke had an interest in a cotton and paper mill with John West, Caleb Lincoln and Edwin Parke abt 1833. These people connected with Nicholas2 and hodijah3 Baylies. Could Clarke have been a desc. of Richard, above)?

No will was found for Thomas Baylies. Probate, stating that he was of Taunton, was found on FHC Reel 0558128, Bristol Co. Ma. Nicholas Baylies was Adm. of his estate. Sylvester Richmond, Capt. Elnathan Walker and Mr. Joseph Attwood were to take inventory of property 10 Aug. 1756. Pages of assets and debts were difficult to read, (read by G. Mayer).

Thos. Baylies, Iron Master, died intestate, Nicholas Baylies of Uxbridge appointed Adm. of estate, dated 10 Aug. 1756, Bk 15, p. 103. Inv. of estate ordered 10 Aug. 1756, dated 13 Aug., presented by Nicholas Baylies, Adm. Includes negro man Prince and negro woman Lucy. Personal estate 632-5-5, no real estate, apprs. Sylvester Richmond, Esq., Mr. Joseph Atwood Capt. Elnathan Walker, Bk 15, p 114-116. (Bristol Co. Probates by Rounds, v.15, p. 187, 188).

It is likely that Thomas and Esther were great grandparents of Matthew Baker of Stamford, Vt and Camillus, N.Y.

Memorial of the Walkers of the Old Plymouth Colony, p. 28-29 cites that Edward4 Walker died childless. In his will of 1750, he left an acre of land for a burying ground to his kinsman Joseph Atwood. The land was to be be used by all of his present and future relations. This land was located on

the Taunton Great River, running north to Edward Blake's land, to Blake's fence where Joseph Atwood and others were buried. Edward's homestead was located in South part of Taunton, 1/4 mile East of Bristol Rd, and near the burial place.

Since Joseph Atwood and Edward Blake were buried in the same cemetery where Thomas and Esther Baylies amd two of the children of Susannah Baker Jones were buried, it would seem that this cemetery was one and the same.

It is helpful to understand the geography of the Taunton and Attleboro area because the people mentioned hereafter in this book resided in those areas.

The town of Taunton, Ma was est. 1639. N. Precinct of Taunton called Norton in 1710. 1712 S. Precinct of Taunton called Dighton. 1731 part of Taunton called Raynham. 1735, part of Taunton called Berkeley. Original Taunton town rec. were burned in 1838. Many records non existent.

RICHMOND CONNECTIONS

Loring Richmond resided in Stamford, Vt and one of the same name resided in Camillus, NY. He entered into land transactions with our Baker and Millard family. Loring Richmond resided two houses away from James M. Baker in Camillus, and is buried right next to Matthew, father of James Baker in Oswego Bitter Cemetery, Camillus. Other Richmonds were buried in Robbin Sherwood Cemetery where James M. Baker was buried before his removal to Maplewood cemetery. This is sure evidence of our Baker connection to the earlier Richmond family of Taunton, reinforcing my belief that Matthew Baker of Attleboro, Ma and Matthew Baker of Stamford were of the same line. The Richmond family had several marriages into the Loring family.

Pertinent Richmond lines are as follows:

Line 1
John^1, Edward^2, Silvester^3, Sylvester^4 Ezra^5, who married Mary2 Baylies.

Line 2
John^1, Edward^2, Silvester^3, Perez^4, Edward^5 who was in Stamford, Vt near Matthew Baker Sr., Loring^6 who was in Camillus near Matthew Baker Sr. (Bur. Oswego Bitter Cem. near Matt. Baker). Edward6 of this line had a dau. Harriet7 who m. Stephen C. Millard7, s/o James6, Squire5 Millard. James6 was bro. of Lydia Millard who m. Matthew Baker Sr. of Stamford VT.

Line 3
John^1, John^2, Ebenezer^3, Sylvester^4, Amaziah^5, resided Vt, Sylvester^6, m. Patty Hobbs, was in Camillus, N.Y. near Matthew Baker Sr. family, Loren^7 in Camillus near Baker family.

Line 4
John^1, Edward^2, Silvester^3, William^4, Col. Sylvester^5 m. Lusanna (Susanna) Cook Whitmarsh, d/o James and Abigail Hodges Cook and widow of Jonathan Whitmarsh. Lusanna was sister of Bethia Cook who had m. int. 1768 in Dighton with Thomas Serjeant Baker, s/o Matthew Baker and Sally Baylies of Attleborough MA.

Line 5
John^{1,2}, Edward^{3}, Josiah^{4,5}, Phebe^{6} m. Job Townsend. Their dau. Mgt. Townsend b. 1770, m. Walker Baker, probably s/o Simeon and Eliz. Ingalls Baker. They had a son Walker Baker Jr., b. 1790. Phebe's sister m. David Baker. Was David a brother of Simeon? Also, Simeon and Eliz. Ingalls Baker had dau. Zipporah Baker who m. Baker Jones, s/o Susannah Baker, (d/o Matthew and Sally Baylies Baker of Attleboro) and Benj. Jones.

Line 6
John^{1}, Ed^{2}, Sylvester^{3}, Wm^{4}, Ephraim^{5}, Jeremiah^{6}, Warner^{7} of Dighton, m. Mary/Polly Baker 1787. Moved to L.I. N.Y.

An interesting anecdote regarding brothers Loren and Amaziah Richmond is recorded in Among The Hills of Camillus. It seems that Loren was 6'9 in. and Amaziah was 6'10 in. Both were of stalwart build. A man, in his cups, wanted to lick the bully of Camillus, but changed his mind after seeing the Richmond brothers. reck. Another anecdote states that Amaziah was a gentle person, but was goaded by a newly hired boxing instructor to hit the instructor on the nose, in a crowded boxing hall. When the instructor landed off the stage by the force of the blow, the instructor decided to cancel the bouts.

The reader who wishes to examine the Richmond connection more thoroughly is referred to the Richmond Genealogy by Joseph Bailey Richmond.

MATTHEW BAKER AND SALLY BAYLIES

Gen. 1 Matthew Baker of Attleborough Mass. line.

Matthew Baker was born ca. 1697-1708, perhaps in Eng. estimated from birthdate of his wf. He died in 1757, when he was of Attleborough, MA, (Bristol Co. Probate Guardian Recs. by Rounds, 125:203).

Matthew married (perhaps Eng.) ca 1725/1743 Sally Baylies, Sarah daughter of Thomas and Esther (Sargent) Baylies. Marriage date is estimated from wife Sally's birth, son T. Sargent's birth (T.S.B. Rev. War Pension Application) and marriage dates of Matthew's two known daughters who were under 14 yrs of age in 1757. Look for as Sarah, also.

Sally Baylies was born 11 May 1707, in Warwickshire, Eng., listed in Quaker rec. North Monthly Meeting PRO RG6 1444 No. 1175 Book G:13 FHL 811744 Doc. 1. It is not known whether Sally was alive or remarried after Matthew's death. Since two of the children of Matthew and Sally were of Dighton at the times of their marriages, and one was married in Taunton, this is the likely area to find Sally after the death of Matthew, if she was alive.

It is not known whether Sally moved to New England with her parents in 1737, or came earlier or later. Her brother Thomas Baylies came at a later date. The first place that Sally's parents settled was at Uxbridge MA. Look for Matthew Baker there.

Sally was of marriageable age in 1725. It is not known if Matthew was her only marriage. Look for children born ca 1726/43, possibly in Eng. If there were other ch. they would have been young enough that they would have migrated with their parents before 1746.

1746, Matthew and Sally Baker were in MA when son T. Sargent was born. Try to get Trim Mss at R.I. Hist. Soc'y to check whether Trim had any info. on where Sarah Baker Phillips and Susannah Baker Jones were born.

1757, Matthew left three minor children under age 14. Ezra Richmond of Dighton, Ma was appointed Guardian of his nephew Thomas Sarjeant Baker. Ezra was married to Mary Baylies, sister of Sally. Nicholas Baylies of Uxbridge, Ma, later of Taunton Ma, was appointed Guardian of his nieces, Susannah and Sarah Baker. He was a brother of Mary and Sally Baylies. See ante, Baylies page.

Signatures on the Guardianship papers of the 3 minor ch. of Matthew Baker were: Nicholas Baylies, Ezra Richmond and

Abiel Terry. Witn. were Philip Hathaway and George Leonard. The Guardians were required to put up 2000 pounds lawful money to the court for each of the 3 minor children of Matthew This might indicate an estate of some worth and would be worthy of a search for further accounting by the Guardians.

Sally did not sign the Guardianship papers. Were women permitted to sign at that time? Did this indicate that Sally was deceased? If Matt. had older children in 1757, why weren´t their names on the Guardianship papers? They could have been over 14 and not yet married.

1797, Matthew Baker´s grandson, Baker Jones, resided in Adams, Ma. when his son Wm was born there. Note that Adams is 11 miles from Stamford, Vt where Sergeant and a later Matthew Baker resided in 1791. Matthew of Stamford and wife Lydia Millard also had ties to Adams, Ma. There were other Bakers in Adams. Adams and n. Adams was once all one town.

It is possible that Matthew and Sally were grandparents of Matthew of Stamford, Vt. and Camillus, N.Y., although I cannot prove whether Thomas Sarjent Baker was father or Uncle of Matthew of Stamford.

Children of Matthew and Sally Baker:

Were Philip Hathaway and George Leonard Jr connected or were they witnesses to the Guardianship papers only as employees of the court?

The land of Philip Hathaway adjoined the 4 1/2 acres that Thomas Serjent Baker purchased in Swanzey in 1770 and sold in 1779. Search of the Hathaway Gen´y, p 25, elicits the info. that Philip^5, (s/o Jacob and Philip(a) Chase Hathaway) married at Dighton, 1735, his 1st cousin Martha Simmons, (dau. of John and Hannah Hathaway Simmons). Stephen Baker of Taunton, m. Mary6 Hathaway, (d/o Benj.5) int. Berkeley, MA 1756; Stephen Baker Jr. of Berkeley m. Tryphenia Hathaway in 1785. Matthew Baker of Stamford had dau. Tryphenia.

George Leonard was the person appointed by the court to receive the 2000 pounds from the Guardians. He was an officer of the court and not necessarily a relative. George Leonard^3 who m Anna Tisdale, was s/o Major Thos. Leonard^2 and Mary Watson. Major Thos. was b. Eng. ca 1641. Anna, wife of George, was dau. of John and Hannah Rogers Tisdale. Don´t know if this George was the George in Guardianship papers. Mary Watson was d/o George and Mgt. Winslow Watson. The Hodges line of Bethia Cook (wf of Thos. Sergent Baker) connects with the Tisdale line.

If Matthew and Sally were the grandparents of Matthew Baker of Stamford, VT, possible unknown elder sons could have had name Matthew, John or James. Samuel Baker, (close in age to Sarjent Baker), lived in Cayuga Co. near Sarjent Baker and the Tupper family. Polly Baker who marr. Luther Tupper was poss. d/o Samuel since they resided next door to each other. The name Samuel on the census is clear. The Tupper family was in Pittsfield, MA and Stamford Vt before Cayuga Co. Samuel is another candidate as a son of Matthew and Sally Baker. One Samuel Baker seems to be around Sarjent Baker in other MA towns where he resided.

Author Mgt. Knight Baker has an error on p 15. She incorrectly lists Susannah Baker who m Benjamin Jones as *dau. of Abraham Baker of Francis Baker line. Jones Geny by Juia Berndt has Susannah correctly as dau. of Matt. Baker/Sally Baylies. Susannah Baker's Guardian was her Uncle Nicholas Baylies. MATTHEW BAKER AND SALLY BAYLIES

Gen. 1 Matthew Baker of Attleborough Mass. line.

Matthew Baker was born ca. 1697-1708, perhaps in Eng. estimated from birthdate of his wf. He died in 1757, when he was of Attleborough, MA, (Bristol Co. Probate Rec. by Rounds, 125:203).

Matthew married (perhaps Eng. ca 1725/1743) Sally Baylies, daughter of Thomas and Esther (Sargent) Baylies. Marriage date is estimated from wife Sally´s birth, son T. Sargent´s birth (Rev. War Pension Application) and marriage dates of Matthew´s two known daughters who were under 14 yrs of age in 1757.

Sarah

Sally Baylies was born 11 May 1707, in Warwickshire, Eng., listed in Quaker rec. North Monthly Meeting PRO RG6 1444 No. 1175 Book G:13 FHL 811744 Doc. 1. It is not known whether Sally was alive or remarried after Matthew´s death. Since two of the children of Matthew and Sally were of Dighton at the times of their marriages, and one was married in Taunton, this is the likely area to find Sally after the death of Matthew, if she was alive.

It is not known whether Sally moved to New England with her parents in 1737. Her brother Thomas Baylies came at a later date. The first place that Sally´s parents settled was at Uxbridge MA. Look for Matthew Baker there.

Sally was of marriageable age in 1725. It is not known if Matthew was her only marriage. Look for children born ca 1726/43, possibly in Eng. If there were other ch. they would have been young enough that they would have migrated with their parents before 1746.

1746, Matt was in Ma. when son T. Sargent was born.

1757, Matthew left three minor children under age 14. Ezra Richmond of Dighton, Ma was appointed Guardian of his nephew Thomas Sarjeant Baker. Ezra was married to Mary Baylies, sister of Sally. Nicholas Baylies of Uxbridge, Ma, later of Taunton Ma, was appointed Guardian of his nieces, Susannah and Sarah Baker. He was a brother of Mary and Sally Baylies. See ante, Baylies page.

Signatures on the Guardianship papers of the 3 minor ch. of Matthew Baker were: Nicholas Baylies, Ezra Richmond and Abiel Terry. Witn. were Philip Hathaway and George Leonard. The Guardians were required to put up 2000 pounds lawful money to the court for each of the 3 minor children of Matthew This might indicate an estate of some worth and

to whom Judge Leonard

would be worthy of a search for further accounting by the Guardians.

Sally did not sign the Guardianship papers. Were women permitted to sign at that time? Did this indicate that Sally was deceased? If Matt. had older children in 1757, why weren´t their names on the Guardianship papers? They could have been over 14 and not yet married.

1797, Matthew Baker´s grandson, Baker Jones, resided in Adams, Ma. when his son Wm was born there. Note that Adams is 11 miles from Stamford, Vt where Sergeant and a later Matthew Baker resided in 1791. Matthew of Stamford and wife Lydia Millard also had ties to Adams, Ma. There were other Bakers in Adams. Adams and n. Adams was once all one town.

It is possible that Matthew and Sally were grandparents of Matthew of Stamford, Vt. and Camillus, N.Y., although I cannot prove whether Thomas Sarjent Baker was father or Uncle of Matthew of Stamford.

Susanna Baker was born ca 1743, probably in N.E. Alive Sept. 8, 1820. She was the d/o Matthew Baker of Attleboro, Ma and his wife Sally^2 (Thomas^1) Baylies. (Bristol Ma Probate Rec. by Rounds, 125:203). Susannah was of Dighton, Ma in 1763.

She married Benjamin Jones of Berkeley, Ma, who was born 20 Apr 1736, birth recorded at Dighton, Mass. Alive Sept. 8, 1820. They were married at Taunton on 17 May 1763. (Ref; Taunton VR). In 1770-71, they were living in Taunton where they were on the tax list with 1 poll. Their son Matthew was baptized at St. Thomas Episcopal Church, Taunton in 1766. SUSANNAH BAKER AND BENJAMIN JONES

Gen. 2. Matthew Baker of Attleborough Mass. line.
Add more from Jones Bk? surname connect.

Susanna Baker was born ca 1743, probably in N.E. Alive Sept. 8, 1820. She was the d/o Matthew Baker of Attleboro, Ma and his wife Sally^2 (Thomas^1) Baylies. (Bristol Ma Probate Rec. by Rounds, 125:203). Susannah was of Dighton, Ma in 1763.

She married Benjamin Jones of Berkeley, Ma, who was born 20 Apr 1736, birth recorded at Dighton, Mass. Alive Sept. 8, 1820. He was s/o Cornelius and Abigail Jones. (Cornelius died Berkeley, Ma bet. 1744-47). They were married at Taunton on 17 May 1763. (Ref; Taunton VR). In 1770-71, they were living in Taunton where they were on the tax list with 1 poll. Their son Matthew was baptized at St. Thomas Episcopal Church, Taunton in 1766. Both were living in Attica, Genesee Co. NY in 1820.

> Cornelius Jones was prob. related to Thos.2 Jones who m. Mary Paul, (Thos.1 Jones who m. Lydia Sanderson), Mass. line, based on m. of Hannah Jones of this line to Joshua Phillips4 whose grson Sam m. Sarah Baker, dau.-in-law of Cornelius Jones.

1757, Susannah´s Guardian was Nicholas Baylies who was then of Uxbridge, Ma. Nicholas later moved to Taunton. (reck). He was her blood Uncle, married to Elizabeth Parks.

Nicholas Baylies of Uxbridge in Co. of Worcester, Ironmaster, Ezra Richmond of Dighton, Eqr., Abiel Terry of Freetown, Eqr., both in the Co. of Bristol, province of Mass. Bay in NE. were bound unto George Leonard, Eqr. in sum of 2000 pounds to be paid in the Office of Probate and Wills for granting Letters of Adm. of persons deceased in the Co. of Bristol. Dated first Nov. 1757. Nicholas Baylies is nominated Guardian for Susannah, a minor under age 14, dau. of Matthew Baker, late of Attleborough, Bristol Co. Document signed by Nicholas Baylies, Ezra Richmond, Abiel Terry and witnessed by Philip Hathaway, George Leonard Jr. or (Eqr?).

Sarah Baker was the d/o Matthew Baker and Sally Baylies. She was born ca 1745, prob. in N.E.. She d. 18 Sept. 1808, 63rd yr, Dighton, MA. Bur. Dighton, (Trim). Her Guardian after death of her father was her blood Uncle, Nicholas Baylies, who was mar. to Eliz. Park/Parks/Parker.

Strong circumstantial evidence exists which links her as the Sarah who m. Samuel Phillips, Jr. Both of Dighton, MA, Marriage int. Dighton May 2, 1772. Married June 8, 1772 at Dighton by Ezra Richmond, (Dighton VR, Bk 1, p. 170, 209). LDS reel on Freetown also lists mar. June 8, 1772. Ch. were born beginning 1776.

Samuel Phillips Jr. was born March 8, 1745/6 at Dighton, Ma, s/o Samuel (Joshua^{4,3}, Richard^{2}, Nicholas^{1}) Phillips and Phebe^{5} Hathaway of Berkley and Dighton who were married 23 June 1743. Sam Jr. died at Dighton on 5 March 1827, (Probate 9 March 1827, Bristol Co).

Samuel Phillips m. Anna Childs, 31 March 1800 at Dighton, (Ted Merrill, conflict - is date wrong)?

Samuel served as Pvt. Rev. War, Capt. Ephraim Hathaways Co. Col. Pope's Bristol Co. Ma Regt. On pay roll 8 days RI Alarm of Dec. 8, 1776. Co. marched to camp at Bristol and Howland's Ferry. See DAR # 233626.

Samuel wrote a will 11 May 1819 naming his wf Anna, which indicates that he married again, 3 sons and 3 grch. Executor was son Elkanah. Witnesses to will were William, Polly and Alfred Wood. Appraisers were Wm Wood, Thos. Peck, Caleb Chace. Wd Anne claimed dowable real estate from her husband's estate. Probate Judge at this time was Hodijah Baylies, a relative. Dr. William Wood owned property adjoining that of Samuel Phillips. The Baylies Geny states that Mrs. Dr. Wood of Dighton was the dau. of Hodijah^{3} Baylies. Others whose land adjoined Sam Phillips were: Barzillai Crain, Daniel Fish, Stephen Horton, Philip Peance, Ephraim Phillips, Benjamin Pidge and Phillip Pitts.

> Phebe Hathaway Phillips, b. 27 May 1722, was d/o Ephraim^{4},(Ephraim^{3}, John^{2}, Nicholas^{1}) and Ann Hathaway. Phebe's father Ephraim^{4} Hathaway had a sister Mercy, who m. Daniel King Jr. who m. 2nd Abigail Hodges Cook,

mother of Bethia Cook who m. Thos. Sergent Baker.

Ezra Richmond who officiated at the marriage of Sarah Baker and Sam Phillips Jr. was married to Helen Baylies, sister of Sally Baylies, wf of Matthew Baker of Attleboro.

Samuel´s parents Samuel Phillips Sr and Phebe Hathaway of Dighton were married June 23, 1743 by Sylvester Richmond, Justice of Peace. He was probably father of Ezra. (See Richmond Gen´y).

1757, 1 Nov, Nicholas Baylies of Uxbridge, in the Co. of Worcester, Iron Master, Ezra Richmond of Dighton, Eqr., Abiel Terry of Freetown, Eqr. both in Bristol Co., Mass Bay, N.E. were bound unto George Leonard Eqr. for 2000 pounds to be pd to Geo. Bethia was alive January 1806 in Scipio, NY when a judge interviewed her when selling land with husband.

Sarjent m. lastly Rachel ..., sometime after 1806. His Pension Applic. of 1820 does not give name of wife when he indicated she was born ca 1780. She was Rachel, Adm. of his estate. She apparently did not apply for a Pension as a widow. She was b. 1781 and died as his widow 11 May 1842, 61 yrs. Rachel Baker, wife of Thomas Sergent Baker is listed in Reynoldsville Cemetery, Town of Hector, N.Y. in "Some Cemeteries of the Between the Lakes Country" by Jessie Howell Finch, (1974), v. 2, p 545. Another listing in FHC Reel 1429?? Reynoldsville Cem., Schuyler Co. lists her as wf of Peter Sarjent Baker, ~~which I believe is in error~~. (Check for Rachel, 1840 census, Cayuga Co. Index, p 210).

Simeon 1735 - 1811; Taunton MA 1790

Posted by: Tracy Lewis

Date: October 03, 1999 at 14:16:19

4172 of 4464 Go

Hoping to find a link between Simeon BAKER, found in the Taunton, Bristol Co, MA census in 1790 (4-2-3-0-0) and my own line.

According to marriage information from the town records of Berkley, Kesiah BAKER was from Taunton when she married in Feb. 1790.
The 1790 census shows only one BAKER, the above mentioned Simeon.

The 1800 census shows Simeon (>45) with two males aged 16 - 26 and a single female also older than 45. There are two other BAKERS listed in 1800, Abijah and Walker, both born between 1755-74 and they would fit nicely into the family of Simeon in 1790.

Hoping to find someone who can confirm or deny that Simeon is the father of my Kesiah.

Any thoughts or suggestions most gratefully accepted.

Kesiah (Kazia) BAKER of Taunton,MA ~1760

Posted by: Tracy Lewis **Date:** September 14, 1999 at 04:22:53

3954 of 4464 [Go]

Intention of Marriage between Ephraim ANDREWS of Berkley and Kesiah BAKER of Taunton was entered in the Berkley, Bristol Co., MA town clerk's records on 12 Feb. 1780. The Vital Records of Taunton to 1850 do not contain either a marriage or a birth record for Kesiah BAKER.

Children of Kesiah and Ephraim are:
Abigael, Abraham, Ephraim, Isaac, Israel, John, Kazia, Mehetable, Pamela, Samuel and Sarah.

The names Ephraim, Mehetable and Samuel are known to be associated with her husband's family. Any of these other names ring a bell? Hoping to find a link to Kesiah's parents or siblings.

Thanks in advance for any clues or suggestions.

You may be refering to the John B. Hubbell who mar Catherine Lord 14 April 1854. He was born c 1820 NY (age 30 in the 1850 census) He built Hubbell House hotel in Mantorville MN 1855. In the Miami co 1860 census I have identified possibly William son of John B. living with Patrick O'Morrow and Susan O'Morrow. This is not solid. Any information you have on John B. particularly his children would be greatly appreciated.

I am searching for a link for Mehitable LEONARD. According to one source she is the daughter of John Leonard of Raynham, Bristol Co., MA. Mehitable marries first Benjamin JONES, then on 21 June 1753 Samuel ANDREWS of Berkley, MA.

Would love to confirm her parentage as well as learn about any siblings.

Any leads or suggestions gratefully appreciated.

THOMAS SARJENT BAKER AND BETHIA COOKE AND RACHEL JONES

Gen. 2 Matthew Baker of Attleborough line.

4. Thomas Sarjent Baker was born in MA, perhaps in Bristol Co., 7 March 1746, (Rev. War Pension Applic.). His middle name had various spelling in records. He was son of Matthew Baker and Sarah/Sally^{2} Baylies (Thos^{1}) of Attleboro. His grandmother's maiden name was Serjeant, (var. sp.).

He was under 14 yrs when his father Matthew died in 1757, (Guardian papers). Thomas Serjeant Baker last resided and was killed by lightning in Hector, Tompkins County, N.Y. on June 24, 1828, 83 yrs. (Hector is now in Schuyler Co. which was formed 1854).

His obituary was printed in the Geneva Gazette, (N.Y.) on July 2, 1828. It stated his age, date of death and that he was a respectable citizen. Also that he was a member of Methodist Episcopal church (ie: Meth.), but does not mention his next of kin.

A Penn Yan Newspaper, maybe Yates Chronicle, listed Sargent Baker 83 yrs, killed by lightning 24 June 1828 at his home in Hector, Tompkins Co. A veteran of the Revolution and member of Methodist Episcopal Church, published 1 July 1828. Genealogical Gleanings Abstracted from the Early Newspaper of Penn Yan, Yates Co. N.Y. #332, page 29, abstracted by Dianne Stenzel. Published by Heritage Books. Note that Meth. Episc. of that day equals a Methodist church, not an Episcopal church.

(Try another newspaper for a longer obit).

I have not found his grave or that of his wife Bethiah. Possibilities would be in Scipio area with Bethiah or with Joseph Coats Sr. or in Town of Hector with his last wife Rachel Jomes, widow of her first husband Joseph Coats Sr.

His name was listed as Sargent Baker on the Intestate Administration paper of goods and chattel belonging to him. Rachel Baker, Administatrix, 9 Sept. 1828, Miles Finch, Surrogate. Personal property worth less than $200, sworn to by Gideon ?Laning. (Ref: FHC Reel 085083, Town of Hector, Tompkins Co. NY, Letter of Adm., Vol. 5, page 155). Was Laning related? Doesn't say if Sarjent owned Real Estate. (any other info. at Hector? Was land sold in Hector by him or his widow)?

Thomas Sarjent Baker was known by his middle name most of his life. It was spelled variously Sargent, Sarjent, Sergeant, Sergent, Serjeant, Sergant, Seargeant. His name was signed Sarjent Baker in 1819, on his Revoutionary War Pension Application. Therein he listed his birth in Massachusetts and his age as 72 years on 7 March last.

Sarjent resided at Dighton Massachusetts where his marriage intention was published 16 January 1768, (Ref: Dighton V.R.). He married Bethia[5] Cooke, who was baptized in 1746 at Kingston Mass., (Ref: Hodges Genealogy, p.103). Bethiah was the daughter of James[4] Cook and Abigail Hodges; (Caleb[3] and Rebecca Cooke, Jacob[2] and Damaris Hopkins Cooke, Francis[1] Cooke, Mayflower passenger, and wife Esther Mahieu).

Bethia was alive January 1804 in Scipio, N.Y. when a judge interviewed her when she and her husband sold land. Bethia apparently died ca 1804/1808 because a male child born ca 1809 was in the household of Sergent Baker in Sept. of 1820 when he applied for a Revolutionary War pension. Sergent had a wife Rachel at that time. There waa a female child in Sergent's household in Sept. 1820, who was born ca 1805. This female could have been his daughter by Bethia Cook or a step daughter named Coats. (Bethia likely died in Scipio or less likely in Hector N.Y. Note that second wife Rachel's first husband Joseph Coats died in 1805 in Scipio N.Y.).

Sarjent married last circa 1805/8 to widow Rachel (Jones) Coats. His Pension Application of 1820 does not give the name of his wife, whom he indicated was born ca 1766.

(A Schuyler Co. N.Y. biography of the Joseph Coats family lists Rachel (Jones) (Coats) Baker's birth as 1761 in N.J.).

Rachel Baker was Administrator of Thomas S. Baker's intestate estate. The papers I received from National Archives was silent as to whether Rachel ever received any pension on his service. She would have been eligible for a Pension on Joseph Coats Rev. War Service and that should be researched. The published Reynoldsville Cemetery listing, in the town of Hector, Schuyler Co. N.Y., listed Rachel Baker born 1761, died as the widow of T. Sargent Baker on 14 May 1845 @ 84 yrs. The cemetery is located on Perry City-Burdett Rd, one half mile west of Reynoldsville church, between the main road and a dirt road, on a left bend toward the south. It is on a hill. It seems to be on the road to Burdett. A friend tried to enter this cemetery for me several years ago, but it was so overgrown that they did not attempt it.

Ref: "Some Cemeteries of the Between the Lakes Country" by Jessie Howell Finch, (1974), V2:405. It was edited by Carl W. Fischer and Jessie Howell Finch. Another listing on F.H.C. Reel #147982 Reynoldsville Cemetery, Schuyler Co. N.Y., lists her as widow of Peter Sarjent Baker, which is an error. Did Rachel have a son Peter?

FIRST WIFE BETHIAH COOKE

Sarjent Baker resided at Dighton Massachusetts where his marriage intention was published 16 January 1768, (Ref: Dighton V.R.). He married Bethia[5] Cooke, who was baptized in 1746 at Kingston Mass., (Ref: Hodges Genealogy, p.103). Bethiah was the daughter of James[4] Cook and Abigail Hodges. James Cook descended from (Caleb[3] and Rebecca Cooke, Jacob[2] and Damaris Hopkins Cooke, Francis[1] Cooke, Mayflower passenger, and wife Esther Mahieu).

Bethiah was alive January 1804 in Scipio, N.Y. when a judge interviewed her when she and her husband sold land. Bethiah apparently died ca 1804/1808 because a son of Sergeant born ca 1809 was in the household of Sergent Baker in Sept. of 1820 when Sergeant applied for a Revolutionary War pension. Bethiah was not of childbearing age in 1809.

Sergent had a wife Rachel in 1820. Sergeant had a dau. in in Sept. 1820, who was born ca 1805. This female could have been his daughter by Bethia Cook or a step daughter named Coats. Note that Sergeant's second wife Rachel's first husband Joseph Coats died in 1805 in Scipio N.Y.

> Bethiah's mother Abigail[4] was the daughter of William[3] Hodges (John[2] and Elizabeth (Macey) Hodges, William[1] and Mary (Andrews) Hodges, who married 2nd Peter Pitts) and Hannah[3] Tisdale (Joseph[2] and Mary (Leonard) Tisdale, John[1] and Sarah (Walker) Tisdale).
>
> After Bethiah's father James Cook died, widow Abigail Cook of Dighton was Guardian to her children Bethiah, Amos and James Cook, all under 14 and of Elijah and daughter Meriah Cook, minors over 14 yrs, children of James Cook of Dighton, dated 14 April 1758.
>
> Abigail (Hodges) Cook had marriage intention as second wife to Daniel King Jr. on Nov. 25, 1759 in Taunton Mass., both of Dighton, (Ref: Taunton V.R.). Daniel was previously married to Mercy Hathaway, whose brother Ephraim[4] was grandfather of Samuel Phillips Jr., who married Sarah Baker, sister of Thomas Sarjent Baker. When did Abigail die?

THOMAS SARJENT BAKER AND BETHIA COOKE AND RACHEL

Gen. 2 Matthew Baker of Attleborough line.

Thomas Sarjent Baker was born in Ma, perhaps in Bristol Co., 7 March 1746, (Rev. War Pension Applic.). He was son of Matthew Baker and Sarah/Sally^2 Baylies (Thos^1) of Attleboro. He was under 14 yrs when father died in 1757, (Guardian papers). Thomas Serjeant Baker last resided and was killed by lightning in Hector, Tompkins County, N.Y. on June 24, 1828. (Hector is now in Schuyler Co. which was formed 1854). His obituary was printed in the Geneva Gazette, (N.Y.) on July 2, 1828. It stated that he was a respectable citizen and that his religion was Methodist Episcopal, but does not mention next of kin. Try another newspaper.

His name was listed as Sargent Baker on intestate Adm. paper of goods and chattel. Rachel Baker, Administatrix, 9 Sept. 1828, Miles Finch, Surrogate. Personal property worth less than $200, sworn to by Gideon ?Laning. (LDS Reel 085083, Town of Hector, Tompkins Co. NY, Letter of Adm., vol. 5, p 155). Was Laning related? Doesn´t say if he owned Real Estate. (other info. at Hector)?

Thomas Sarjent Baker was known by his middle name most of his life. It was spelled variously Sargent, Sarjent, Sergeant, Sergent, Serjeant, Sergant, Seargeant. His name was signed Sarjent Baker in 1819, on Rev. War Pension Applic. where he states his birth in Ma and his age as 72 on 7 March last.

He resided at Dighton where his marriage intention was published 16 Jany 1768, (VR). He m. Bethia^5 Cooke, baptized in 1746, Kingston, Ma, (Hodges, 103), d/o James^4 Cook and Abigail Hodges, (Caleb^3 and Rebecca Cooke, Jacob^2 and Damaris Hopkins Cooke, Francis^1 Cooke, Mayflower passenger, and Esther Mahieu). Bethia was alive January 1804 in Scipio, NY when a judge interviewed her when selling land with husband.

Sarjent m. last, Rachel (Jones) Coats . . ., sometime after 1804. His Pension Applic. of 1820 does not give name of wife whom he indicated was born ca 1766. She was Rachel, Adm. of his estate. She apparently did not apply for a Pension as a widow. She was born 1761 and died as his widow 14 May 1845, 84 yrs. Rachel Baker, wife of Thomas Sergent Baker is listed in Reynoldsville Cemetery, Town of Hector, N.Y. in "Some Cemeteries of the Between the Lakes Country" by Jessie Howell Finch, (1974), v. 2, p 405. Another listing in FHC Reel 147982 Reynoldsville Cem. Schuyler Co. lists her as wf of Peter Sarjent Baker, which I believe is an error. (Check out Rachel, 1840 census, Cayuga Co. Mentz, p 205).

1779, wife Bethia signed deed with Sarj. Baker, sale of Swanzey land, Bristol Co, Fall River, Reg., Ma Land Rec. 11:380/81. She appeared on a deed for sale of land, 22 Feb. 1803 and 3 Jany 1804 in Scipio, Cayuga Co. NY with her husband. She probably died in Central NY, either Scipio or Hector, alive Scipio, Jany 1804.

Sarjent interests us because he was the link from Stamford, Vt back to Ma in tracing ancestry of Matthew Baker. Circumstantial evidence points to Sarjent being Uncle or Father to Matthew Baker of Stamford, Vt. In 1791, Sarjent Baker lived next door to Matthew Baker in Stamford and had 2 females in his household, no male children. Was the second female dau. or mother? At this time, there were only 48 families residing in Stamford, several of which intermarried with the Baker family.

1757, Sarjent was abt. 11 yrs old when his father died. His Uncle Ezra$^{\cancel{4}5}$ (Col. Wm Sylvester^4) Richmond of Dighton was appointed his Guardian. Ezra was married to Mary Baylies, his mother's sister.

1757, 1 Nov, Ezra Richmond of Dighton Eqr., Abiel Terry of Freetown ~~Eqr~~ Esq. Bristol Co. and Nicholas Baylies of Uxbridge in Co. of Worcester, Iron Master, all of Massachusetts Bay in New Eng. were bound unto George Leonard Eqr. in sum of 2000 pounds to be pd to George Leonard in the office of Judge of Probate and Wills for granting Letters of Adm. in Bristol Co. Ezra Richmond was nominated guardian of Thomas

Seargeant (sic) Baker, a minor under the age of 14, son of Matthew Baker, deceased, late of Attleborough, Bristol Co. Document was signed by Ezra Richmond, Abiel Terry, Nicholas Baylies. Philip Hathaway and George Leonard Jr (or Eqr?) were witnesses.

1770, Book 10, Fall River, Ma Registry of Deeds, p 413-14 lists sale of 4 1/2 acres of land from Abiel Simmons of Swanzey, Bristol Co. Ma for 63 pounds to Thomas Sargant Baker, Blacksmith, of the same town. Land bordered East and West, that of the late Edward Simmons of Swanzey, deceased, which he gave to his grandson Seth Simmons, north by land of Philip Hathaway, south by town landing. Dated March 9, 1770. Sale signed by Abiel and Lydia Simmons, witnessed by Elijah King, (bro in law), and William Winslow.
Recorded May 14, 1770. A true copy from bk 53, pp 57-8 of Bristol Co. District Land Records.

1771, Sergeant (reck sp) Baker was listed in the MA Tax Valuation List (Swanzey), with two taxable adult males in household and owned property. Who was the other adult male? (Get this ref. for other names).

1779, Book 11, Fall River Register of Deeds, p 380-381 lists sale of 4 1/2 acres of land and dwelling house of Showomet Purchase in Swanzey, bounded by land of Seth Simmons, Philip Hathaway, from Thomas Serjant Baker, Blacksmith, of Swanzey, Bristol Co. Ma for 427 pounds to Noble Wood.
Thomas S. Baker´s wf Bethia relinquishes her right of dower, 10 Feb. 1779. Signed by Thomas Sargent Baker and Bethiah Baker, her mark. Witnesses were Thomas Dennis and John Shardon. Recorded Feb. 13, 1779, a true copy from book 59, p 131, Bristol Co. No. District Land records.

Sarjent Baker of Swanzey and Sarjent Baker of New Salem had the occupation of blacksmith. The Hodges Geny, p. 103, states that Thos. Serjant Baker, who had m. int. 1768 in Dighton to Bethia Cook, (d/o James and Abigail Hodges Cook), was later of New Salem, Ma.

1780/81, Spring, Sargent Baker enlisted in the regular Continental service at the town where he resided, New Salem, Western Mass. He stated that he may have enlisted as Serjent Baker. He served with the 10th Ma Regiment under Capt. Baxton (Buckston), and Col. Benjamin Tupper, also Col. Sprout.

1781, March 15, Mass. Thomas Sargent Baker, enlistee, for three years, belonging to Hampshire Co. (Soldiers and Sailors of the Rev. War, Ma Archives, 1896), He was 33 yrs, 5´9 stature, dark complexion, dark hair, occupation Blacksmith, resided New Salem. Private, Col. Benjamin

Missing years for Sarjent Baker are from 1783 when he was discharged from military service to 1791 census Stamford, VT; 1797 to 1802 when he appears in Scipio, NY. Would assume he resided Stamford for awhile after 1797 purchase of land.

1799, Cayuga Co. was created from Onondaga Co. NY. must Ck Onon. ** Co. deeds for name Thos. or Sarj. 1797-1802.

1800, No Sergeant Baker found in Vt, Ma or NY census indexes. He could have been listed as Thomas, not identifiable.

1802, 19 March, Cayuga Co. NY, Deed, Vol. C, p. 461-463 executed by Gilbert Livingston, Master of Chancery. Robert Abbott of Clinton, Dutchess Co. NY sold 600 acres land, Lot 96, with appurtenances, township of Scipio, Cayuga Co. to SERJENT BAKER of Scipio, Cayuga Co. NY, for $3000, U.S. money. Recorded May 8, 1802.

This land was in the Military Tract which had been laid out in 1782. Lot 96 was in south Scipio bordering Milton. This was called a farm lot consisting of 600 acres. Each town had 100 of these lots. Size and boundaries could not be changed. Sarjent should have received land for his military service, but this was not it.

1803, Town of Scipio, Cayuga Co. NY, Bk 1, p. 419-420, Serjeant Baker and wife Bethiah sell 20 acres of land, part of Lot 96, to John Molls (?Mills), for $100. Recorded 3 Oct. looks like 1800 but may be 1810, (FHC Reel, 0851933). This transaction is listed in the Index incorrectly as Samuel Baker. The indexer did not read the entry correctly as the name Serjeant is very clear.

Sarjent and Bethiah Baker sold several parcels of land, part of Lot 96 in Cayuga Co, NY, Deeds, Vol. E, FHC Reel 0851931 as follows:

1803, 8 Feb. Vol. E, p. 244-245, Searjeant and wife Bethiah Baker of Cayuga Co. NY sell 85 acres part of Lot 96, town of Scipio to Robt Leech of Cayuga Co. for $425. Signed Sarjent Baker, and Bethiah who signed by mark. Witn. William Clark, Ezekial Way. Seth Phelps was present when Bethiah signed and swore he knew them. Recorded Aug. 20, 1803, (Cayuga Co Deeds, FHC Reel F. 0851931).

1803, 18 Feb. Cayuga Co. NY Deeds, v. N, p 369/70, Serjeant and wife Bethia Baker of Cayuga Co. sold 20 acres of land in Lot 96, in town of Scipio for $100, to Gardner Cangdon of same Co. Witn. Joseph Derrow, Josiah Tupper.

1803, Feb. 22, p. 414-416, Serjant Baker and wife Bethiah of Cayuga Co. NY sold 50 acres 3 rods 74 perches, land part of Lot 96 in Town Scipio for $250 to Samuel Brownson of Cayuga Co., land bounding Robt Leach. Signed Sarjent and Bethiah Baker. witn. 1803, Feb 22, Vol. E, p 416-417, Serjeant Baker and wife Bethiah of Cayuga Co. (William Wilbur married Roxey Tupper, sister of Josiah. He moved from Stamford to Genoa, Cayuga Co. NY according to Tupper Geny. Need to ck out Wilbur Geny. A Wilbur family was connected to the Presbrey family that was connected to the Thos. Baker of Raynham family).

Why did Sarj. Baker sell 388 plus of his 600 acres while he continued to reside in the same town for at least 6 more years? He sold more than half his land for $1400.50, almost half the amount of his original purchase price of $3000. That's a loss, not a gain. Did he sell to sons-in-law? Did he purchase land in Hector? If so, did widow Rachel sell land 1828 or later?

no male in 1791 census ~~prob b. 1794~~

1810, Serjeant Baker was listed on census in Scipio, p. 91. He had a male 16-26, for birth 1784-1794, a male over 45, a female under 10, for birth 1800-1809, a female 10-16 for birth 1794-1800, in household. There is a fainter mark in the category for female over 45 which was prob. his wife. Neighbors were Brae, Weller, Webb, Lyan, Drake, Wm Smith and John Butler. Scipio is 30 miles from Camillus, where Matthew Baker of Stamford, Vt settled. (Note that Matt. Baker named a dau. Mary Butler Baker).

Scipio is very close to the birthplace of Pres. Millard Fillmore, whose mother was a Millard. He was 3rd cousin to Lydia Millard who m. Matthew Baker.

Sarjent Baker stayed in Scipio until at least 1810, moved to Hector, Tompkins Co. by 1818. Look for Bethiah's death and burial Scipio or Hector ca 1804-18 and Sarjent's 2nd marr. same places, 1805-19.

1817, Tompkins Co. was created from Cayuga and Seneca County, NY. Hector, which was then in Tompkins Co. is now in Schuyler Co. which was formed 1854 from Tompkins, Steuben and Chemung Co. Need Tompkins Co. deeds. was Bethiah in Hector?

1819, 13 Jany, Thomas Sarjent Baker, known as Sarjent Baker, of the Town of Hector, Tompkins Co. N.Y., was 72 yrs, the previous March 7. He enlisted in regular service on the Continental establishment in New Salem, Ma, in the Spring of 1780 or 81, in the Co. commanded by Capt. Buxton of 10th Ma Regt, commanded by Col. Tupper. He served in Col. Tupper and Col. Sprout's Regt til Spring 1783 or 84, for a total of abt 3 yrs. He was discharged at West Point. The application stated he was in reduced circumstances and needed the assistance of his country. Sworn before Richard Smith, Judge. Joel Reynolds swears as to his character. (Hector is now in Schuyler Co). (Rev. War Pension Applic.). Col. Benj. Tupper was 2nd cousin to Benj. Tupper of Stamford, Vt

and Cayuga Co. NY, (Tupper Geny).

1820, 27 Sept., Tompkins Co. NY, p. 7, Sargeant Baker, 74 yrs, of Town of Hector, swears his Rev. War service, enlisted New Salem, Ma, 1781, in Co. commanded by Capt. Buckston in Col. Tupper´s Regt, served 2 yrs, 6 mo, transf. to Col. Sproutz Regt, served 4 mo, disch. at West Point, NY; recd certif. #13.177 which entitled him to pension of $8 mo from June 10, 1818. He had a 54 yr old wf, who through age and infirmity, could do little. He stated that he had a healthy son 11 years of age, (for birth about 1809) and a daughter 15 years old (for birth about 1805) in ill health. All were dependent on him for support. He stated that was all the family that he had. He listed his occupation as a laborer, too aged to do much work. (Note that wife listed here was younger than he, by eighteen years).

He listed possessions: 1 cow, 4 sheep, 1 sow, 1 pig, and a few household utensils. Sworn before Rich. Smith, Tompkins Co. Judge.

Note that Bethia Cooke was baptized in 1746. She could not have been the mother of these two children. Rachel was born between 1761-66 and was presumably mother of these children or stepchildren.

ages? 1820, Serjeant Baker with 4 people in household, resided in Hector, Tompkins Co., NY in census, p 7. This agrees with his Pension Application. Neighbors were: Daniel or David A. Coats, Jones, Henry Clymer, Nehemiah Hodges, Gordon, Eliz. Pratt, Lemuel Parker. Hodges may have been related and possibly Jones.

Sergent Baker in Hector was the same man who resided and enlisted in New Salem, Ma in Rev. War and who had 1768 marriage bond with Bethia Cook in Dighton, Ma, (Rev. Pension Applic., Hodges Geny). His age agrees with the man who was son of Matthew Baker of Attleborough, who was a ward of his Uncle Ezra Richmond of Dighton. Sargent stated that he was born in Ma on his Rev. War Pension applic. Also, Benjamin - Sold when ✓ Jones of Taunton, bro in law of T. Sarg. Baker, bought land in Scipio in 1800 from Elijah Kinng or Kinney. (Was Elijah King, bro. in law of T. Sarg. Baker)?

This, plus other facts listed in this narrative, is solid evidence that the man of Dighton, Swanzey, New Salem and Hector were one and the same person. The best evidence I have to date that Sarjent Baker of Stamford, Vt was the same man of Ma, Scipio and Hector, is that the ch of Benj. Tupper/Eunice Raymond of Stamford Vt, some of whom married into a Baker family, appear in the sale of Sarjent´s land at Scipio. Evidently, they moved to NYS abt the same time.

Polly Baker, wf of Luther Tupper may have been dau. of Sam Baker.

Relatives of Sarjent's Guardian, Ezra Richmond, ie: Edward Richmond and children of his family as seen in deeds in Stamford and Camillus, plus the burial of this Richmond family next to Matthew Baker in Camillus is additional evidence of the connection of Sargent to Matthew Baker of Stamford. Further, the fact that Matthew Baker, a man having the same name as the father of Serjent, resided next to him in Stamford in 1791 adds to the evidence. Baker Jones, nephew of Serjent Baker resided in Adams, Ma in 1797, just 4 miles away from Stamford, Vt.

It appears that Sergeant Baker had children as listed in 1791 Stamford Bennington Co. VT and 1810 census in Cayuga Co. NY. The VT ch. prob. by wf Bethia. A man of 72, with a much younger wife, would likely have been married previously and had children by that previous wife.

The probable children of Sergeant was compiled from the various census records of Swansea, Stamford, Scipio, Hector and his Rev. Pension Application. He must have had 4-5 ch. born bet. 1768 and 1779. Bethia would probably be beyond childbearing age by 1796, but was alive 1804. Although Sarjent called the younger two his ch. in 1819, they could possibly belong to his wf by a previous mar.

Samuel Baker, over 45 yrs with female over 45 yrs, lived next door to Luther Tupper in Scipio, Cayuga Co. NY, 1800 census. The name was clearly written Samuel.

Was Samuel her father, or was it written in error for Sargent)?

Luther Tupper was s/o Benjamin and Eunice Raymond Tupper of Salisbury CT, Stamford VT and Genoa, Cayuga Co. NY. Benjamin moved to Cayuga CO 1806 because 3 of his family were already there. He located next to 3 of his sons at Indian Fields, later called Tupper's Corners in town of Genoa. One of the Raymond females of Stamford m into the Matthew Baker family of Stamford.

Thos. Sargent Baker had deeds in 1803 in which Luther Tupper's brothers Calvin and Josiah were named.

Samuel Baker was a 1771 neighbor of Thomas Sargent Baker in Swanzey, but a man of that name was still there in 1810, p 367. Could this Samuel also have been taxed in Dighton?

Other people listed in the 1771 Tax Valuation list for Swanzey MA near Thomas Sarjent Baker were Greenman, Blevins, Brown, Teage, Pierce, Marble, Perry, Simmons. Next to Sam Baker´s name were Commings, Bowers, Boorn, Chase, Losk, Cartwright, ditto. (Why did I write ditto? Reck) See Swanzey deed of Thos. Sargent Baker re: Simmons.

Sarah Baker res. Swanzey in 1810, p 368. Sally Baylies Baker dead by then. Seems connected to Samuel, above, poss. in law?

In 1820 census, Hector was then in Tompkins Co. N.Y. On p. 7, Israel Coats was listed next to Serjeant Baker. Israel was listed with 111010 (total 2 in household which doesn't fit). This lends support to widow Rachel Coats being the the last wife of Serjent Baker.

In Schuyler Co. the Town of Scipio, Cayuga Co. N.Y. Rootsweb obits. page, January 2000, Keith Milo Thompson listed an obituary entitled Benjamin (Jane) Lambert. He wrote that Joseph Coats Sr. came to this country during the Rev. War and later settled in Scipio where he died. His widow married Mr. Baker and moved with HER young family to Hector N.Y.

Mr. Thompson wrote that Joseph Coats had a son Joseph Jr. (born ca 1788), married Jane Bellis and had 11 children.

Sampubco website lists Joseph Coats (Jr.)'s will Bk2:p.51. Online Schuyler Co. website lists Joseph Coats (Jr.) Will of 14 June 1860, age 72, (for birth ca 1788), probated 21 March 1864 at Hector, Schuyler Co. N.Y. His children listed in will were: Mary Ann Brown, wife of Epriam (sic); Peter A.; Jane B., wife of Benjamin Lambert, Joseph B.; Caroline, wife of Scipio (C.) Beardsley; Joanna M., wife of James Hazlitt. Executors were Peter Coats, Benjamin Lambert. Witnesses were Charles G. Tuthill, Chester M. Hager, both of Burdett, Schuyler Co. N.Y.

Scipio C. Beardsley was son of Lewis 2nd and his wife Harriet, both born Conn. See 1855 census of the Town of Catherine, Schuyer Co. N.Y., when Scipio and wife resided there with his parents. Scipio's wife Caroline was 28 yrs old for birth ca 1827.

Obituary on Cayuga Co. N.Y. Rootsweb website for Josph B. Coats, (husband of Catherine E. Durbon), son of Joseph Coats Jr. and grandson of Joseph Coats Sr. The obituary listed Joseph Coats Sr. as serving as an enlisted man during the Revolutionary War in Albany Co. N.Y. Militia in the fourth Regiment and in the Continental Line in sixth Reg't under Land Bounty Rights. Joseph Coats Sr. settled in Scipio, Cayuga Co. N.Y. and married Rachel Jones born in N.J. in 1761. The obit Lists Joseph Coats Sr.'s death in 1805 of a fever; also that his widow married Thomas Sarjent Baker and died in 1845. (Joseph Coats Sr. was probably born ca 1750/60).

The son Joseph Coats Jr. was born 30 March 1787 and moved to Schuyler Co. about 1815, settling in Hector and dying in Catharine, Schuyler Co. N.Y. He married Jane Bellows.

Rachel may have been the sister or other realtive of Thomas Jones born 1733 in N.J. died 16 April 1831, res. Town of Mentz, Cayuga Co. N.Y. His wife was Jane. They were buried in McArthur Cemetery, Town of Montezuma, Cayuga Co. N.Y.

1779, wife Bethiah Baker signed a deed with Sarjent Baker for sale of land in Swanzey, Bristol Co, Fall River, Reg., Massachusetts Land Record Book 11:380/81. Bethiah also appeared on deed for sale of land, 22 Feb. 1803 and 3 January 1804 in Scipio, Cayuga Co. N.Y. with her husband. She probably died in Central N.Y., either Scipio or Hector; Bethia was alive in Scipio, January 1804.

Bethiah's mother Abigail[4] was the daughter of William[3] Hodges (John[2] and Elizabeth Macey Hodges, William[1] and Mary Andrews Hodges, who married 2nd Peter Pitts) and Hannah[3] Tisdale (Joseph[2] and Mary Leonard Tisdale, John[1] and Sarah Walker Tisdale).

After her husband James Cook died, Abigail Cook of Dighton was Guardian to her children Bethiah, Amos and James Cook, all under 14 and of Elijah and daughter Meriah Cook, minors over 14 yrs, children of James Cook of Dighton, dated 14 April 1758.

Abigail (Hodges) Cook had marriage intention as second wife to Daniel King Jr. on Nov. 25, 1759 in Taunton Mass., both of Dighton, (Ref: Taunton V.R.). Daniel was previously married to Mercy Hathaway, whose brother Ephraim[4] was grandfather of Samuel Phillips Jr., who married Sarah Baker, sister of Thomas Sarjent Baker.

Ref. for marriage of James Cook and Abigail Hodges was found in Private record of Rev. Thomas Clap in Old Colony Historical Society, Taunton. James was of Kingston, Abigail of Taunton at marriage. See Hodges Gen'y and Richmond Gen'y.

Bethia's sister, Lusanna Cooke, died 1820, buried Swanspoint, Providence, R.I. She married first in 1760 to Jonathan Whitmarsh, s/o Jonathan and Rebecca. She was widowed abt 1761. She married second in 1762 to Col. Silvester[5] Richmond 3rd, s/o William[4] (Silvester[3], Ed[2], John[1]) and Anna Gray Richmond.

Sarjent Baker interests the family of Matthew Baker of Stamford VT because Sarjent was a likely link from Stamford Vermont back to Bristol Co. Mass., in attempting to trace the ancestry of Matthew Baker of Stamford VT. Matt. of Stamford was too young to have left a paper trail before 1790. Circumstantial evidence points to Sarjent Baker possibly being an uncle, father or cousin to Matthew Baker of Stamford Vt. Supporting a family connection is the fact that Serjent's father was named Matthew, which was an unusual Baker name in early New England.

Sadly, this author has not found any deeds which link Matthew or Sargent Baker to each other.

On the 1791 VT census, Sarjent Baker resided next door to Matthew Baker in Stamford and had two females in his household, but no male children. One of the females was likely his wife Bethia, who was known to have been alive in 1804 in Scipio N.Y. In 1791, there were only forty eight families residing in Stamford, several of which intermarried with the Baker family. With Stamford being a small town, it is supportive of people with the same surnames as being related to each other. One Polly Baker married Luther Tupper 8 Sep 1796, both of Stamford; married by Andrew Seldin J.P. Was she a daughter of Sarjent Baker or a sister of Matthew Baker? I do not know of any other male Baker family in Stamford during the 1791-1800 time period.

Sarjent Baker was about eleven yrs old in 1757 when his father died. His Uncle Ezra[5] (Col. Sylvester[4,3]) Richmond of Dighton was appointed his Guardian. Ezra was married to Mary Baylies, his mother Sally's sister.

1757, 1 Nov; Ezra Richmond Esq'r. of Dighton, Abiel Terry Esq'r. of Freetown, Bristol Co. and Nicholas Baylies of Uxbridge in Co. of Worcester, an Iron Master, all of Massachusetts Bay in New England, were bound unto George Leonard Esq'r. for the sum of 2000 pounds to be paid to George Leonard in the office of Judge of Probate and Wills, for granting Letters of Administration in Bristol Co. Ezra Richmond was nominated Guardian of Thomas Seargeant (sic) Baker, a minor under the age of 14, son of Matthew Baker, deceased, late of Attleborough, Bristol Co.
This document was signed by Ezra Richmond, Abiel Terry, Nicholas Baylies. Philip Hathaway and George Leonard Jr. (or Eq'r?) were witnesses.

Generally speaking, the amount of a bond equalled the amount that it was expected the estate would have after being probated. Thus, it would seem that Matthew Baker left a sizable estate.

1770, Book 10, Fall River, Mass. Registry of Deeds, p.413-414 lists sale of four and a half acres of land from Abiel Simmons of Swanzey, Bristol Co. Mass. for 63 pounds, to Thomas Sargant Baker, Blacksmith, of the same town. This Land bordered east and west, that of the late Edward Simmons of Swanzey, deceased, which he gave to his grandson Seth Simmons, north by land of Philip Hathaway, south by the town landing. Dated March 9, 1770. Sale signed by Abiel and Lydia Simmons, witnessed by Elijah King, (brother-in-law), and William Winslow.
Recorded May 14, 1770. A true copy from bk 53, pp 57-58 of Bristol Co. District Land Records.

Note: this author thinks that Swanzey and Swansea were the same place.

1771, Sergeant (reck sp) Baker was listed in the Mass. Tax Valuation List for Swanzey, with two taxable adult males in household and owned property. Who was the other adult male? (Get this ref. for other names).

1779, Book 11, Fall River Register of Deeds, p.380-381, lists sale of four and a half acres of land and dwelling house for 427 pounds, land was of Showomet Purchase, in Swanzey, bounded by land of Seth Simmons, Philip Hathaway, from Thomas Serjant Baker, Blacksmith, of Swanzey, Bristol Co. Mass. Sold to Noble Wood. Thomas S. Baker's wife Bethia relinquishes her right of dower on 10 Feb. 1779. Signed by Thomas Sargent Baker and Bethiah Baker, her mark. Witnesses were Thomas Dennis and John Shardon. Recorded Feb. 13, 1779, a true copy from book 59, p.131, Bristol Co. No. District Land records.

This seems to be the same land from the 1770 deed and that Baker made a nice profit in 1779.

Sarjent Baker of Swanzey Mass. and Sarjent Baker of New Salem Mass. had the occupation of blacksmith. The Hodges Genealogy, p.103, listed Thomas Serjant Baker, who had marriage intention in 1768 in Dighton Mass. with Bethia Cook, (d/o James and Abigail (Hodges) Cook, was later of New Salem, Ma. New Salem is in western Mass.

1780/81, Spring, Sargent Baker enlisted in the regular Continental service at the town where he resided, New Salem, Mass. He stated that he may have enlisted as Serjent Baker. He served with the tenth Mass. Regiment under Capt. Baxton (Buckston), and Col. Benjamin Tupper, also Col. Sprout. (Ref: his Rev. War pension application).

(Note that some of the Tupper fasmily from Stamford VT also moved to Scipio N.Y.).

1781, March 15, Mass. Thomas Sargent Baker, enlistee, for three years, belonging to Hampshire Co. (Soldiers and Sailors of the Rev. War, Mass. Archives, 1896), He was 33 yrs, 5 ft 9 inches in stature, dark complexion, dark hair, occupation Blacksmith, resided New Salem Mass. Private in Col. Benjamin Tupper's Tenth Reg't. On wage account from January 1, 1781-Jan. 1, 1782, and Jan. 1, 1782-Jan. 1 1783, with 12 months service. By this account, he would have been born abt 1748.

1783/4, last of winter, Thomas Sargent Baker was discharged at West Point N.Y. Pension #S44680, certificate #13.177, 3 year service, pension was applied for in 1820 and granted. (Give date and $).

It would seem that Sergent would have been eligible for a Bounty Land Warrant based on his military service, but this author has not found it.

1791 census, Sergeant Baker resided in Stamford, Bennington Co. western Vt. Stamford is close to the Mass. line and the N.Y. line. He had two females, no male children in household. AIS 12810, Bennington Co. VT, p.22. 0100-0200 00.

1797, 24 Feb., Book 4, p.250, Stamford, VT. Serjeant Baker of Stamford VT purchased 100 acres of land in Stamford from Asa Turner of Goshen, Hampshire Co. Mass. for $210, paid and acknowledged by Turner. All of second division of Right 17, being No. 13 in second Division. PROVIDED that IF Asa Turner was to pay to Serjeant Baker in installments, notes, one for $38 due Sept. 1 next; one for $38 in N___ stock or grain, due 25 Dec. 1798; one for $45.40 stock or grain due 28 Dec. 1799, plus interest, then this deed to be said otherwise to remain in full force and virtue. Signed by Asa Turner. Witn. by Eleazar Harris and Jonathan Edes. Eleazar Harris, J.P. Recorded Stamford, the 25th Feb. 1797.

This is a confusing document in that Turner sells for dollars received from Baker, but also Turner supposed to pay out in installments to Baker. If it was a mortgage, was Turner related? Worth checking Turner family.

Missing years for Sarjent Baker are from 1783 when he was discharged from military service to 1791 census Stamford, VT; also from March 1797 to 1802 when he appears in Scipio, N.Y. I would assume he resided in Stamford for awhile after 1797 purchase or sale of land.

1799, Cayuga Co. was created from Onondaga Co. N.Y. Must ck Onon. Co. deeds for name Thos. or Sarj. from 1797-1802.

1800, No Sergeant Baker found in Vermont, Mass. or N.Y. census indexes. He could have been listed as Thomas, not identifiable or was not head of a household. I tend to think he was in Scipio by 1801 or prior. One usually lives in a town for a time before purchasing land. He may have moved to Cayuga Co. with the Tupper and Wilbur families.

1802, 19 March, Cayuga Co. N.Y. Deed, Vol. C, p.461-463, executed by Gilbert Livingston, Master of Chancery. Robert Abbott of Clinton, Dutchess Co. N.Y. sold 600 acres land, Lot 96, with appurtenances, in Township of Scipio, Cayuga Co. for $3000 U.S. money to SERJENT BAKER of Scipio, Cayuga Co. N.Y. Recorded May 8, 1802.

This land was in the Military Tract which had been laid out in 1782. Lot 96 was in south Scipio bordering Milton. This was called a farm lot consisting of 600 acres. Each town had 100 of these lots. Size and boundaries could not be changed. Sarjent should have received land for his military service, but this was land he purchased.

1803, Town of Scipio, Cayuga Co. N.Y., Book 1, p.419-420, Serjeant Baker and wife Bethiah sold twenty acres of land, part of Lot 96, for one hundred dollars to John Molls or Mills. Recorded 3 October, looks like 1800 but may be 1810, (F.H.C. Reel, 0851933). This transaction is listed in the Index incorrectly as Samuel Baker. The indexer did not read the entry correctly because the name Serjeant is very clear, (researched by Grace Mayer).

Sarjent and Bethiah Baker sold several parcels of land, part of Lot 96 in Cayuga Co, NY, Deeds, Vol. E, FHC Reel 0851931 as follows:

1803, 8 February; Vol. E, p.244-245, Searjeant and wife Bethiah Baker of Cayuga Co. N.Y. sold eighty five acres, part of Lot 96, Town of Scipio, to Robert Leech of Cayuga Co. for four hundred twenty five dollars. Signed by Sarjent Baker and his wife Bethiah who signed by mark. Witnesses William Clark, Ezekial Way. Seth Phelps was present when Bethiah signed and he swore he knew them. Recorded Aug. 20, 1803, (Cayuga Co Deeds, F.H.C. Reel F. 0851931).

(Was Leech related to the early John Leach who m 1719, Susanna White of Nicholas White line)?

1803, 18 February, Cayuga Co. N.Y. Deeds, volume N, p. 369/70, Serjeant and his wife Bethia Baker of Cayuga Co. sold twenty acres of land in Lot 96, in town of Scipio for one hundred dollars to Gardner Cangdon of the same Co. Witn. Joseph Derrow, Josiah Tupper.

1803, February 22, p.414-416, Serjant Baker and his wife Bethiah of Cayuga Co. N.Y. sold fifty acres three rods seventy four perches, land was part of Lot 96 in Town of Scipio for two hundred fifty dollars to Samuel Brownson of Cayuga Co., land bounded Robert Leach. Signed by Sarjent and his wife Bethiah Baker. Witnesses Josiah Tupper, Joseph Denad. On 3 January 1804, Sarjant and his wife Bethiah Baker appeared before Salmon Buell, Judge. Ebenezer Witter swore that he knew Baker. Recorded 23 January 1804 by William P. ?Bennett.

1803, Feb 22, Vol. E, pages 416-417, Serjeant Baker and his wife Bethiah of Cayuga Co. N.Y. sold one hundred thirty five acres of land. part of Lot 96 in Town of Scipio, for six hundred seventy five dollars to Josiah and Calvin Tupper of Cayuga Co., signed by Sarjent and Bethiah Baker. Witnesses Samuel Brownson, John Mills. On 4 January 1804, Sarjant and his wife Bethia Baker went before Judge Salmon Buell with Ebenezer Witter who swore he knew Sarjant and Bethiah. Recorded 23 Jany 1804.

1803, 6 Dec., Vol. E, pp.418-419, Sergent Baker and wife Bethiah sold seventy eight acres land in Town of Scipio Cayuga Co. N.Y. to William Willbur for three hundred ninety dollars and fifty cents. Witn. Josiah Tupper, Samuel Brownson. Signed by Sarjent and Bethiah Baker. 1804, January 3, Sarjant and wife Bethiah Baker appeared before Salmon Buell in Court of Common Pleas, Cayuga Co. to acknowledge and record the above deed. Recorded January 23, 1804 by William P. ?Bennett or Bassett.
Note that William Wilber was the second name listed below Serjeant Baker in 1810 census in Scipio.

(Note that William Wilbur married Roxey Tupper, sister of Josiah. He moved from Stamford VT to Genoa, Cayuga Co. N.Y. according to the Tupper Genealogy. Need to check out Wilbur Gen'y. A Wilbur family was connected to the Presbrey family that was connected to the Thomas Baker of Raynham Mass. family).

Why did Sarjent Baker sell 388 plus of his 600 acres while he continued to reside in the same town for at least six more years? He sold more than half of his land for $1400.50, almost half the amount of his original purchase price of $3000. That's a loss, not a gain. Did he sell to sons-in-law? Did he purchase land in Hector? If so, did widow Rachel sell land 1828 or later?

1810 census, Scipio, Cayuga Co. N.Y. p.91. Serjeant Baker over 45 yrs, had a male 16-26, born ca 1784-1894; a female under 10, born 1800-1809, a female 10-16 born 1794-1800. There is a fainter mark in the category for female over 45 which was prob. his wife, unless the faint mark was an erasure. He was prob. married to Rachel by 1810 and some of the young people may have been her Coats children. She was known to have had a son Joseph Coats Jr. born ca 1787 who would have been about 23 yrs in 1810. The female born 1800/1809 was prob. the female age 15 in Sept. 1820. Neighbors were ?Brace/Brice, William Wilber, Stephen, John and Jeremiah Webb, Enon Lyon, Paul Ewer, Jasper Drake. AIS 00101 11001. AIS version gives him a female his own age.

1810, check out the Coats fam. in Scipio or in Hector.

Scipio is 30 miles from Camillus, where Matthew Baker of Stamford, Vt settled about 1822, about 20 years after Sergent Baker left Stamford. Scipio is very close to the birthplace of Pres. Millard Fillmore, whose mother was a Millard. The President was third cousin to Lydia Millard who m. Matthew Baker.

Sarjent Baker stayed in Scipio until at least 1810, moved to Hector, Tompkins Co. by 1818. Look for Bethiah's death and burial Scipio ca 1804-18 and Sarjent's 2nd marr. same place, 1805-18. Try Meth. church records.

1817, Tompkins Co. was created from Cayuga Co. and Seneca County N.Y. Hector, which was then in Tompkins Co., is now in Schuyler Co., which was formed in 1854 from Tompkins, Steuben and Chemung Co. (Need Tompkins Co. deeds).

1819, 13 January, Thomas Sarjent Baker, known as Sarjent Baker, of the Town of Hector, Tompkins Co. N.Y., was 72 yrs old on the previous March 7. He applied for a Rev. War pension and stated that he enlisted in regular service on the Continental establishment in New Salem, Mass., in the Spring of 1780 or 1781, in the company commanded by Capt. Buxton of 10th Ma Reg't, commanded by Col. Tupper. He served in Col. Tupper and Col. Sprout's Reg't til Spring 1783 or 1784, for a total of about 3 yrs. He was discharged at West Point. The application stated he was in reduced circumstances and needed the assistance of his country. Sworn before Richard Smith, Judge. Joel Reynolds swears as to his character. (Hector is presently in Schuyler Co). (Rev. War Pension Applic.). Col. Benjamin Tupper was second cousin to Benjamin Tupper of Stamford, Vt and Cayuga Co. N.Y., (Ref: Tupper Geny).

1820, 27 Sept., Town of Hector, Tompkins Co. N.Y., p.7, Sargeant Baker, 74 yrs, swore to his Rev. War service; enlisted New Salem, Mass. 1781 in Co. commanded by Capt. Buckston in Col. Tupper's Reg't; served 2 yrs, 6 mo; transferred to Col. Sproutz Reg't; served 4 months; discharged at West Point N.Y.; rec'd certificate. #13.177 which entitled him to a pension of $8 month from June 10 1818. He had a 54 yr old wife, (b. ca 1766) who through age and infirmity, could do little. He stated that he had a healthy son 11 years of age, (for birth about 1809) and a daughter 15 years old (for birth about 1805) in ill health. All were dependent on him for support. He stated that was all the family that he had. He listed his occupation as a laborer, too aged to do much work. (Note that his wife's age as listed here was younger than he, by eighteen years).

He listed his possessions: one cow, four sheep, one sow, one pig, and a few household utensils. Sworn before Richard Smith, Tompkins Co. Judge.

Note that Bethia Cooke was baptized in 1746. She could not have been the mother of the dau. b. ca 1805 or the son b. ca 1809 who were listed in the above document. His second wife Rachel was born between 1761-66 and was presumably mother of these children by either of her husband's Joseph Coats or T.S. Baker. What were the names of these children? Did they marry?

1820 census Hector, Tompkins Co. N.Y. p.7. Serjeant Baker males 010001, females 00101. one male 10/16 b. ca 1805/1810, one male over 45, one female 16/26 b. ca 1795/1805, one female over 45. This agrees with his Pension Application. Next listing was Israel Coats, males 100010, he was 26/45 yrs, females 10010; then Daniel or David A. JONES 200010, born 26/45, females 20010. Henry Clymer and Nehemiah Hodges were listed above him. Also William Gordon. Hodges may have been related to his first wife Bethiah and Jones possibly related to his last wife Rachel. Note that Coats and Jones were younger than Baker. Was Israel Coats a son of Rachel and Joseph Coats?

Sergent Baker in Hector N.Y. has been proven to be the same man who resided and enlisted in New Salem, Mass. in Rev. War and who had a marriage bond in 1768 with Bethia Cook in Dighton, Mass., (Ref: Rev. Pension Applic., Hodges Gen'y). His age agrees with the man who was son of Matthew Baker of Attleborough, who was became a ward of his Uncle Ezra Richmond of Dighton Mass. Sargent stated that he was born in Mass. in 1746 on his Rev. War Pension applic. Also,

Benjamin Jones of Taunton Mass., brother-in-law of T. Sargent Baker, purchased land in Scipio in 1800 from Elijah Kinng or Kinney. (Was Elijah King, brother-in-law of T. Sarg. Baker)?
This, plus other facts listed in this narrative, is solid evidence that the man of Dighton, Mass. Swanzey Mass., New Salem Mass. and Hector N.Y. were one and the same person.

The best evidence I have to date that Sarjent Baker of Stamford, Vt was the same man of Mass., Scipio and Hector, is that the children of Benjamin Tupper and Eunice Raymond of Stamford Vt, some of whom married into a Baker family, appear in the sale of Sarjent's land at Scipio N.Y. Evidently, they moved to N.Y.S. about the same time. Polly Baker, wife of Luther Tupper, may have been the daughter of Samuel Baker.

Relatives of Sarjent's Guardian, Ezra Richmond, ie: Edward Richmond and children of his family as seen in deeds in Stamford VT and Camillus N.Y., plus the burial of one of the Richmond family next to Matthew Baker in Camillus is additional evidence supporting a connection of Sargent to Matthew Baker of Stamford VT and Camillus N.Y. Further, the fact that Matthew Baker, a man having the same name as the father of Serjent, resided next to Sergent in Stamford VT in 1791 when there were only 48 families living there. Baker Jones, nephew of Serjent Baker resided in Adams Mass. in 1797, just a few miles away from Stamford Vt.

It appears that Sergeant Baker had children as listed in the 1791 Stamford Bennington Co. VT census. In 1810 census, Scipio Cayuga Co. N.Y., his children may have been stepchildren. The children listed in the VT census were by first wife Bethiah Cook.

The probable children of Sergeant was compiled from the various census records of Swansea, Stamford, Scipio, Hector and his Rev. Pension Application. He must have had 4-5 ch. born between 1768 and 1779. Bethia would probably be beyond childbearing age by 1796, but was alive 1804. Although Sarjent listed two minor children in 1819, they could have belonged to his wife by a previous marriage.

Tentative listing of possible Baker children of Sergeant by 1st wife Bethia Cook who was alive 1804, perhaps more children which could have included Matthew Baker b. ca 1768, of Stamford VT in 1791:

1. daughter,
   (possibly Sally who married Nathan6 Walker, 16 Nov. 1788 at New Salem Mass. His father Nathan5 was b. 1744, Attleboro Records. (family rec. says 1736). Obadiah,

Nathan and Solomon Walker were sons of Nathan[5], and Catherine Johnson, Dan[4], Philip[3], Philip[2], Widow Walker, 1st Gen. of Taunton/Rehoboth, Ma).

2. dau. b. before 1791, prob. Ma or Vt. (1791 Stamford VT census).

Polly Baker married 8 Sep 1796 at Stamford VT to Luther Tupper, both of Stamford, (FHC reel 28920). Thomas Sargent Baker was the only Baker in Stamford in 1791 old enough to be her father. Tupper Gen'y says Luther Tupper who married Polly Baker, was born 11 Sep 1774, Stamford, VT, thus it is assumed that Polly was born ca 1774 or a bit later. Luther Tupper resided Lansing, Cayuga Co. N.Y. according to the Tupper Gen'y.

Samuel Baker, over 45 yrs with female over 45 yrs, lived next door to Luther Tupper in Scipio, Cayuga Co. N.Y. in 1800 census. The name was clearly written Samuel on the census. Was Samuel her father, or was it written in error for Sargent)? (Sgt. has not been identified in 1800 census).

Luther Tupper was s/o Benjamin and Eunice Raymond Tupper of Salisbury CT, Stamford VT and Genoa, Cayuga Co. NY. Benjamin moved to Cayuga Co. in 1806 because 3 of his family were already there. He located next to 3 of his sons at Indian Fields, later called Tupper's Corners in Town of Genoa. One of the Raymond females of Stamford VT married into the Matthew Baker family of Stamford.

Thomas Sargent Baker had deeds in 1803 in which Luther Tupper's brothers Calvin and Josiah were named.

Luther Tupper's sister Eunice, 20 yrs his junior, was born 1794 in VT. She married 1816 as 2nd wf to Allen Baker, born 1791 at Saratoga Springs N.Y. Allen was s/o John Baker Jr. who was born in Mass. and moved to Saratoga Co, died in Enfield, Tompkins Co. N.Y. 1830 and was grandson of John Baker Sr. of Mass). Allen Baker resided with his wife at Aurelius, Cayuga Co. N.Y. Was Allen's father John Baker Jr. related to Polly Baker Tupper?
Research to date indicates that John Baker may have been from a Pittsfield MA family.

Allen and Eunice Tupper Baker were on 1855 census in Aurelius at 64 and 61 yrs. He was born Saratoga Co., she born VT. They had lived in Aurelius 22 yrs, since about 1833. Ch. with them were John H. 24 yrs (b. ca 1831), Asa W. 21 yrs, Andrew J. 21 yrs, Augustus D. 14

yrs, all b. Cayuga Co.

3. son, b. 1784-1794. (see 1810 Cayuga Co. census).

Ch. Baker by 2nd wf Rachel Jones calc. because wife Bethia too old to have ch. this late. Or possibly were stepch. named Coats.

4. dau., ill health in 1820.
   b. 1800-1808, (under 10 in 1810 Cayuga Co. Census).
   maybe the same dau.?, b. ca 1805. (Pension Appl.).

5. son, b. ca 1809. (Pension Appl.).

Stamford VT Deeds. (Book 7 Deeds takes in years 1816-1823, thus Bk 11 was at a later yr. Much later than T.S. Baker was in Stamford).
Bk 11, p 17, Thos. Dodge, Grantor to Thos. Baker.
Bk 11, p 316, Calvin Baker was a Grantee.
Bk 12 and Bk 13, Stamford, Vt, lists several land deeds for Thomas Baker as Grantor, to William Sanford, John Le Roy, M.B. Collowell, John Doane. Thos. Baker et al Grantor to Austin Magee__ in Bk 14, p 315. Geo. P. Baker and A. C. Baker appear in deeds in Bk 14 and 15. Don't know time frame or if related. Do these!

1830 Town of Sedgewick, Cayuga Co. N.Y. Matthew Baker 01000 010000001021001. One male 5-under10 yrs, 1 male 40-50 b. (1780-1790), 1 female under 5, 2 fem 10-15, 1 female 15-20, 1 fem 40-50. Next door Stephen Baker, he and wf 20-30 yr (b. 1800-1810) and female child under 5 yrs. Other neighbors Nath'l Alward, Platt Smith, Smith Palmer, Abner Wakely, Clark Morrison, Calvin King. Since this name is unusual in all Baker families of that time period, I include it here. Was he s/o the Matthew Baker who d. War 1812 who was of Thos. Baker of Raynham line? Could he have been a s/o Sergent Baker?

Notes Bristol Co. MA:
Names in Swanzey MA deeds of Sarjent Baker:
Witness Elijah King was poss. son of Daniel King Jr., 2nd husband of Bethia Cook's mother Abigail (Hodges) (Cook) King. That Elijah m. 1763, Bethia's Cook's sister Maria, b. 1744 at Kingston, Ma. (Hodges Geny p 103 and Hathaway Geny p 45).

Witness William Winslow, poss. the one (b. ca 1745, d. 1827) of Swansea who married 1772 in Dighton, Hepsibah^5 (Joshua^4, Ephraim^3, John^2, Nicholas^1) Hathaway and perhaps her sister Phebe^5 in 1787.

Abiel Simmons of Swanzey who sold land to Thos. Sarg. Baker was poss. s/o Remembrance Simmons who d. 1730/31 (Rounds, Bristol Co. Probate). That Abiel married 1734, Lydia Pearce of Dighton. Married by Silvester Richmond Jr. J.P. (Corbin Mss).
Philip^5 Hathaway, was poss. the one born 1708, died 1790, s/o (Jacob^4, John^{3,2}, Nicholas^1), who married Martha Simmons, his 1st cousin, dau. of John and Hannah Hathaway Simmons. They had son Philip born 1740, and dau. Rebecca, 1738, married Abner Winslow 1732-1803. Philip's bro. John married Meribah Simmons, d/o Abraham and Ann Lee Simmons.

Thus, it appears that Simmons, Hathaway, Winslow were allied to each other. Sarah Baker, d/o Matthew and Sally Baylies Baker married 1772/6, Samuel Phillips Jr., (s/o Samuel and Phebe Hathaway Phillips) of Dighton, Ma. Also, their son Elkanah Phillips of Dighton, Ma, married Content Simmons. They moved to Pawlet, Vt.

In Freetown MA V.R., Stephen Baker of Taunton married Mary Hathaway 1756, and Stephen Jr. married Tryphenia Hathaway 1785.

Samuel Baker was a 1771 neighbor of Thomas Sargent Baker in Swanzey, but a man of that name was still there in 1810, p. 367. Could this Samuel also have been taxed in Dighton?

Other people listed in the 1771 Tax Valuation list for Swanzey MA near Thomas Sarjent Baker were Greenman, Blevins, Brown, Teage, Pierce, Marble, Perry, Simmons. Next to Samuel Baker's name were Commings, Bowers, Boorn, Chase, Losk, Cartwright, ditto. (Why did I write ditto? Reck) See Swanzey deed of Thos. Sargent Baker re: Simmons.

Sarah Baker res. Swanzey in 1810, p.368. Sally Baylies Baker had to be dead by then. Seems connected to Samuel, above, poss. in law?

New Salem MA notes:
A Samuel Baker enlisted in Rev. in Mass. under the same Col. Benjamin Tupper, 11th Reg't, same Col. under whom Thos. Sargent Baker served, Sarj. enlisted in New Salem, Ma.

1767, Levi Walker was in New Salem MA. A Levi Walker, born 1736 is listed #116 in the Walker Memorial by JBR Walker, on p.138. He was s/o Stephen[4] Walker and Rebecca[4] Millard of Pomfret, Ct and is of the line of Widow Walker1 of Taunton MA, through her son Philip[1] of Rehoboth North Purchase, which is now Attleborough, Ma. See p.126, (Philip[1],[2],[3]). They also had a son Stephen.

Rebecca[4] was d/o Solomon[3] (Robert[2], John[1]) and Elizabeth Staples Millard. She was Aunt of Squire[5] (Jos. Nathl, Robt, John) Millard Ist, whose dau. Lydia who married Matthew Baker of Stamford, Vt. Stephen Walker marr. 2nd Mehetable Harris and had 2 dau. by that marr. Levi Walker had wf Sarah and ch. 1767-1774 in New Salem, Ma.

The author of the Walker Memorial did not know where the ch. of Stephen Walker settled, but a handwritten notation on the page states they went to Adams, Ma in Berkshire Co. Note that Sergeant Baker of Stamford, Vt resided 11 miles from Adams, and that his next door neighbor Matthew Baker and wf Lydia Millard had ties to N. Adams, Ma.

ca 1780/81, Simeon Baker Jr. and a Simeon Baker 2nd were in New Salem, Ma. Simeon, s/o Simeon and Eliz. Ingalls, was prob. still in Taunton in 1810).

THOMAS SARJENT BAKER AND BETHIA COOKE AND RACHEL (JONES) Coats

Gen. 2 Matthew Baker of Attleborough line.

4. Thomas Sarjent Baker was born in MA, perhaps in Bristol Co., 7 March 1746, (Rev. War Pension Applic.). His middle name had various spelling in records. He was son of Matthew Baker and Sarah/Sally[2] Baylies (Thos[1]) of Attleboro. His grandmother's maiden name was Serjeant, (var. sp.).

one way Thomas name is Sergeant came family

He was under 14 yrs when his father Matthew died in 1757, (Guardian papers). Thomas Serjeant Baker last resided and was killed by lightning in Hector, Tompkins County, N.Y. on June 24, 1828, 83 yrs. (Hector is now in Schuyler Co. which was formed 1854). His obituary was printed in the Geneva Gazette, (N.Y.) on July 2, 1828. It stated his age, date of death and that he was a respectable citizen. Also that he was a member of Methodist Episcopal church (ie: Meth.), but does not mention his next of kin. (Try another newspaper).

I have not found his grave or that of his wife Bethiah. Possibilities would be in Scipio area with Bethiah or with Joseph Coats Sr. or in Tn Hector with last wf Rachel, wd of Joseph Coats Sr.

His name was listed as Sargent Baker on intestate Adm. paper of goods and chattel belonging to him. Rachel Baker, Administatrix, 9 Sept. 1828, Miles Finch, Surrogate. Personal property worth less than $200, sworn to by Gideon ?Laning. (LDS Reel 085083, Town of Hector, Tompkins Co. NY, Letter of Adm., Vol. 5, p 155, searched by Grace Mayer). Was Laning related? Doesn't say if Sarjent owned Real Estate. (any other info. at Hector)?

Thomas Sarjent Baker was known by his middle name most of his life. It was spelled variously Sargent, Sarjent, Sergeant, Sergent, Serjeant, Sergant, Seargeant. His name was signed Sarjent Baker in 1819, on Rev. War Pension Applic. where he states his birth was in Mass. and his age as 72 on 7 March last.

He resided at Dighton where his marriage intention was published 16 January 1768, (V.R.). He married Bethia[5] Cooke, who was baptized in 1746 at Kingston, Mass., (Hodges Gen'y, p. 103). She was d/o James[4] Cook and Abigail Hodges, (Caleb[3] and Rebecca Cooke, Jacob[2] and Damaris Hopkins Cooke, Francis[1] Cooke, Mayflower passenger, and wife Esther Mahieu). Bethia was alive January 1804 in Scipio, N.Y. when a judge interviewed her when selling land with her husband.

Sarjent married last to Rachel Jones, widow of Joseph Coats Sr. who died in 1805 while residing in Scipio. They were married sometime after 1805 and before 1819. His Pension Sergeant Baker Applic. of 1820 does not give the name of his wife, whom he indicated was born ca 1766. Rachel Baker was Adm. of his estate. She apparently did not apply for a Pension as a widow on his service. She would have been eligible for a Pension on her first husband's Rev. War Service and that should be checked out. According to Rachel's cemetery record, she was born 1761 and died as the widow of T. Sargent Baker on 14 May 1845, 84 yrs. Rachel was buried in Reynoldsville Cemetery, Town of Hector, N.Y. located on Perry City-Burdett Rd, one half mile west of Reynoldsville church, between the main rd and a dirt road, on a left bend toward the south. It is on a hill. A friend tried to go ionto this cem. for me a few yrs ago, but it was so overgrown that they did not attempt it. THOMAS SARJENT BAKER AND BETHIA COOKE AND RACHEL Jones

Gen. 2 Matthew Baker of Attleborough line.

4. Thomas Sarjent Baker was born in MA, perhaps in Bristol Co., 7 March 1746, (Rev. War Pension Applic.). His middle name had various spelling in records. He was son of Matthew Baker and Sarah/Sally[2] Baylies (Thos[1]) of Attleboro. His grandmother's maiden name was Serjeant, (var. sp.).

He was under 14 yrs when his father Matthew died in 1757, (Guardian papers). Thomas Serjeant Baker last resided and was killed by lightning in Hector, Tompkins County, N.Y. on June 24, 1828. (Hector is now in Schuyler Co. which was formed 1854). His obituary was printed in the Geneva Gazette, (N.Y.) on July 2, 1828. It stated that he was a respectable citizen and that he was a member of Methodist Episcopal church (ie: Meth.), but does not mention his next of kin. (Try another newspaper). age 83 yr

His name was listed as Sargent Baker on intestate Adm. paper of goods and chattel belonging to him. Rachel Baker, Administatrix, 9 Sept. 1828, Miles Finch, Surrogate. Personal property worth less than $200, sworn to by Gideon ?Laning. (LDS Reel 085083, Town of Hector, Tompkins Co. NY, Letter of Adm., Vol. 5, p 155, searched by Grace Mayer). Was Laning related? Doesn't say if Sarg. owned Real Estate. (any other info. at Hector)?

Thomas Sarjent Baker was known by his middle name most of his life. It was spelled variously Sargent, Sarjent, Sergeant, Sergent, Serjeant, Sergant, Seargeant. His name was signed Sarjent Baker in 1819, on Rev. War Pension Applic. where he states his birth was in Mass. and his age as 72 on 7 March last.

He resided at Dighton where his marriage intention was published 16 January 1768, (V.R.). He married Bethia[5] Cooke, who was baptized in 1746 at Kingston, Mass., (Hodges Gen'y, p. 103). She was d/o James[4] Cook and Abigail Hodges, (Caleb[3] and Rebecca Cooke, Jacob[2] and Damaris Hopkins Cooke, Francis[1] Cooke, Mayflower passenger, and wife Esther Mahieu). Bethia was alive January 1804 in Scipio, N.Y. when a judge interviewed her when selling land with her husband.

[illegible] Sarjent married last, Rachel Jones ~~....~~, ~~believed to have been~~ widow of Joseph Coats Sr. They were married sometime after 180~~4~~5 and before 18~~20~~19. His Pension Applic. of 1820 does not give the name of his wife, whom he indicated was born ca 1766. Rachel Baler was Rachel, Adm. of his estate. She apparently did not apply for a Pension as a widow. According to her cemetery record, Rachel was born 1761 and died as the

widow of T. Sargent Baker on 14 May 1845, 84 yrs. Rachel was buried in Reynoldsville Cemetery, Town of Hector, N.Y. located on Perry City-Burdett Rd, one half mile west of Reynoldsville church, between the main rd and a dirt rd, on a left bend towartd the south. Sarjent interests us because he was the link from Stamford, Vt back to Ma in tracing ancestry of Matthew Baker. Circumstantial evidence points to Sarjent being Uncle or Father to Matthew Baker of Stamford, Vt. In 1791 census, Sarjent Baker lived next door to Matthew Baker in Stamford and had 2 females in his household, no male children. Was the second female dau. or mother? At this time, there were only 48 families residing in Stamford, several of which intermarried with the Baker family. This female may have been Polly Baker who m. Luther Tupper 8 Sep 1796, both of Stamford. m. by Andrew Seldin J.P.

1757, Sarjent was abt. 11 yrs old when his father died. His Uncle Ezra5 (Col. Sylvester4,3) Richmond of Dighton was appointed his Guardian. Ezra was married to Mary Baylies, his mother's sister.

1757, 1 Nov, Ezra Richmond of Dighton Eqr., Abiel Terry of Freetown Eqr. Bristol Co. and Nicholas Baylies of Uxbridge in Co. of Worcester, Iron Master, all of Massachusetts Bay in New Eng. were bound unto George Leonard Eqr. in sum of 2000 pounds to be pd to George Leonard in the office of

Ezra Richmond was nominated guardian of Thomas Seargeant (sic) Baker, a minor under the age of 14, son of Matthew Baker, deceased, late of Attleborough, Bristol Co. Document was signed by Ezra Richmond, Abiel Terry, Nicholas Baylies. Philip Hathaway and George Leonard Jr (or Eqr?) were witnesses.

1770, Book 10, Fall River, Ma Registry of Deeds, p 413-14 lists sale of 4 1/2 acres of land from Abiel Simmons of Swanzey, Bristol Co. Land bordered East and West, that of the late Edward Simmons of Swanzey, deceased, which he gave to his grandson Seth Simmons, north by land of Philip Hathaway, south by town landing. Dated March 9, 1770. Sale signed by Abiel and Lydia Simmons, witnessed by Elijah King, (bro in law), and William Winslow.

Sarjent Baker of Swanzey and Sarjent Baker of New Salem had the occupation of blacksmith. The Hodges Geny, p. 103, states that Thos. Serjant Baker, who had m. int. 1768 in Dighton to Bethia Cook, (d/o James and Abigail Hodges Cook), was later of New Salem, Ma.

1780/81, Spring, Sargent Baker enlisted in the regular Continental service at the town where he resided, New Salem, Western Mass. He stated that he may have enlisted as Serjent Baker. He served with the 10th Ma Regiment under Capt. Baxton (Buckston), and Col. Benjamin Tupper, also Col. Sprout.

1781, March 15, Mass. Thomas Sargent Baker, enlistee, for three years, belonging to Hampshire Co. (Soldiers and Sailors of the Rev. War, Ma Archives, 1896), He was 33 yrs,

1783/4, last of winter, Thomas Sargent Baker was discharged at West Point NY. Pension # S44680, certificate # 13.177, 3 yr service, was applied for in 1820 and granted. (Give date and $).

1791 census, Sergeant Baker resided in Stamford, Bennington Co. western Vt. Stamford is close to the Ma line. He had 2 females, no male children in household.

1797, 24 Feb., Bk 4, p 250, Stamford, VT. Serjeant Baker of Stamford VT purchased 100 acres of land in Stamford from Asa Turner of Goshen, Hampshire Co., Ma for $210, paid and acknowledged by Turner. All of second division of Right 17, being No. 13 in 2nd Division. PROVIDED that IF Asa Turner was to pay to Serjeant Baker in installments, notes, one for $38 due Sept. 1 next; one for $38 in N__ stock or grain, due 25 Dec. 1798; one for $45.40 stock or grain due 28 Dec. 1799, plus interest, then this deed to be said otherwise to remain in full force and virtue. Signed by Asa Turner. Witn. by Eleazar Harris and Jonathan Edes. Eleazar Harris, J.P. Recorded Stamford, the 25th Feb. 1797.

Check if this was a purchase or a sale

This is a confusing document in that Turner sells for $ received from Baker, but also Turner supposed to pay out in installments to Baker. If it was a mortgage, was Turner related? Worth checking Turner family.

Missing years for Sarjent Baker are from 1783 when he was discharged from military service to 1791 census Stamford, VT; also March 1797 to 1802 when he appears in Scipio, NY. Would assume he resided Stamford for awhile after 1797 purchase or sale of land.

This land was in the Military Tract which had been laid out in 1782. Lot 96 was in south Scipio bordering Milton. This was called a farm lot consisting of 600 acres. Each town had 100 of these lots. Size and boundaries could not be changed. Sarjent should have received land for his military service, but this was not it.

1803, Town of Scipio, Cayuga Co. NY, Bk 1, p. 419-420, Serjeant Baker and wife Bethiah sell 20 acres of land, part of Lot 96, to John Molls (?Mills), for $100. Recorded 3 Oct. looks like 1800 but may be 1810, (FHC Reel, 0851933). This transaction is listed in the Index incorrectly as Samuel Baker. The indexer did not read the entry correctly as the name Serjeant is very clear.

Sarjent and Bethiah Baker sold several parcels of land, part of Lot 96 in Cayuga Co, NY, Deeds, Vol. E, FHC Reel 0851931 as follows:

1803, 8 Feb. Vol. E, p. 244-245, Searjeant and wife Bethiah Baker of Cayuga Co. NY sell 85 acres part of Lot 96, town of Scipio to Robt Leech of Cayuga Co. for $425. Why did Sarj. Baker sell 388 plus of his 600 acres while he continued to reside in the same town for at least 6 more years? He sold more than half his land for $1400.50, almost half the amount of his original purchase price of $3000. That's a loss, not a gain. Did he sell to sons-in-law? Did he purchase land in Hector? If so, did widow Rachel sell land 1828 or later?

1810, Serjeant Baker was listed on census in Scipio, Cayuga Co, p. 91. He had a male 16-26, for birth 1784-1894, a male over 45, a female under 10, for birth 1800-1809, a female 10-16 for birth 1794-1800, in household. There is a fainter mark in the category for female over 45 which was prob. his wife. Neighbors were Brae, Wilber, Webb, Lyan, Drake, Wm Smith and John Butler. Scipio is 30 miles from Camillus, where Matthew Baker of Stamford, Vt settled. (Note that Matt. Baker named a dau. Mary Butler Baker). Jewish

Tupper's Regt, served 2 yrs. 9 mo, transf. to Col. Sprouts Regt, served 4 mo, disch. at West Point, NY; recd certif. #13,177 which entitled him to pension of $8 m from June 10, 1818. He had a 54 yr old wf, who through age and infirmity, could do little. He stated that he had a healthy son 11 years of age. (For birth about 1809) and a daughter 15 years old (for birth about 1805) in ill health. All were dependent on him for support. He stated that was all the family that he had. He listed his occupation as a laborer, too aged to do much work. (Note that wife listed here was younger than he, by eighteen years) (p. 1)

He listed possessions: 1 cow, 4 sheep, 1 sow, 1 pig, and a few household utensils. Sworn before Rich. Smith, Tompkins Co. Judge.

Note that Bethia Cooke was baptized in 1748. She could not have been the mother of these two children. Rachel was born between 1761-65 and was presumably mother of these children or stepchildren.

1820 Sergeant Baker with 4 people in household: resided in Hector, Tompkins Co., NY in census, p 1. This agrees with his Pension Application. Neighbors were: Daniel or David A. Crane, [illegible] Jones, Henry Glynn, Nehemiah Hodges, Joseph Ellis, [illegible] Lemuel Parker. Hodges may have been related and [illegible] Cooke.

Sergeant Baker in Hector was the same man who resided and enlisted in New Salem, Ma in Rev. War and wh. had 1790 marriage bond with Bethia Cook in Dighton, Ma. (Rev. Pension Applic., Hodges Geny). His age agrees with the man who was son of Matthew Baker of Attleborough, who was a ward of his uncle Ezra Richmond of Dighton. Sargent stated that he was born in Ma on his Rev. War Pension applic. Also, Benjamin Hodges of Taunton, bro in law of " Sarg. Baker", bought land in Scipio in 1800 from Elijah Kinne or Kinney. (Was Elijah Kine, bro-in law of T. Sarg. Baker?)

This, plus other facts listed in this narrative, is solid evidence that the man of Dighton, Swanzey, New Salem and Hector were one and the same person. The best evidence I have to date that Sarjent Baker of Stamford, Vt was the same man of Ma, Scipio and Hector, is that the ch of Benj. Tupper/Eunice Raymond of Stamford Vt, some of whom married into a Baker family, appear in the sale of Sarjent's land at Scipio. Evidently, they moved to NYS abt the same time. Polly Baker, wf of Luther Tupper may have been dau. of Sam Baker.

Jon Baker 160, 161 Polly 309

Relatives of Sarjent's Guardian, Ezra Richmond, ie: Edward Richmond and children of his family as seen in deeds in Stamford and Camillus, plus the burial of this Richmond family next to Matthew Baker in Camillus is additional evidence of the connection of Sargent to Matthew Baker of Stamford. Further, the fact that Matthew Baker, a man having the same name as the father of Serjent, resided next to him in Stamford in 1791 adds to the evidence. Baker Jones, nephew of Serjent Baker resided in Adams, Ma in 1797, just 4 miles away from Stamford, Vt.

Biog Review! by Luther Baker Eunice Tupper 151, 441 ~~#~~ 480

It appears that Sergeant Baker had children as listed in 1791 Stamford Bennington Co. VT and 1810 census in Cayuga Co. NY. The VT ch. prob. by wf Bethia. A man of 72, with a much younger wife, would likely have been married previously and had children by that previous wife.

The probable children of Sergeant was compiled from the various census records of Swansea, Stamford, Scipio, Hector and his Rev. Pension Application. He must have had 4-5 ch. born bet. 1768 and 1779. Bethia would probably be beyond childbearing age by 1796, but was alive 1804. Although Sarjent called the younger two his ch. in 1819, they could possibly belong to his wf by a previous mar.

Children Baker, of Sergeant by 1st wife Bethia, alive 1804, perhaps more:

enough to be her father. Tupper Gen'y says Luther, who m. Polly Baker, was b. 11 Sep 1774, Stamford, VT, thus we assume Polly was b. ca 1774 or a bit later. Luther Tupper resided Lansing, N.Y. according to the Tupper Geny.

Samuel Baker, over 45 yrs with female over 45 yrs, lived next door to Luther Tupper in Scipio, Cayuga Co. NY, 1800 census. The name was clearly written Samuel. Was Samuel her father, or was it written in error for Sargent)?

Luther Tupper was s/o Benjamin and Eunice Raymond Tupper of Salisbury CT, Stamford VT and Genoa, Cayuga Co. NY. Benjamin moved to Cayuga CO 1806 because 3 of his family were already there. He located next to 3 of his sons at Indian Fields, later called Tupper's Corners in town of Genoa. One of the Raymond females of Stamford m into the Matthew Baker family of Stamford.

Thos. Sargent Baker had deeds in 1803 in which Luther Tupper's brothers Calvin and Josiah were named.

Luther's sister Eunice Tupper b. 1794 m 1816 as 2nd wf to Allen Baker and resided Aurelius, NY. Note that she was 20 yrs younger than bro Luther. Was this John Baker Jr. related to Polly Baker Tupper? Research to date indicates that John Baker may have been from a Pittsfield MA family.

Names in Swanzey MA deeds of Sarjent Baker:
Witness Elijah King was poss. son of Daniel King Jr., 2nd husband of Bethia Cook's mother Abigail (Hodges) (Cook) King. That Elijah m. 1763, Bethia's Cook's sister Maria, b. 1744 at Kingston, Ma. (Hodges Geny p 103 and Hathaway Geny p 45).

Witness Wm Winslow, poss. the one (b. ca 1745, d. 1827) of Swansea who m. 1772 in Dighton, Hepsibah[5] (Joshua[4], Ephraim[3], John[2], Nicholas[1]) Hathaway and perhaps her sister Phebe[5] in 1787.

Abiel Simmons of Swanzey who sold land to Thos. Sarg. Baker was poss. s/o Remembrance Simmons who d. 1730/31 (Rounds, Bristol Co. Probate). That Abiel m. 1734, Lydia Pearce of Dighton. Mar. by Silvester Richmond Jr. J.P. (Corbin Mss). They had son Philip b 1740, and dau. Rebecca, 1738, m Abner Winslow 1732-1803. Philip's bro. John m Meribah Simmons, d/o Abraham and Ann Lee Simmons.

Thus, it appears that Simmons, Hathaway, Winslow were allied to each other. Sarah Baker, d/o Matthew and Sally Baylies Baker mar. 1772/6, Samuel Phillips Jr., (s/o Samuel and Phebe Hathaway Phillips) of Dighton, Ma. Also, their son Elkanah Phillips of Dighton, Ma, married Content Simmons. They moved to Pawlet, Vt.

In Freetown VR, Stephen Baker of Taunton m. Mary Hathaway 1756, and Stephen Jr. m. Tryphenia Hathaway 1785.

Samuel Baker was a 1771 neighbor of Thomas Sargent Baker in Swanzey, but a man of that name was still there in 1810, p 367. Could this Samuel also have been taxed in Dighton?

Other people listed in the 1771 Tax Valuation list for Swanzey MA near Thomas Sarjent Baker were Greenman, Blevins, Brown, Teage, Pierce, Marble, Perry, Simmons. Next to Sam Baker's name were Commings, Bowers, Boorn, Chase, Losk, Cartwright, ditto. (Why did I write ditto? Reck) See Swanzey deed of Thos. Sargent Baker re: Simmons.

Sarah Baker res. Swanzey in 1810, p 368. Sally Baylies Baker dead by then. Seems connected to Samuel, above, poss. in law?

Ref. for marriage of James Cook and Abigail Hodges was found in Private record of Rev. Thomas Clap in Old Colony Historical Society, Taunton MA. James was of Kingston, and Abigail was of Taunton at marriage. See Hodges Gen'y and Richmond Gen'y.

Bethiah's sister, Lusanna Cooke, died 1820, buried Swanspoint, Providence, R.I. She married first in 1760 to Jonathan Whitmarsh, s/o Jonathan and Rebecca. She was widowed abt 1761. She married second in 1762 to Col. Silvester[5] Richmond 3rd, s/o William[4] (Silvester[3], Ed[2], John[1]) and Anna Gray Richmond.

None of the siblings of Bethiah Cook moved to N.Y.S. Some of them lived and died in what is now Friendship ME.

SECOND WIFE MRS> RACHEL (JONES) COATS

Sarjent Baker married last circa 1805/8, probably in Central NY, to widow Rachel (Jones) Coats. (The bio. of her husband Joseph Coats lists his death in 1805). Sarjent Baker's Pension Application of 1820 does not list the name of his wife, whom he indicated was born ca 1766. A Schuyler Co. N.Y. biography of the Joseph Coats family lists Joseph Coat's wife Rachel (Jones) Coats, born 1761 in N.J., who was later the wife of Sergeant Baker.

The published Reynoldsville Cemetery listing, in the Town of Hector, Schuyler Co. N.Y., listed Rachel Baker died as the widow of T. Sargent Baker on 14 May 1845 @ 84 yrs (for birth ca 1761). The cemetery is located on Perry City-Burdett Rd, one half mile west of Reynoldsville church, between the main road and a dirt road, on a left bend toward the south. It is on a hill. It seems to be on the road to Burdett. A friend tried to enter this cemetery for me several years ago, but it was so overgrown that they did not attempt it.

Of what Protestant denomination was this church?

Ref: "Some Cemeteries of the Between the Lakes Country" by Jessie Howell Finch, (1974), V2:405. It was edited by Carl W. Fischer and Jessie Howell Finch. Another listing on F.H.C. Reel #147982 Reynoldsville Cemetery, Schuyler Co. N.Y., lists her as widow of Peter Sarjent Baker, which is an error. Did Rachel have a son Peter?

See more on Rachel and her family later in this narrative.

RESEARCH INTEREST THOMAS SERJEANT BAKER VS MATTHEW BAKER

Sarjent Baker interests the family of Matthew Baker of Stamford VT because Sarjent was a likely link from Stamford Vermont back to Bristol Co. Mass., in attempting to trace the ancestry of Matthew Baker of Stamford VT. Matthew of Stamford was too young to have left a paper trail before 1790. Circumstantial evidence points to Sarjent Baker possibly being an uncle, father or cousin to Matthew Baker of Stamford Vt. Supporting a family connection is the fact that Serjent's father was named Matthew, which was an unusual Baker name in early New England.

Sadly, this author has not found any deeds which link Matthew Baker or Sargent Baker to each other. Matthew did not name any children Thomas, Serjeant or Bethiah, but Matthew did name a dau. Sarah/Sally, the name of T.S. Baker's grandmother. Matthew had the same first name as Serjeant's father. Could Serjeant have had an elder brother, who was not a minor in 1757?

In the 1791 VT census, Sarjent Baker was listed and resided next door to my proven ancestor Matthew Baker in Stamford, Bennington County. Sarjent had two females in his household, but no male children. One of the females was likely his wife Bethia Cook, who was known to have been alive in 1804 in Scipio, Cayuga Co. N.Y. In 1791, there were only forty eight families residing in Stamford, several of which intermarried with the Baker family. Stamford was a small town, which is supportive that people with the same surnames there, being related to each other. One Polly Baker married Luther Tupper 8 Sept. 1796, both of Stamford; married by Andrew Seldin J.P. Was she a daughter of Sarjent Baker or a sister of Matthew Baker? I do not know of any other male Baker family in Stamford during the 1791-1800 time period. Luther Tupper moved on to Scipio NY as did Sergeant Baker.

LIFE OF THOMAS SERGEANT BAKER

Sarjent Baker was about eleven yrs old in 1757 when his father Matthew Baker died. His Uncle Ezra[5] (Col. Sylvester[4,3]) Richmond of Dighton was appointed his Guardian. Ezra was married to Mary Baylies, his mother Sally's sister. I have not found when or where Sally (Baylies) Baker died, or if she survived her husband.

1757, 1 Nov; Ezra Richmond Esq'r. of Dighton, Abiel Terry Esq'r. of Freetown, Bristol Co. and Nicholas Baylies of Uxbridge in Co. of Worcester, an Iron Master, all of Massachusetts Bay in New England, were bound unto George Leonard Esq'r. for the sum of 2000 pounds to be paid to George Leonard in the office of Judge of Probate and Wills,

for granting Letters of Administration in Bristol Co. Ezra Richmond was nominated Guardian of Thomas Seargeant (sic) Baker, a minor under the age of 14, son of Matthew Baker, deceased, late of Attleborough, Bristol Co.
This document was signed by Ezra Richmond, Abiel Terry, Nicholas Baylies. Philip Hathaway and George Leonard Jr. (or Eq'r?) were witnesses.

Generally speaking, the amount of a bond equalled the amount that it was expected the estate would have after being probated. Thus, it would seem that Matthew Baker left a sizable estate.

1768, 16 January, marriage intention of Serjent Baker to Bethia Cooke, Dighton Vital records.

1770, Book 10, Fall River, Mass. Registry of Deeds, p.413-414 lists sale of four and a half acres of land from Abiel Simmons of Swanzey, Bristol Co. Mass. for 63 pounds, to Thomas Sargant Baker, Blacksmith, of the same town. This Land bordered east and west, that of the late Edward Simmons of Swanzey, deceased, which he gave to his grandson Seth Simmons, north by land of Philip Hathaway, south by the town landing. Dated March 9, 1770. Sale signed by Abiel and Lydia Simmons, witnessed by Elijah King, (brother-in-law), and William Winslow.
Recorded May 14, 1770. A true copy from 53:57-58 of Bristol Co. District Land Records.

Note: Swanzey and Swansea were the same place.

1771, Sergeant (reck sp) Baker was listed in the Massachusetts Tax Valuation List for Swanzey, with two taxable adult males in household and owned property. Who was the other adult male? (Must get this ref. for other names).

1779, Massachusetts Land Record Book 11, Fall River Register of Deeds, Bk 11, p.380-381, lists sale of four and a half acres of land and dwelling house for 427 pounds, land was of Showomet Purchase, in Swanzey, bounded by land of Seth Simmons, Philip Hathaway. Thomas Serjant Baker, Blacksmith, of Swanzey, Bristol Co. Mass. sold to Noble Wood. Thomas S. Baker's WIFE BETHIA relinquishes her right of dower on 10 Feb. 1779. Signed by Thomas Sargent Baker and Bethiah Baker, her mark. Witnesses were Thomas Dennis and John Shardon. Recorded Feb. 13, 1779, a true copy from book 59, p.131, Bristol Co. No. District Land records.

This seems to be the same land from the 1770 deed, indicating that Baker made a nice profit in 1779.

Sarjent Baker of Swanzey Mass. and Sarjent Baker of New Salem Mass. had the occupation of blacksmith. The Hodges Genealogy, p.103, listed Thomas Serjant Baker, who had marriage intention in 1768 in Dighton Mass. with Bethiah Cook, (d/o James and Abigail (Hodges) Cook, was later of New Salem, Ma. New Salem is in western Mass.

1780/81, Spring, Sargent Baker enlisted in the regular Continental service at the town where he resided, New Salem, Mass. He deposed in 1819, on his pension application, that he may have enlisted as Serjent Baker. He served with the Tenth Mass. Regiment under Capt. Baxton (Buckston), and Col. Benjamin Tupper, also Col. Sprout. (Ref: Sarjent's Rev. War pension application).

(Note that some of the Tupper fasmily of Stamford VT also moved to Scipio N.Y.ca 1800).

1781, March 15, Massachusetts. Thomas Sargent Baker, enlistee, for three years, belonging to Hampshire Co. (Soldiers and Sailors of the Rev. War, Mass. Archives, 1896), He was 33 yrs, 5 ft 9 inches in stature, dark complexion, dark hair, occupation Blacksmith, resided New Salem Mass. Private in Col. Benjamin Tupper's Tenth Reg't. On wage account from January 1, 1781-Jan. 1, 1782, and Jan. 1, 1782-Jan. 1 1783, with 12 months service.

(By this account, he would have been born about 1748. Note that James Annis also served in this same Reg't 1782/3, and was listed on 1791 census of Stamford VT, living next to Sergeant Baker. Annis was not related to Sergeant Baker or Bethiah Cook. How do I know that)?

1783/4, last of winter, Thomas Sargent Baker was discharged at West Point N.Y. Pension #S44680, certificate #13.177, 3 year service, pension was applied for in 1820 and granted. (ADD date and $).

It would seem that Sergent would have been eligible for a Bounty Land Warrant based on his military service, but this author has not found it.

Note that New Salem MA was in Hampshire Co. MA when Sergeant Baker enlisted. It is now in Franklin Co. MA which was formed in 1811. Note that author Jackie Humphrey probably searched Franklin Co. instead of Hampshire Co. MA for deeds for Sergeant Baker, an omission that should be researched.

1784 June 16, Elisha Cook of Meinecook, Lincoln Co. ME, Gent, James Cook of Medinecook, Mariner, Zenas Cook of Medinecook, Gent, Elijah King and wf Mariah of Dighton, Yeoman, and Thomas Sarjent Baker of New Salem, Blacksmith, and wife Bethiah, quitclaimed to Sylvester Richmond 2nd of Dighton, Esq., for 70 pounds, their rights in land held by the widow Abigail King as her thirds from the estate of James Cook, deceased. (Mayfl. Families, Vol. 12, p. 157, publ. 1999, which cites Bristol Co. Land Records 69:260. Bethiah (Cook) Baker is not followed further in Mayflower Families because no children have been proven for her.

This was after the War, which indicates that Serjeant kept his residence in New Salem throughout the war. Is there a sale of property there after 1784, whereby we could look to see if Matthew Baker might have been old enough to have been a witness?

1791 census, Sergeant Baker resided in Stamford, Bennington Co. in western Vt. Stamford is close to the Mass. line and the N.Y. line. He had two females, no male children in household. AIS 12810, Bennington Co. VT, p.22. One of the females was likely his wife. 0100-0200 00.

1797, 24 Feb., Book 4, p.250, Stamford, Bennington Co. Vermont. Serjeant Baker of Stamford VT purchased 100 acres of land in Stamford from Asa Turner of Goshen, Hampshire Co. Mass. for $210, paid and acknowledged by Turner. All of second division of Right 17, being No. 13 in second Division, PROVIDED that IF Asa Turner was to pay to Serjeant Baker in installments, notes, one for $38 due Sept. 1 next; one for $38 in N__ stock or grain, due 25 Dec. 1798; one for $45.40 stock or grain due 28 Dec. 1799, plus interest, then this deed to be said otherwise to remain in full force and virtue. Signed by Asa Turner. Witn. by Eleazar Harris and Jonathan Edes. Eleazar Harris, J.P. Recorded at Stamford the 25th Feb. 1797.

This is a confusing document in that Turner sells for dollars received from Baker, but also Turner supposed to pay out in installments to Baker. If it was a mortgage, was Turner related? Worth checking Turner family.

1797, Oct. 3, Sargent Baker signed a petition on behalf of an unnamed town in Vermont, for a land tax to make roads and bridges. He was nominated as member of committee to lay out.

Missing years for Sarjent Baker are from 1784 when he still resided in New Salem MA to 1791 census in Stamford, VT; also from October 1797 to 1802 when he appears in a deed in Scipio, Cayuga Co. N.Y. I would assume he resided in Stamford for awhile after Oct. 1797 and may have moved directly to Scipio from Stamford.

1799, Cayuga Co. was created from Onondaga Co. N.Y. Must ck Onon. Co. deeds for name Thos. or Sarjent from 1797-1799.

1800, No Sergeant Baker found in Vermont, Mass. or N.Y. census indexes. He could have been listed as Thomas, not being identifiable, or was not head of a household. I tend to think he was in Scipio by 1801 or prior. One usually lives in a town for a time before purchasing land. He may have moved to Cayuga Co. with the Tupper and Wilbur families. He may have been listed incorrectly as Samuel Baker, living next to Luther Tupper in Scipio N.Y. Deeds for Luther Tupper should be searched to see if Samuel or Sergeant Baker was a witness.

1800 Benjamin Jones of Taunton Mass., brother-in-law of Sergeant Baker, purchased land in Scipio N.Y. from Elijah Kinng or Kinney. Was Sergeant Baker living with Benjamin?

1802, 19 March, Cayuga Co. N.Y. Deed, Vol. C, p.461-463, executed by Gilbert Livingston, Master of Chancery. Robert Abbott, of Clinton, Dutchess Co. N.Y., sold 600 acres land, Lot 96, with appurtenances, in Township of Scipio, Cayuga Co. for $3000 U.S. money to SERJENT BAKER of Scipio, Cayuga Co. N.Y. Recorded May 8, 1802.

This land was in the Military Tract which had been laid out in 1782. Lot 96 was in south Scipio bordering Milton. This was called a farm lot consisting of 600 acres. Each town had 100 of these lots. Size and boundaries could not be changed. Sarjent should have received land for his military service, but this was land he purchased.

1803, Town of Scipio, Cayuga Co. N.Y., Book 1, p.419-420, Serjeant Baker and WIFE BETHIAH sold twenty acres of land, part of Lot 96, for one hundred dollars to John Molls or Mills. Recorded 3 October, looks like 1800 but may be 1810, (F.H.C. Reel, 0851933). This transaction is listed in the Index incorrectly as Samuel Baker. The indexer did not read the entry correctly because the name Serjeant is very clear, (researched by Grace Mayer).

Sarjent and Bethiah Baker sold several parcels of land, part of Lot 96 in Cayuga Co, NY, Deeds, Vol. E, FHC Reel 0851931 as follows:

1803, 8 February; Vol. E, p.244-245, Searjeant and WIFE BETHIAH Baker of Cayuga Co. N.Y. sold eighty five acres, part of Lot 96, Town of Scipio, to Robert Leech of Cayuga Co. for four hundred twenty five dollars. Signed by Sarjent Baker and his wife Bethiah who signed by mark. Witnesses William Clark, Ezekial Way. Seth Phelps was present when Bethiah signed and he swore he knew them. Recorded Aug. 20, 1803, (Cayuga Co Deeds, F.H.C. Reel F. 0851931).

(Was Leech related to the early John Leach who m 1719, Susanna White of Nicholas White line)?

1803, 18 February, Cayuga Co. N.Y. Deeds, volume N, p. 369/70, Serjeant and his WIFE BETHIAH Baker of Cayuga Co. sold twenty acres of land in Lot 96, in town of Scipio for one hundred dollars to Gardner Cangdon of the same Co. Witn. Joseph Derrow, Josiah Tupper.

1803, February 22, p.414-416, Serjant Baker and his WIFE BETHIAH of Cayuga Co. N.Y. sold fifty acres three rods seventy four perches, land was part of Lot 96 in Town of Scipio for two hundred fifty dollars to Samuel Brownson of Cayuga Co., land bounded Robert Leach. Signed by Sarjent and his wife Bethiah Baker. Witnesses Josiah Tupper, Joseph Denad. On 3 January 1804, Sarjant and his wife Bethiah Baker appeared before Salmon Buell, Judge. Ebenezer Witter swore that he knew Baker. Recorded 23 January 1804 by William P. ?Bennett.

1803, Feb 22, Vol. E, pages 416-417, Serjeant Baker and his WIFE BETHIAH of Cayuga Co. N.Y. sold one hundred thirty five acres of land. part of Lot 96 in Town of Scipio, for six hundred seventy five dollars to Josiah and Calvin Tupper of Cayuga Co., signed by Sarjent and Bethiah Baker. Witnesses Samuel Brownson, John Mills. On 4 January 1804, Sarjant and his wife Bethia Baker went before Judge Salmon Buell with Ebenezer Witter who swore he knew Sarjant and Bethiah. Recorded 23 Jan'y 1804.

1803, 6 Dec., Vol. E, pp.418-419, Sergent Baker and WIFE BETHIAH sold seventy eight acres land in Town of Scipio Cayuga Co. N.Y. to William Willbur for three hundred ninety dollars and fifty cents. Witn. Josiah Tupper, Samuel Brownson. Signed by Sarjent and Bethiah Baker.

1804, January 3, Sarjant and wife Bethiah Baker appeared before Salmon Buell in Court of Common Pleas, Scipio, Cayuga Co. to acknowledge and record the above deed. Recorded January 23, 1804 by William P. ?Bennett or Bassett.
Note that William Wilber was the second name listed below Serjeant Baker in 1810 census in Scipio.

(Note that William Wilbur married Roxey Tupper, sister of Josiah. He moved from Stamford VT to Genoa, Cayuga Co. N.Y. according to the Tupper Genealogy. Need to check out Wilbur Gen'y. A Wilbur family was connected to the Presbrey family that was connected to the Thomas Baker of Raynham Mass. family).

Why did Sarjent Baker sell 388 plus of his 600 acres while he continued to reside in the same town for at least six more years? He sold more than half of his land for $1400.50, almost half the amount of his original purchase price of $3000. That's a loss, not a gain. A blacksmith would not have needed as much land as a farmer. Did he purchase land in Hector? If so, did widow Rachel sell land 1828 or later after Serg. died?

Sergent Baker in Hector N.Y. has been proven to be the same man who resided and enlisted in New Salem, Mass. in Rev. War and who had a marriage bond in 1768 with Bethia Cook in Dighton, Mass., (Ref: Rev. Pension Applic., Hodges Gen'y). His age agrees with the man who was son of Matthew Baker of Attleborough, who became a ward of his Uncle Ezra Richmond of Dighton Mass. Sargent stated that he was born in Mass. in 1746 on his Rev. War Pension application. Also, Benjamin Jones of Taunton Mass., brother-in-law of Thomas Sargent Baker, purchased land in Scipio in 1800 from Elijah Kinng or Kinney. (Was Elijah King, brother-in-law of Thomas Sarg. Baker)?
This, plus other facts listed in this narrative, is solid evidence that the man of Dighton, Mass. Swanzey Mass., New Salem Mass., Scipio N.Y. and Hector N.Y. were one and the same person.

Clues that Sarjent Baker of Stamford Vermont was the same man of Mass., Scipio and Hector N.Y., is that the children of Benjamin Tupper and Eunice Raymond of Stamford Vt, some of whom married into a Baker family, appear in the sale of Sarjent's land at Scipio N.Y. Evidently, they moved to N.Y.S. about the same time. Polly Baker, wife of Luther Tupper, may have been the daughter of Samuel Baker, unless neighbor Samuel Baker was Sergeant Baker and incrorrectly listed.

Relatives of Sarjent Baker's Guardian Ezra Richmond, ie: Edward Richmond and children of his family are seen in deeds in Stamford VT and Camillus N.Y. Edward Richmond's son Loring was buried next to Matthew Baker in Camillus.
Matthew Baker of Stamford VT and Camillus, N.Y., had the the same first name as the father of Serjent Baker, who resided next to Matthew in Stamford VT in 1791, when there were only 48 families living there. Baker Jones, nephew of Serjent Baker resided in Adams Mass. in 1797, just a few miles away from Stamford VT.

It appears that Sergeant Baker had a daughter listed in his hh in the 1791 Stamford Bennington Co. VT census, by wife Bethia Cook.

SERJEANT BAKER AND SECOND WIFE RACHEL (JONES) WIDOW OF JOSEPH COATS SR.

Rachel Baker was Administrator of Thomas S. Baker's intestate estate in 1828. The papers I received from National Archives were silent as to whether Rachel ever received any pension on his service. She would have been eligible for a Pension on first husband Joseph Coats Rev. War Service and that should be researched.

In Schuyler Co., the Town of Scipio, Cayuga Co. N.Y. Rootsweb obits. page, January 2000, Keith Milo Thompson listed an obituary entitled Benjamin (Jane) Lambert.

He wrote that Joseph Coats Sr. came to this country during the Rev. War and later settled in Scipio where he died. His widow married Mr. Baker and moved with HER young family to Hector N.Y.

Mr. Thompson wrote that Joseph Coats had a son Joseph Jr. (born ca 1788), married Jane Bellis and had 11 children.

> Sampubco website lists Joseph Coats (Jr.)'s will Bk2:p.51. Online Schuyler Co. website lists Joseph Coats (Jr.) Will of 14 June 1860, age 72, (for birth ca 1788), probated 21 March 1864 at Hector, Schuyler Co. N.Y. His children listed in will were: Mary Ann Brown, wife of Epriam (sic); Peter A.; Jane B., wife of Benjamin Lambert, Joseph B.; Caroline, wife of Scipio (C.) Beardsley; Joanna M., wife of James Hazlitt. Executors were Peter Coats, Benjamin Lambert. Witnesses were Charles G. Tuthill, Chester M. Hager, both of Burdett, Schuyler Co. N.Y. (6 ch named).
>
> Scipio C. Beardsley was son of Lewis Beardsley 2nd and his wife Harriet, both born Conn. See 1855 census of the Town of Catherine, Schuyer Co. N.Y., when Scipio and his wife resided there with his parents. Scipio's wife Caroline was 28 yrs old for birth ca 1827.

> Obituary on Cayuga Co. N.Y. Rootsweb website for Josph B. Coats, (husband of Catherine E. Durbon), son of Joseph Coats Jr. and grandson of Joseph Coats Sr. The obituary listed Joseph Coats Sr. as serving as an enlisted man during the Revolutionary War in Albany Co. N.Y. Militia in the Fourth Regiment and in the Continental Line in Sixth Reg't under Land Bounty Rights. Joseph Coats Sr. settled in Scipio, Cayuga Co. N.Y. and married Rachel Jones, born in N.J. in 1761. The obituary Lists Joseph Coats Sr.'s death in 1805 of a fever; also that his widow married Thomas Sarjent Baker and died in 1845.

The son Joseph Coats Jr. was born 30 March 1787 and moved to Schuyler Co. about 1815, settling in Hector and dying in Catharine, Schuyler Co. N.Y. He married Jane Bellows.

One Thomas Jones born 1733 in N.J. died 16 April 1831, res. Town of Mentz, Cayuga Co. N.Y. His wife was Jane. They were buried in McArthur Cemetery, Town of Montezuma, Cayuga Co. N.Y.

New Jersey Marriage Records 1665-1800 lists HENRY Coats married Rachel Jones 14 Jan. 1783. Is this the correct Rachel, or another family? Could Joseph Coats also have been known as Henry?

1810 census, Scipio, Cayuga Co. N.Y. p.91. Serjeant Baker over 45 yrs, had a male 16-26, (born ca 1784-1894); a female under 10, (born 1800-1809), a female 10-16 (born 1794-1800). There is a fainter mark in the category for female over 45 which was prob. his wife, unless the faint mark was an erasure. He was probably married to Rachel by 1810 and some of the young people may have been her Coats children. She was known to have had a son Joseph Coats Jr. born ca 1787 who would have been about 23 yrs in 1810. The female born 1800/1809 was prob. the female age 15 in Sept. 1820, when Serg. listed her as his daughter.
Neighbors were ?Brace/Brice, William Wilber, Stephen, John and Jeremiah Webb, Enon Lyon, Paul Ewer, Jasper Drake. AIS 00101 11001. AIS version gives him a female his own age.

1810, check out the Coats fam. in Scipio or in Hector.

Scipio is 30 miles from Camillus, where Matthew Baker of Stamford, Vt settled about 1822, about 20 years after Sergent Baker left Stamford. Scipio is very close to the birthplace of Pres. Millard Fillmore, whose mother was a Millard. The President was third cousin to Lydia Millard who married Matthew Baker.

Sarjent Baker stayed in Scipio until at least 1810, moved to Hector, Tompkins Co. by 1818. Try Methodist church records. Ck out Reynoldsville Church where wf Rachel was buried.

1817, Tompkins Co. was created from Cayuga Co. and Seneca County N.Y. Hector, which was then in Tompkins Co., is now in Schuyler Co., which was formed in 1854 from Tompkins, Steuben and Chemung Co. (Need Tompkins Co. deeds).

1819, 13 January, Thomas Sarjent Baker, known as Sarjent Baker, of the Town of Hector, Tompkins Co. N.Y., was 72 yrs old on the previous March 7. He applied for a Rev. War pension and stated that he enlisted in regular service on the Continental establishment in New Salem, Mass., in the Spring of 1780 or 1781, in the company commanded by Capt. Buxton of 10th Ma Reg't, commanded by Col. Tupper. He served in Col. Tupper and Col. Sprout's Reg't til Spring 1783 or 1784, for a total of about 3 yrs. He was discharged at West Point. The application stated he was in reduced circumstances and needed the assistance of his country. Sworn before Richard Smith, Judge. Joel Reynolds swears as to his character. (Hector is presently in Schuyler Co). (Rev. War Pension Applic.). Col. Benjamin Tupper was second cousin to Benjamin Tupper of Stamford, Vt and Cayuga Co. N.Y., (Ref: Tupper Geny).

1820, 27 Sept., Town of Hector, Tompkins Co. N.Y., p.7, Sargeant Baker, 74 yrs, swore to his Rev. War service; enlisted New Salem, Mass. 1781 in Co. commanded by Capt. Buckston in Col. Tupper's Reg't; served 2 yrs, 6 mo; transferred to Col. Sproutz Reg't; served 4 months; discharged at West Point N.Y.; rec'd certificate. #13.177 which entitled him to a pension of $8 month from June 10 1818. He had a 54 yr old wife, (b. ca 1766) who through age and infirmity, could do little. He stated that he had a healthy son 11 years of age, (for birth about 1809) and a daughter 15 years old (for birth about 1805) in ill health. All were dependent on him for support. He stated that was all the family that he had. He listed his occupation as a laborer, too aged to do much work.
He listed his possessions: one cow, four sheep, one sow, one pig, and a few household utensils. Sworn before Richard Smith, Tompkins Co. Judge.

(Note that his wife's age as listed here was younger than he, by eighteen years).

Note that first wife Bethia Cooke was baptized in 1746. She could not have been the mother of the dau. b. ca 1805 or the son b. ca 1809 who were listed in the above document. His second wife Rachel Jones was born 1761-66 and was presumably mother of these children by either of her husband's Joseph Coats or T.S. Baker. What were the names of these children?

1820 census Hector, Tompkins Co. N.Y. p.7. Serjeant Baker males 010001, females 00101. one male 10/16 b. ca 1805/1810, one male over 45, one female 16/26 b. ca 1795/1805, one female over 45. This agrees with his Pension Application.

Next listing was Israel Coats, males 100010, he was 26/45 yrs, females 10010; then Daniel or David A. JONES males 200010, born 26/45, females 20010. Henry Clymer and Nehemiah Hodges were listed above him. Also William Gordon.
Was Israel Coats a son of Rachel and Joseph Coats?
Was Hodges related to Serjent's first wife Bethiah? Was

Jones related to his last wife Rachel? Note that Coats and Jones were younger than Baker.

1820 census Hector N.Y. other Bakers were: James, John, Nehemiah, Judah and Obadiah Baker.

IS THIS 1820?
3 pages later, 30-39 yrs b. 1791-1800 and family, see below. This fits Joseph Coats Jr., s/o Rachel (Jones) (Coats) Baker.

1828 Thomas Serjeant Baker died.

In 1830 census Hector, Tompkins Co. N.Y., p. 148, also says p.403. Joseph Coates 40-49 yrs old, (b. 1781-1790), a female 40-49 yrs, one male 5-9 yrs, 2 males 10-14 yrs, 2 females under 5 yrs, one female 5-9 yrs, 2 females 15-19 yrs. NO female of age to be his mother Rachel. in hh.

1830 census Hector, Tompkins Co. N.Y. Census taker Evans, p. 124; also says p 406.
One Joseph Baker appeared 30-39 yrs of age, b. ca 1791-1800, with a a female 20-29 yrs old, one male under 5 yrs, 3 females under 5 yrs, 1 female 5-9 yrs, one female 15-19 yrs. Note that Joseph Baker was listed fairly close to Joseph Coates 40-49 yrs old on p. 403.

1830 Hector, Tompkins Co. N.Y. p. 184, also p. 421.
Samuel Baker Jr. 20-29 yrs, with female 20-29 yrs. perhaps newly married, no children in hh. Smith Rud was a neighbor.

It is unknown if Joseph or Samuel were related to Sarjent Baker, but this census was only two yrs after Sarjent died in Hector.

These were the only Bakers in Hector in 1830 census that I found.

In 1830 in Schuyler Co.N.Y., no Baker or Coats.

1830 census Cayuga Co. NY, there were NO Coats and only one Coates, namely Henry, who resided in Scipio. He was 40-50 and the eldest female was the same age. He also had 6 youngsters in hh. No widow Rachel in this hh.

1840 census Hector, Tompkins Co. N.Y.
Joseph Coates, 50-60 yrs, (b. ca 1780-1790), one male 20-30, one male 15-20, one female 70-80 (b. ca 1760-1770), POSSIBLY HIS MOTHER RACHEL, one female 40-50, possibly his wf, 2 females 20-30, 2 females 10-15.

1840 census, Mentz, Cayuga Co. NY, p. 205.
One Rachael Baker, 60-70 yrs, b. 1770/1780, with a female 30-39, two females 10-14, one female 5-9, no males in hh, which doesn't fit the family we seek.
Mentz is north of Throopsville and Aurelius.

1850 Hector, Tompkins Co. Joseph Coats 65 yrs, (b. 1785) N.J., wf Jane 60, ditto for birthplace, Albert P. 31 yrs, (b. ca 1819), Caroline M. 22, Joanna M. 20, Joseph Smith 17, Edward Mills 8, Jane Coats 6 yrs, all b. NY.

1860 Hector, Schuyler Co. Joseph Coats 72 yrs b. N.J. (ca 1788). No wf. He resided with Peter A. Coats 42 yrs, Maria 24 yrs, and ch. Lyman 2 yrs and Fred 5 months. Horace Brown 18 yrs. (Peter A. must have been same as Albert P. of 1850 census.

DELETE THIS? - SPECULATIVE.
Tentative possible children:
Ch. BAKER by 1st wife Bethia Cook (alive 1804).

daughter,

(possibly Sally Baker b. by 1771, who married Nathan6 Walker, 16 Nov. 1788 at New Salem Mass. Walker's father Nathan5 was b. 1744, (Ref: Attleboro MA Records, but Walker family records claim Nathan was b. 1736). Obadiah, Nathan and Solomon Walker were sons of Nathan^5 and wife Catherine Johnson, (Dan^4, Philip^3, Philip^2, Widow Walker1, immigrant who resided Taunton/Rehoboth, Ma).

dau., b. before 1791, prob. Ma or Vt. (Ref: 1791 Stamford VT census).

One Polly Baker, born ca 1774/1779, married 8 Sept. 1796 at Stamford VT to Luther Tupper, both of Stamford, (FHC reel 28920). Thomas Sargent Baker was the only Baker in Stamford in 1791 old enough to be her father. Women usually married where their parents resided. Tupper Gen'y lists Luther Tupper (who married Polly Baker), as born 11 Sept. 1774 at Stamford, VT; thus it is assumed that Polly was born ca 1774 or a bit later. Luther Tupper resided Lansing, Cayuga Co. N.Y. according to the Tupper Gen'y.

son or step-son, b. 1784-1794. (see 1810 Cayuga Co. census). Not in hh in 1820 Pension paper. This fits known step-son Joseph Coats Jr. b. 1788.

This may have been Joseph Baker, 30-39 yrs, b. ca 1791-1800, who appeared in Hector NY in 1830 census with a famale 20-29, b. ca 1801-1810, of age to be his wife, and severasl children in hh. The eldest child was a female 15-19 yrs who could have been his own or a sister, then a female 5-10 yrs. Since there were 5 young ch. in hh, (excluding the female 15-19 yrs, b. ca 1811-1815), one can assume that Joseph married by 1822 and had 5 ch. who were born before 1830, assuming a child born every 2 yrs.

This Joseph Baker should be followed to ascertain if he was s/o Sarjent baker.

Ch. BAKER by 2nd wf Rachel Jones. (wife Bethia too old to have ch. born this late. These could possibly have been Coats stepch.).

dau., b. ca 1805, 15 yrs old in ill health in Sept. 1820. (under 10 in 1810 Cayuga Co. Census).

son, b. ca 1809. (1820 Pension Appl.).

Author J. Humphrey searched Stamford Town Records and deeds for Stamford VT on FHC microfilm. The only Baker families listed there ca 1791-1826 were of Sarjent Baker who left the area before 1800 census and Matthew Baker b. ca 1768, who could not have had a dau. of age to marry in 1796. Mtthew moved from Stamford VT to Onondaga Co. ca 1821/1822.

NOTES:

1800 census, Scipio, Cayuga Co. N.Y. Samuel Baker, over 45 yrs with female over 45 yrs, lived next door to Luther Tupper. The name was clearly written as Samuel on the census. Was Samuel the father of Polly, above, or was Samuel written in error for Sargent)? (Sargent has not been identified in 1800 census).

Luther Tupper was s/o Benjamin and Eunice Raymond Tupper of Salisbury CT, Stamford VT and Genoa, Cayuga Co. NY. Benjamin moved to Cayuga Co. in 1806 because three of his family were already there. He located next to three of his sons at Indian Fields, later called Tupper's Corners in Town of Genoa. One of the Raymond females of Stamford VT married into the Matthew Baker family of Stamford.

Thomas Sargent Baker had deeds in 1803 in which Luther Tupper's brothers Calvin and Josiah were named.

Luther Tupper's sister Eunice, 20 yrs his junior, was born 1794 in VT. She married 1816 as 2nd wife to Allen Baker, born 1791 at Saratoga Springs N.Y. Allen was s/o John Baker Jr. who was born in Mass. and moved to Saratoga Co. N.Y., died 1830 in Enfield, Tompkins Co. N.Y. Allen was grandson of John Baker Sr. of Mass. Allen Baker resided with his wife at Aurelius, Cayuga Co. N.Y. Was Allen's father John Baker Jr. related to Polly (Baker) Tupper?

Research to date indicates that John Baker, abovenamed, may have been from a Pittsfield MA family.

One John and Elisha Baker were in 1782 Stamford VT Militia list. Neither appeared in 1791 census in Stamford.

Allen and Eunice (Tupper) Baker were on 1855 census in Aurelius at 64 and 61 yrs. He was born Saratoga Co. N.Y., she born VT. They had lived in Aurelius 22 yrs, since about 1833. Ch. with them were John H. 24 yrs (b. ca 1831), Asa W. 21 yrs, Andrew J. 21 yrs, Augustus D. 14 yrs, all b. Cayuga Co.

1830 Town of Sedgewick, Cayuga Co. N.Y. Matthew Baker 01000 010000001021001. One male 5-9 yrs, 1 male 40-50 b. (1780-1790), 1 female under 5, 2 fem 10-15, 1 female 15-20, 1 female 40-50. Next door Stephen Baker, he and wf both 20-30 yr (b. 1800-1810) and female child under 5 yrs. Other neighbors Nath'l Alward, Platt Smith, Smith Palmer, Abner Wakely, Clark Morrison, Calvin King. Since the name Matthew is unusual in all Baker families of that time period, I include it here. Was he s/o the Matthew Baker who d. War 1812 who was of Thos. Baker of Raynham line? Could he have been a s/o Sergent Baker?

Notes Bristol Co. MA:
Names in Swanzey MA deeds of Sarjent Baker:
Witness Elijah King was poss. son of Daniel King Jr., 2nd husband of Bethia Cook's mother Abigail (Hodges) (Cook) King. That Elijah m. 1763, Bethia's Cook's sister Maria, b. 1744 at Kingston, Ma. (Hodges Geny p 103 and Hathaway Geny p 45).

Witness William Winslow, poss. the one (b. ca 1745, d. 1827) of Swansea who married 1772 in Dighton, Hepsibah[5] (Joshua[4], Ephraim[3], John[2], Nicholas[1]) Hathaway and perhaps her sister Phebe[5] in 1787.

Abiel Simmons of Swanzey who sold land to Thos. Sarg. Baker was poss. s/o Remembrance Simmons who d. 1730/31 (Rounds, Bristol Co. Probate). That Abiel married 1734, Lydia Pearce of Dighton. Married by Silvester Richmond Jr. J.P. (Corbin Mss).

Philip[5] Hathaway, was poss. the one born 1708, died 1790, s/o (Jacob[4], John[3],[2], Nicholas[1]), who married Martha Simmons, his 1st cousin, dau. of John and Hannah Hathaway Simmons. They had son Philip born 1740, and dau. Rebecca, 1738, married Abner Winslow 1732-1803. Philip's bro. John married Meribah Simmons, d/o Abraham and Ann Lee Simmons.

Thus, it appears that Simmons, Hathaway, Winslow were allied to each other. Sarah Baker, d/o Matthew and Sally Baylies Baker married 1772/6, Samuel Phillips Jr., (s/o Samuel and Phebe Hathaway Phillips) of Dighton, Ma. Also, their son Elkanah Phillips of Dighton, Ma, married Content Simmons. They moved to Pawlet, Vt.

In Freetown MA V.R., Stephen Baker of Taunton married Mary Hathaway 1756, and Stephen Jr. married Tryphenia Hathaway 1785.

Samuel Baker was a 1771 neighbor of Thomas Sargent Baker in Swanzey, but a man of that name was still there in 1810, p. 367. Could this Samuel also have been taxed in Dighton?

Other people listed in the 1771 Tax Valuation list for Swanzey MA near Thomas Sarjent Baker were Greenman, Blevins, Brown, Teage, Pierce, Marble, Perry, Simmons. Next to Samuel Baker's name were Commings, Bowers, Boorn, Chase, Losk, Cartwright, ditto. (Why did I write ditto? Reck) See Swanzey deed of Thos. Sargent Baker re: Simmons.

Sarah Baker res. Swanzey in 1810, p.368. Sally Baylies Baker had to be dead by then. Seems connected to Samuel, above, poss. in law?

New Salem MA notes:
A Samuel Baker enlisted in Rev. in Mass. under the same Col. Benjamin Tupper, 11th Reg't, same Col. under whom Thos. Sargent Baker served, Sarj. enlisted in New Salem, MA which was then in Hampshire Co. and is now in Franklin Co. MA.

1767, Levi Walker was in New Salem MA, which was then in Hampshire Co. One Levi Walker, born 1736 is listed #116 in the Walker Memorial by JBR Walker, on p.138. He was s/o Stephen[4] Walker and Rebecca[4] Millard of Pomfret, Ct and is of the line of Widow Walker1 of Taunton MA, through her son Philip[1] of Rehoboth North Purchase, which is now Attleborough, Ma. See p.126, (Philip[1],[2],[3]). They also had a son Stephen.

Rebecca[4] was d/o Solomon[3] (Robert[2], John[1]) and Elizabeth Staples Millard. She was Aunt of Squire[5] (Jos. Nathl, Robt, John) Millard Ist, whose dau. Lydia who married Matthew Baker of Stamford, Vt. Stephen Walker marr. 2nd Mehetable Harris and had 2 dau. by that marr. Levi Walker had wf Sarah and ch. 1767-1774 in New Salem, Ma.

The author of the Walker Memorial did not know where the ch. of Stephen Walker settled, but a handwritten notation on the page states they went to Adams, Ma in Berkshire Co. Note that Sergeant Baker of Stamford, VT resided 11 miles from Adams, and that his next door neighbor Matthew Baker and wf Lydia Millard had ties to N. Adams, Ma.

ca 1780/81, Simeon Baker Jr. and a Simeon Baker 2nd were in New Salem, Ma. Simeon, s/o Simeon and Eliz. Ingalls, was prob. still in Taunton in 1810).

Tupper/Baker connection, see military service of Thos. Sarg. Baker and deeds of Thos. Sarg. Baker, Cayuga Co. NY.

Zuriel Tupper was in Stamford Vt, owning the lot adjoining John Baker in 1779; brother Benjamin Tupper resided there in 1781, d. in Genoa, NY, (Tupper Geny). (1791 was the first census in VT).

Mass. Soldiers and Sailors lists Col. Benjamin Tupper of Chesterfield, Hampshire Co. Mass., who had extensive military service including Col. of 10th Mass. Reg't, that had been commanded by Col. Thos. Marshal prior to 1781. Service for 24 months from Jan. 1, 1781. Thos. Tupper and His Desc., p.40/41, states Benj.5 Tupper, (Thos, 4,3,2,1,), of Chesterfield was Lt Col., 11th Regt Continental troops, Col. Bailey's Reg't. Benj. was Brig. General toward close of War. This Benjamin was 2nd cousin of Benj. Tupper of Stamford, Vt and Cayuga Co. N.Y. whose family was allied with Sarjent Baker.

1800, Scipio, N.Y., Samuel Baker, (name clear), over 45, with female over 45, living next door to Luther Tupper. Sargent and Bethiah Cook Baker were recorded in 1802 in Scipio, and sold land there to Josiah and Calvin Tupper, brothers of Luther, in 1803. Calvin Tupper married Martha Cook. Josiah married Mercy Wilbur. Was Mercy d/o William Wilbur who was named in a deed of T.S. Baker?

A Samuel and Ann Baker was found on deeds in Genoa, Cayuga Co. N.Y. Genoa is where the Tupper family settled. (reel read by Grace Mayer, didn't give dates, but believe it was same time frame).

1800, Scipio, N.Y., p.662, John Butler, James Butler, Nathaniel Walker, (he and wf 26-45 yrs, for birth 1755-1774, with 3 young females?), Luther Tapper, (misspelling of Tupper) resided next door to Samuel Baker, (spelling is clear). Tapper (sic) appears to be 26-45 yrs with female 16-26. Thos. Tupper and Desc. by ____ states Luther, b 1774, d. 1852, (Benj5, Thos4, Eliakim3, Thos.2,1) married Polly Baker, res. Lansing, (in present day, Tompkins Co.) N.Y. (Note that Matthew Baker Jr. of Stamford named a dau. Mary Butler Baker).

1800, Samuel Baker, living next to Luther Tupper, was perhaps the father of Polly Baker who married Luther Tupper. (Name Samuel is clear on census.

Nathan6 Walker, (Nathan5, b. 1736/44, Dan4, Philip3,2, Wd Walker1) married Salley Baker in New Salem, Ma 16 Nov. 1788. Was he the Nathaniel Walker, above, who lived next door to Luther Tupper and Samuel Baker in Scipio in 1800? His age is right. Was Salley, d/o Sarjent Baker and named after her grandmother? We know that Sarjent Baker was living in New Salem Mass., sometime after the 1779 sale of land in Swansea, Ma, and by 1780/81 when he enlisted in Rev. War in New Salem. Nathan5' Walker's birth was recorded in Attleboro. He was father of Nathan6 Walker.

The Benjamin Tupper family was from Salisbury Ct, Pittsfield Ma to Stamford, Vt by 1780. Benj. Tupper, 1749-1825, last resided Indian Fields, later called Tupper's Corners, Genoa, Cayuga Co. NY, (maybe also called Milton, N.Y.). He married 1771, Eunice Raymond, (1753-1838). He resided Stamford, Vt, before Rev., to 1806, when he moved to Cayuga Co. N.Y. Three of his ch. had preceeded him to N.Y., (Thos. Tupper Gen'y). Wife Eunice was perhaps of the Raymond family of Stamford VT, of which Abigail Raymond, (d/o Elisha), married Joseph Baker, s/o Matthew Sr. of Stamford.

Benjamin's son Josiah Tupper, (1772-1853), married Mercy Wilbur. They res. Venice, N.Y. Benjamin's son Luther (1774-1852), married Polly Baker, res. Lansing, N.Y.

N.Y. Allen was s/o John Baker Jr. b. MA, moved to Saratoga Springs, died 23 July 1830, Enfield, Tompkins Co. N.Y. Enfield was 8 miles from Hector where Thos. Sarj. Baker resided. Allen was grandson of John Baker Sr. from Mass. It would seem probable that John Baker was the same man who resided early in Pittsfield MA and Stamford, VT by 1782, (Stamford deeds). Estimation of d.o.birth of John Sr and Jr would be ca 1730 and 1760. John Baker Sr. is still a possibility to be father of Matthew Baker of Stamford, but further study is needed. (Refs: Tupper Gen'y; Yesteryears Periodical, listing of Cayuga Co. families, Scipio).

Benjamin's son Calvin Tupper 1777-1851, married Martha Cook and Mrs. Polly Ely. Resided Venice, N.Y., (Ref: Thos. Tupper and His Desc. by Franklin Whittlesey Tupper, p 57).

The Tupper Gen'y lists:

In 1806, he moved from Stamford to Cayuga Co. N.Y. at Indian Fields, later called Tupper's Corner in town of Genoa. Some of his fam. had preceded him.

(Note that Stamford was at one time in N.Y. S. before VT entered the Union in 1791. Thus, some early VT records could be held in NYS).

1800, Benjamin (over 45 yrs) and Josiah Tupper (26-45) appeared in Stamford VT census.

They res. first at Pittsfield, Ma, then Stamford, Vt in 1776. To Ferrisburg, Vt 1783. Resided next to John Baker Jr. of Pittsfield, Ma in 1780's.

At least three of Zuriel's ch. were born at Stamford, Vt. Two of these, Betsy m. Obadiah Walker and Wealthy m. Nathan Walker and moved to Canton, N.Y. (Canton could have been the one in Onondaga Co. whose name was changed to Memphis, another Canton was in St Lawrence Co.

One Harry Sargeant Baker had wife Ione Kirscher lived in Minneapolis Hennepin Co. MN 1921, where he had son Kirscher Baker 7 Aug. 1921. Harry's middle name is tantalizing. Minneapolis is where Henry J. Baker, (s/o James Millard Baker) was living in 1870 with his family. Henry Baker's son Samuel was not found after 1870 census, altho Henry had moved on to Claremont, Dodge Co. MN by 1880 census. If we could determine that Harry S. was connected to Samuel, s/o Henry Baker, it would indicate a connection of T.S. Baker and Matthew Baker of Stamford, VT). Benjamin's dau. Eunice Tupper 1794-1874, m. Allen Baker, b. May 3, 1791, Saratoga Springs, NY, d. 2 Oct. 1874. Eunice and Allen res. Township of Aurelius just north of Scipio, Cayuga Co. NY. Allen was s/o John Baker Jr. b. MA, to Saratoga Spr, d. 23 July 1830, Enfield, Tompkins Co. NY. Enfield was 8 miles from Hector where Thos. Sarj. Baker resided. Allen was grson of John Baker Sr. from MA. It would seem probable that John Baker was the man early in Pittsfield MA and Stamford, VT 1782, (Stamford deeds). Estimation of dob of John Sr and Jr would be ca 1730 and 1760. John Sr. is still a possibility to be father of Matthew Baker of Stamford, but further study is needed. (Tupper Geny; Yesteryears Periodical, listing of Cayuga Co. families, Scipio).

Benjamin's son Calvin Tupper 1777-1851, m. Martha Cook and Mrs. Polly Ely. Res. Venice, NY, ((Thos. Tupper and His desc., by Franklin Whittlesey Tupper, p 57).

In 1806, he moved from Stamford to Cayuga Co. NY at Indian Fields, later called Tupper's Corner in town of Genoa. Some of his fam. had preceded him.
1800, Benjamin (over 45 yrs) and Josiah Tupper (26-45)

appeared in Stamford VT census.

(Genoa is nine miles from Scipio Center where Sargent Baker resided for awhile. Sargent Baker owned property Cayuga Co. before 1803).

Thos. Sarjent Baker sold land to Luther and Calvin Tupper in Scipio, NY, 1803/4, who were also witnesses for him in other transactions.

Benj.´s brother Zuriel Tupper, b. Salisbury, Ct 1758, d. Weybridge, Vt abt. 1800. He m. 1778 Jerusha Goodrich, b. ca 1759, d/o Chas. and Hannah of Wethersfield, Ct. They res. first at Pittsfield, Ma, then Stamford, Vt in 1776. To Ferrisburg, Vt 1783. Resided next to John Baker Jr. of Pittsfield, Ma in 1780´s.

At least three of Zuriel´s ch. were born at Stamford, Vt. Two of these, Betsy m. Obadiah Walker and Wealthy m. Nathan Walker and moved to Canton, NY. (Canton could have been the one in Onondaga Co. whose name was changed to Memphis, Canton also in St Lawrence Co.

Benj.´s 1st cousin Solomon5 Tupper, b. 1760, Ct, d. New Salem, Ma 1835. This is where Sarj. Baker res. for a time during Rev.

(A Descendant Mrs. Alice Hove, of the Matthew Baker that was killed in War of 1812 claims this Matthew5 as (Nathan4, Sam3, Thos.2 of Raynham line). Dr. Abel Baker, grson of Abel Walker, res. Owasco. Is Hove correct or could this Matt. be a son of Sarj?

1815, Aug. 22, Thomas Baker bought land from Holland Land Co., Original owner, Lot 9, Section 12, Town 12, Range 2, Genesee Co. NY, Holland Land Co. Reel 110, Inventory 493, p. 26. (Available FHC). Unknown if he was Thomas Sarjent Baker.

In 1830 census, p. 406, Joseph Baker lived in Hector, NY. He does not seem to be Joseph, son of Matthew Baker of Stamford, whom I believe was in New Haven Township, Oswego Co. NY in 1830.
Also 1830, Mathias Bakker, p. 399, ?Hector. Not Matthew Baker of Stamford. One Mathias Baker 1787-14 Oct. 1859, 72 yrs with wf Eleanor 1793- 9 May 1860, 67 yrs were buried in Lot 23 Moreland Cem. Schuyler Co. NY. With them was Andrew Baker 1834-1865 and a Kimble family.

Sam Baker notes, Ma and NY: Delete Francis line.
Stephen Chace of Swanzey, m. Aug. 1769 or Sept. 12, 1769, Bethany Baker of Dighton,, d/o Sam Baker4 (Jos3, Dan2, Francis1) of Somerset, (which is now Swansea), and Eliz. Bell of Newport (Francis Baker of Yarmouth by Bertha Clark, p. 127 gives Sam´s lineage). Sam´s son Elisha5 went to Lynn, MA.

Chase, d/o Dan. This Sam Baker lived Dighton awhile and had to be born before 1749. Must be the one listed on 1771 valuation list for Dighton. Was he also the one taxed in Swansea 1771?

Sam Baker, abt age of Sarjent Baker, res. next door to Luther Tupper/Polly Baker, Cayuga Co. N.Y., who were from Stamford, Vt. Sam perh. father of Polly. Sarjent Baker sold Cayuga Co. land to Luther. (was Sam an error for Sargent?)

1830, Samuel Baker Jr., Hector, NY, p 421, 20-30 yrs, female same age. No others in fam.

Religious difference:
Susannah Baker Jones and Thomas Sargent Baker were Methodist Episcopal. Matt. Baker of Stamford was Baptist as was the family of his mother Lydia Millard. She was born in Rehoboth, not far from Swansea. The Congregational churches often had Baptist, Methodist and other denominations grouped in their churches. Many of these did not separate out until the 1800´s in small towns.

ELISHA AND JOHN BAKER SR. and JR.

No known relationship.

The earliest Baker that this author found in Stamford, Vermont was John Baker Jr. who was of Pittsfield, Berkshire County, Mass. in 1781. Not in VT in 1791 census.

John received 85 acres of land by Quit Claim deed for clearing and settling this land on October 22, 1779 from Benjamin Henshaw of Middletown, Hartford Co., Ct. Mr. Henshaw described himself as an agent on behalf of the original Proprietors of the Township of Stamford, Vt. This land was bounded by the northerly corner of Zuriel Tupper's lot, southerly to the southwest corner of David Jacobs' lot (writing illegible) thence bounding on the branch of the river northerly to a bass tree marked, standing on the bank of (illeg.), from thence running easterly by a hemlock tree, marked, from thence running parallel easterly from the first and last mentioned. The deed was signed by Benjamin Henshaw in the fourth year of the Independence of America. Witnesses were Miral Webster and Andrew Selden in Bennington on Oct. 28, 1779.

Could John Baker have been an older brother of Sargent Baker, not listed as a minor heir in 1757 when the father Matthew Baker died?

John Baker took the Oath of Allegiance to the State of Vermont in New Stamford in the Spring of 1781. In 1782, John Baker, a militia man, was on a list to divide the militia of New Stamford into a second company. The order was signed by Samuel Safford 17 March 1782. The men met at the home of Capt. Elisha Wales to choose new officers. Elisha Baker was also in the muster roll of this second company. On March 17, 1782, Mr. John Baker was chosen a Selectman for the ensuing year along with Capt. Elisha Wales and Mr. Benjamin Tupper. (Note that the prefix Mr. denoted a term of respect). John Baker and Daniel Lane were chosen Tythingmen for the ensuing year. John Baker, Jr. sold parcels of land in Feb. and Aug. 1783, and what appears to be 1778 (8 not certain). They were not on the census list in Stamford in 1791 when VT joined the Union. I can't connect this John to Aaron Baker of Pittsfield Mass. who descended from Edward[1] Baker of Lynn Mass. Was he the John Baker Jr. who moved to Saratoga Springs, N.Y.?

1781-1783 Stamford VT, inside cover of the Town Records lists births, including (?Asa) Baker b. Dec. ___. FHC Reel.

John Baker of Pittsfield Mass., advanced in age, made his will 1811, probated 1813. Ch. in estate were John, Elisha, Elias, Desire, Anna, Rachel, Rhoda. Exec. Joshua Baker. Berkshire Probate 2987. I have not found any link of John Baker to line of Aaron Baker who descended from Edward of Lynn MA, except son Elisha's marr. to a lady of that line.

Soldiers, Sailors and Patriots of the Rev. This is a small book with only a few pages, authored by Marion B. Lawrence. John was not in Vt rolls according to author Fisher.

It would appear that John Baker was connected to the Tupper family and that the Tupper family was connected to Sarjent Baker.

Nicholas White gen'y states Thos., s/o Thos. Baker of Raynham, was b. Feb. 28, 1729/30, m. 1751 Hannah Crossman.

Francis Baker Genealogy by Bertha W. Clark, p 20, mentions that Thos. Baker of Raynham (reck) had a son Thomas whose birth April 3, of unknown year, page was mutilated. She had no further info. on him. She suggests, erroneously, that Thomas Sargent Baker of Swanzey might be this son. One of the references quoted by Clark was Jones/Hathaway Genealogy of 1934 at N.E.H.G.S. which I have not seen. Why did she connect these families? Was Thomas Sargent Baker, a grandson?

They resided in Adams MA perhaps as early as 1783 when his parents signed a deed there, (FHC film 1728396). Baker's son William was born there in 1797. Baker Jones established a brickyard there near the Harrison Farm, in the area known as Brooklyn. (Ref: Hist. Berkshire Co. p. 470, found at FHC SLC). Adams is 11 miles from Stamford, Vt where Matt. Baker resided. N. Adams is 4 miles away from Stamford. Adams and N. Adams was once all one town. Once called S. Hoosack. Matthew Baker Sr. was also born about 1768 and may have been his first cousin.

Adams and N. Adams was settled by people from R.I. who were Quakers, in the part then known as New Providence. This group of people did not stay long, selling out to people from Hoosick, of the Hoosac River. The first map of Adams was made in 1795.

Newspapers there were: Berkshire America ended 1829, Socialist America 1828, Berksire America #2 1830.

Baker Jones was a farmer and weaver in Berkshire, Co. Ma, and in Fenner N. Y. where he was a deacon in the Baptist Church.

In 1833 in Fenner, Madison Co. NY., he was an anti-Masonic candidate for office of Overseer of the Poor.

BAKER JONES AND ZIPPORAH BAKER

Gen. 3 Matthew Baker of Attleborough line.

Baker Jones was s/o Benjamin[2] (Cornelius[1]) Jones and wf Susannah[2] (Matthew) Baker He was born about 1768, (Ma?). He died 10 Feb. 1846 in Fenner, Madison Co. NY. Obit. in Madison Co. m bef 1797

Zipporah was d/o Simeon and Elizabeth Ingalls Baker. She was born ca 1766-72 and died in Fenner, N. Y. 6 May 1848.

They resided in Adams MA for awhile, where their son William was born in 1797. Baker Jones established a brickyard there near the Harrison Farm, in the area known as Brooklyn. (Ref: Hist. Berkshire Co. found at FHC). Adams is 11 miles from Stamford, Vt where Matt. Baker resided. N. Adams is 4 miles away from Stamford. Adams and N. Adams was once all one town. Matt. Baker Sr. was also born about 1768 and may have been his first cousin.

Adams and N. Adams was settled by people from RI who were Quakers, in the part then known as New Providence. This group of people did not stay long, selling out to people from Hoosick, of the Hossac River. The first map of Adams was made in 1795.

Baker was a farmer and weaver in Berkshire, Co. Ma, and in Fenner N. Y. where he was a deacon in the Baptist Church.

In 1833 in Fenner, Madison Co. NY., he was an anti Masonic candidate for office of Overseer of Poor.

SARAH JONES AND HUTCHINS WASHBURN

Gen. 3 Matthew Baker of Attleborough line.

7. Sarah Jones was d/o Susannah Baker and Benjamin Jones, granddaughter of Matthew and Sally Baylies Baker. She was b. ca 1770/73, alive April 1808 in Taunton MA when she signed a document. She prob. died before 1815.

Sarah Jones m. by 1794/5 to Hutchins Washburn based on 3 ch. in 1800. Hutchins was born ca 1770.

1800 census, Taunton MA, Hutchins Washburn had 3 boys under 10, two fem., one 26-45 and one over 45. He was listed on the census next to Benjamin Jones. (I omitted his age, darn).

Hutchins was an early settler of Attica N.Y. before 1810, on Lot 9, Section 2, Range 2. He was an original purchaser Wyoming Co. 27 July 1810, Holland Land Co. Archives Inventory 488, p. 35, Microfilm Reel 110.

It would seem that Hutchins moved to Attica with or about the same time as brother-in-law Sergeant Jones, based on records there.

Hutchins Washburn of Taunton MA was b. 1770. He was s/o Henry Washburn and Susannah Hutchins. Hutchins' granddaughter Lodema Washburn Harding wrote in 1900 that Hutchins came to America from England at age 17.

Desc. John Clement believes that Hutchins probably desc. from the Washburn family of Bridgewater MA. The 11 August 1768 marr. intention there mentions Henry Washburn's intent to marry Susannah Hutchins of Middleborough. Clement notes that Bridgewater is close to Taunton.

Hutchins had 5 ch. by Sarah Jones who perhaps d. by 1815. He married again and had 5 more ch. (Lodema Washburn. 1900).

1805, Hutchins Washburn purch. land from Holland Land Co. at Attica NY. Hist. of Wyoming Co. NY, p. 126, publ. by F. W. Beers and Co. publ. 1880, (Clement).

1820 census, Hutchins Washburn had ch. in household listed as one male and one female b. betw. 1805 and 1810; 2 males and a female b. after 1810 and a female too young to be wife Sarah Jones, (Clemant).

In 1830 census, Hutchins Washburn was in Alexander, Genesee Co. N.Y. with 4 males and one female, all b. ca 1815-1825 and a female b. between 1780-1790, (Clement).

Aunt Lodema||
Aunt Lodema's family history states Lewis was in the War of 1812 and married Betsy Keen on 16 January 1817 and all children were born in Attica, Wyoming County, New York. Lewis and family moved to Oconomowoc, Waukesham County, Wisconsin on 20 May 1843 and located on Government land. Lewis received a land grant before he died.
The U.S. Census tracks the Lewis Washburn family from 1820 to 1840 at Attica, Genesse County, New York supporting Aunt Lodema's statement that all children were born in Attica. Wyoming County was formed from Genessee County.
In 1827, one L. Washburn contributed $10 towards a new Presbyterian Meeting House. This meeting house was the first built in the county without the ardent use of spirits (History of Wyoming County, NY [New York : F.W. Beers and Co., 1880] page 137).
The 1850 Census shows Lewis Washburn and family in the Town of Oconomowoc, Waukesha County, Wisconsin. He is shown as a farmer, age 55, born in Massachusetts and wife Betsey, age 54, born New Jersey. The children living with the family at that time, all born in New York, include: Mary 18, Sarah 16, Lewis 13, John 11, and Hiram 9. [Compiler's note: Aunt Lodema's family history does not show a John].
The first settler of the town of Oconomowoc arrived in 1837. L. Washburn and family arrived in 1843 and settled in that part of Summit later known as Oconomowoc. (History of Waukesha County, Wisconsin [Chicago : Western

Pension record||
In 1848, Lewis Washburn filed a pension claim with the U.S. Government (National Archives File IF-#18807). Extracts follow. [Portions in brackets are either undecipherable or a best guess by the compiler].
I entered the services of this country at Batavia in the State of New York in July 1812, as a volunteer under Captain Gates. We marched to Lewistown on the frontiers and volunteered to cross into Canada under Lieutenant [?] Dan Adams. The detachment was commanded by Colonel Solomon Van [Ramsellear]. We crossed over and took [Queenstown] heights. We had two engagements. After the second, I was sent back to guard the prisoners and returned in the same boat with General Stephen Van Ransellear. I was at this time 16 years and 2 months old. This was in Colonel Dobins's Regiment. After the battle I was transferred to Captain Buel's Company, Colonel Hopkins Regiment. We then marched up the river to Black Rock and was then under the command of General Smyth. I volunteered to cross with the Americans to the British side but the expedition failed. We then marched back to the heights of Lewistown and remained there until the first of January when I was regularly discharged.

NY

The pension claim continues: I returned home to Genessee County and remained a month. My [dear] brother had volunteered to go with Captain Abram Madison but was taken sick and I went in his stead. We were under the command of Colonel [Filehous] Swift. We marched to Lewistown and remained there until the British crossed over [I think] to the 18 mile creek. We then [were] led to cut off their retreat. We marched on the ice up the lake. The snow and water was more than shoe mouth deep. I had no boots and was taken sick with the mumps and had to be carried back to the hospital. It nearly cost me my life and has brought on a premature old age. I remained with the Army until the last of May or first of June when I was again regularly discharged. I returned and remained at home [???????].
The claim is accompanied by a sworn doctor's statement certifying Lewis Washburn to be unable to perform more than one fourth the amount of labor of an able bodied man.
Another statement dated 23 August 1849 from the Treasury Department Auditing Office states: It appears from the rolls of Captain Gates company of New York Militia to the 29th [December] 1812, that Lewis Washburn, a Private, entered the service the 29th June 1812 and is mustered present with the remark, substitute for Simion Williams. The rolls afford no evidence of his having sustained any injury while in the service.
The pension record does not indicate if Lewis's claim

was approved or rejected; however, a National Archives clerk made this notation on 12 March 1990 while searching for the record O.W. Invalid & Widow Rejected 18807[:ITAL]. The meaning of the initials O.W. is unknown to the compiler, but it is known that invalid in this case means related to one who is sick or disabled.

  Census analysis||
  Charles appeared with his father's family in the 1840 Census at Attica; however, no record can be found of his whereabouts from 1840 until his marriage, 17 October 1865 at Omaha, Nebraska. It is very likely that he was in California for some of this period (see newspaper item of 5 July 1879 below). On his marriage license application he indicated a residence of Waukesha County, Wisconsin; however he can not be located in Wisconsin in the 1850 or 1860 census. Waukesha County is where his father moved in 1843.
  The census shows one possibility. In 1850, Wisconsin, Dodge County, Rubicon, one Charles Washburn, age 35, shoemaker, born New York with no family. Dodge county is adjacent to Waukesha County and this could very well be our Charles, although he would be about age 28 in 1850. Census enumerators are known to be inaccurate on occasion.
  1870. The Census, Nebraska, Merrick County, Precinct Number 3, with post offices Lone Tree and Chapmans Landing, page 4: C.M. Washburn, age 48, farmer; Mary J., 25; Frank 3; Annie 2. The census schedule lists this

family next to Washburn's father-in-law, John L. Martin, with the largest property holdings in the county.
1880. The Census, Nebraska, Hall County, Grand Island, 2nd Ward, Enumeration District 133, page 16: Spells name Washburne and shows occupation as City Mayor; Mary, 32, Anna, 12, Charles 7. This census shows the parents of Charles D.M. born in New York; the father of Mary Jane born in Pennsylvania and her mother born in Ireland.

A wrong Charles in Nebraska GAR||
In the rosters of the Grand Army of the Rebublic (GAR), there shows a Charles Washburn who was a member of GAR Post 7 of Omaha, Nebraska. This person was born in New York. He was discharged from the Thirty-fifth Regiment, Iowa Infantry on 10 August 1865, just two months before our Charles was married. However, this GAR Charles was born about 1849 so he seems to be eliminated as being our Charles D.M. Washburn. His birth date is recorded in (Roster and Record of Iowa Soldiers in the War of the Rebellion [Des Moines : Emory H. English, State Printer, 1911], volume 5, p. 605).

History of Hall County||
C.D.M. Washburn, a charter member of the Grand Island, Nebraska Masonic Ashlar Lodge Number 33 organized in 1870 (History of Hall County, p. 368-369). [Compiler's Note: I have noted the name Ashlar for other Masonic lodges - research reveals an ashlar is a hewn or dressed stone used in masonry work].
Charles D.M. Washburn, a business man of Grand Island, operated express and dray lines in 1876 (ibid, p. 267).
C.D.M. Washburn is listed as a 1877 commissioner for Hall County, Nebraska (Atlas of Nebraska)
C.D.M. Washburn served as mayor of Grand Island, Nebraksa from 1878 to 1880 (ibid, p. 103).
Charles D.M. Washburn was a Master Mason in good standing in the Grand Island Ashlar Lodge in 1882. No masonic records can be found beyond this date (Grand Lodge of Nebraska to John C. Clement, 5 Dec 1991).
In the late 1880s he owned a Livery, Feed and Sale Barn at 205 East Street, Grand Island (History of Hall County, p. 275).

1874. Item from the Grand Island Times, 11 February 1874, page 3, column 5: "The City Council met last

Wednesday evening....Bill of C.D.M. Washburne, as street commissioner, for repairing bridge on Locust Street, $50. Referred to committee." In column 6 of the same page is this advertisement: "Farm for Sale, One Hundred and Sixty Three Acres of Fine Land! Situated on the Platte River, 12 miles northeast from Grand Island, and two miles southeast of Chapman's Station on the Union Pacific. Seventy acres under cultivation, log house, well, and stable on the property., about 1,000 young Cottonwood trees, behind a lot of shrubbery growing nicely. The subscriber has a patent from the government for the land, and can give a good clear title. Inquire of C.D.M. Washburne, City Expressman, Grand Island, Nebraska."
1874. An article in the Grand Island Times, 30 December 1874, page 3, column 5: Charlie D.M. Washburne, the old pioneer still keeps his three express teams moving constantly, delivering freight, coal and miscellaneous articles to all parts of the city. We are glad to see this, for Mr. Washburne is certainly deserving of the success and prosperity with which he is meeting and we hope he will continue to meet with. The boys that manipulate the "ribbons" for him are all clever, gentlemanly fellows, and pay strict attention to their business, delivering everything on time and in good shape. Remember, when you want coal, freight, express packages, or anything else that is "pullable," delivered at your residence or place of business, call upon Charlie Washburne, the pioneer expressman, to do the job for you, and he will give you satisfaction or "no go."

Chronology||
1875. On 24 April 1875, C.D.M. Washburn purchased property from the Union Pacific Railroad in Grand Island, Lot 6, Block 79 for $175 (Land Deeds, Recorder's Office, Hall County Nebraska, Book L, page 36).
1876. 18 March. C.D.M. Washburn returned from his visit to York and Butler Counties last Tuesday. He reports having had a pleasant visit (Platte Valley Independent Newspaper, Grand Island*).

1878. 31 August. On behalf of the suffering district now visited by the terrible scourge, Yellow Fever, I hereby appoint the following named gentlemen to solicit subscriptions for aid --- /s/ C.D.M. Washburn, Mayor, City of Grand Island (Independent*).
1879. 5 April. C.D.M. Washburn was elected Mayor last year by a majority of four. This year he had a majority of 102 (Independent*).
1879. 5 July. C.D.M. Washburne, who is serving his second term as mayor of Grand Island, came to Hall County from California in 1866, locating in Grand Island in 1870, and engaging in the express and general livery business. As an energetic and honest business man, as well as a faithful public official, he enjoys the entire confidence of the public. He does the leading business in his line, and has located in Grand Island to stay, as is shown by the fact that he takes such an active interest in every enterprise calculated to advance the material interests of the town and county (Independent*).
[Compiler's note: The foregoing provides the first clue of the whereabouts of Charles D.M. from 1850 to 1865 - California. The Platte River Valley was a primary trail for travelers going west to seek gold or whatever. Hall and Merrick Counties lie along this trail. While researching, I have seen many entries showing travelers settled in this area rather than go further West; similarly, many settled in this area after returning from the West. John L. Martin, the father-in-law of Charles, was a "forty-niner" in California. Sarah Martin, the sister-in-law of Charles, married James Vierieg who had worked in the California gold fields before settling in Merrick County, Nebraska].
1881. 28 April. C.D.M. Washburne has sold out his property in this city, and will soon depart for Colorado. He will take his teams with him, and proposes to work on

railroad construction in Colorado, Montana, Idaho and Oregon (Grand Island Times). Compiler's comment:[:BOLD] However, some of the following items seem to indicate that he he returned to Grand Island.

1881. May. In her deposition for divorce, Mary J. Washburn claims that her husband deserted the family in May 1881.

1881. On 1 November, C.D.M. Washburn and Mary J. Washburn, his wife of Hall County, sold Lot 6, Block 79 for $900. Written across the deed was: State of Colorado, County of Laramie, 5 November 1881, before me Thomas W. Coffore, Justice of the Peace, came Charles D.M. Washburn to me personally, etc. (Land Deeds, Recorder's Office, Hall County, Nebraska, Book L, Page 36*).

1884. Grand Island Independent, 7 April 1884: "C.D.M. Washburn has sold his farm in Merrick county, and will start next week for the Yellow Stone Country. He was two terms mayor of our city, and has many friends here who will regret to have him leave." Compiler's comment:[:BOLD] This item would seem to indicate that Washburn was pulling up stakes in Grand Island and moving permanently to "Yellowstone country."

"Yellowstone country" is most likely the entire Yellowstone river basin which runs for hundreds of miles from Yellowstone National Park northeasterly through Montana to North Dakota where the river merges with the Missouri river. No record of Washburn in that area can be found.

1884. On 9 July, C.D.M. Washburn bought from John Fonner and Lizzie, his wife of Hall County, parts of lot 5 and 6, block 54, Grand Island for $4,000 (Land Deeds, Book M, page 285*).

[Compiler's note: John Fonner in the foregoing paragraph owned considerable land in Grand Island. Lizzie, his wife, is Lizzie Martin, sister-in-law of C.D.M. Washburn. The previous transaction and the following of 1887 between Fonner and Washburn were probably strictly business deals and probably not connected with the marriage relationship].

1887. 13 April. C.D.M. Washburn, a single man of Hall County, sold to John Fonner, parts of lot 5 and 6 Block 54, Grand Island for $5,000 (Land Deeds, Book 7, Page 500*).

1887 Grand Island City Directory*:
Washburn, C.D.M., livery & feed - residence 324 E. 3rd Street
Washburn, Anna, residence 324 E. 3rd Street

[Compiler's note: The earliest directory available is 1887. 1888 can not be located. Washburn is not listed in the 1989-90 directory but his livery was listed in 1889-90 as well as 1891-92. From 1893 to 1897, no Washburn listed].

[Compiler's note: Anna in the 1887 directory is most likely the daughter of Charles, although only nineteen years old at this time. An article reporting the wedding of Anna in Laramie, Wyoming indicated Anna was a resident of Laramie beginning in 1881. However, this same article reported she met her future husband "working at the case" in Grand Island. Furthermore, it is known her future husband visited Grand Island later - see newspaper

item of 10 December 1889 below. 1889 is probably when they met].
1889. 2 April. C.D.M. Washburn bought from George Watson and wife, "W1/2 lots 9 and 10, block 20, $700 (Land Deeds, Book 10, Page 457*)
1889. 10 December. C.D.M. Washburn has again taken charge of the livery barn next to the Clarendon House. He moved to there yesterday, it being a more central location than the one he had. In this same newspaper, appeared this item: Frank Spafford returned to Laramie last eve to resume work on the Boomerang having had a very pleasant visit in this city with his family and numerous friends. Frank is a good boy and first class all around printer (Independent*).
[Compiler's note: Frank Spafford subsequently married Washburn's daughter Anna on 23 July 1891 at Laramie. The Boomerang is a Laramie newspaper. A newspaper article reporting the marriage indicated Frank and Anna met "working at the case" in Grand Island. "Working at the case" is a printers term for the area where type is set up for printing].
1891. 10 June. C.D.M. Washburn, an unmarried man of Hall County, sold to First National Bank, W1/2 logs 9 and 10, Block 20 for $1,410 (Land Deeds, Book 15, page 577*).
[Compiler's note: After the deed of 1891, no record of Charles D.M. Washburn can be found. It appears he sold out to the bank, for whatever reason, and left town. No probate or will is recorded for him in Hall County. Records of Hall County Historical Society and of the Grand Island Stuhr Museum have been checked - no record of Washburn after 1991]. 1891
? 1919. 6 February. The remains of Mrs. Callahan, who passed away at Laramie, Wyoming are expected to arrive in this city this afternoon and funeral service will be conducted tomorrow. Mrs. Callahan, the Mary Jane Martin, was married to Charles D.M. Washburn (Independent*). In the Grand Island, Nebraska Cemetery, burial section 1, row 2, lot 14 there is a large stone inscribed MARTIN-WASHBURN. Here are the inscriptions for John L. Martin, 1813-1893; Rebecca C. Martin, 1820-1873; Mary J. Washburn, 1845-1919; and Frank M. Washburn, 1866-1872. Mary J. Washburn also has Callahan listed after her name.

Scrapbooks||
As the daughter of the Mayor of Grand Island, Anna's thirteenth birthday party of 26 January 1881 was fully reported in the Grand Island Independent (about 29 January 1881). The Liederkranz Hall had been rented. An orchestra furnished music for dancing and the party didn't breakup until 11pm. The newspaper listed over forty-five gifts presented to Anna, including the donors' names (Anna (Washburn) Spafford scrapbooks).
In 1884, Anna was living in Laramie, Wyoming. The Laramie Boomerang, reported on a tea social for the Senior Class of the Laramie High School. The social was given by Miss Anna Washburn, at the residence of her parents, Mr. and Mrs. W.J. Hunter (ibid).
Later in 1884, the Boomerang reported on the commencement exercises of the High School. One young lady made a prophecy: "...we will visit the city of Laramie about June 1920 and behold the wonderful changes wrought by time since last we visited...Wyoming became a state and the city of Laramie was the capital...it is a settled fact that the moon is inhabited by intelligent beings... There is Anna Washburn. Do you see that fine carriage going down to the stock yards? That is her's. She is about to ship a whole train load of steers to Chicago. She is a successful stock raiser... (ibid).
Before her marriage in 1891, Anna taught school in the public schools of Laramie. She held the offices of president of the local Order of the Daughters of the King

(a religious order for lay women in the Episcopal church); President of the Laramie Woman's Club and the San Diego Woman's Club (ibid).

On 9 January 1946, she writes to her brother Charles Washburn, "Last week I went out to get some broccoli out of the garden and while I remained on the path, stayed on top of the ground, but in reaching further for a head of broccoli, I got in over my shoe tops, lost my balance and tried to erect myself by pushing the mud with my hands. I thought for a few minutes soon would not be visible except for my bustle. Since then, I have let father gather the vegetable."

Jones Families||
According to the records of Taunton, Benjamin Jones was known as a ship carpenter in 1763 and a shipwright from 1765 through 1794. In 1820, he gave his occupation as ship carpenter (Jones families, p. 15).
Benjamin Jones was a member of the Massachusetts Line in the Revolutionary War, serving from April 1778 until 2 May 1781 as a private in the company of Captain Thomas Turner, under Colonel Henry Jackson. His service involved the battle of Monmouth and the defense of Rhode Island (ibid).
On 9 April 1808, Benjamin Jones released all rights to his property by virtue of a lease given to him by Hutchins Washburn. This raises the possibility that Benjamin Jones and wife were living in the household of their daughter Sally Washburn, whose husband Hutchins had control of the property (ibid, p. 16).
By 1820, Benjamin Jones, age 84, and wife Susanna, Baker age 77, were living in Attica, New York with their son Sergeant Jones (ibid, p. 15).
[Compiler's note: Aunt Lodema in the Washburn family history states that Hutchins Washburn had two wives. This is supported by the U.S. Census which also indicates that first wife Sally Washburn died prior to 1815. This may explain why, in 1820, Benjamin Jones is living with his son rather than with Hutchins Washburn and wife].

  Susannah Baker is possibly the daughter of Matthew Baker yes

  good evidence that points to this Susannah Baker being the
  daughter of Mathew Baker].
  In November of 1757, Nicholas Baylies was awarded the

Benajah Baker: line of Frank Holmes Baker 1189 E. Sun Circle Melbourne Fl 259 0956. Phone 259 0956, who also has a second Baker line from Rehoboth. Benajah b. 1747, R.I., d. 1838 Quebec. Had son Ezra (in Hancock MA 1793), d. after 1825 Quebec.
Ezra's son John, 1821 Quebec, d. B'flo NY, 1893/4. (This is when my Chas. H. Baker was in Bflo in business with brother Edward H. Baker and an Albert Baker. Any Albert in that fam)?

I have a note which says Ezra Baker in Hancock MA 1790, Lanesborough MA 1800; Francis, Samuel, Bethuel. Can't remember where I recd this ref. Do I refer to Francis1 Baker line??? Reck These Were Your Forebears.

Joseph Baker, b. 1750, married 1776 Attleborough MA to Monica Gay. He died 1 Oct 1838. Pension W15561 served MA Line. Applied 21 Sep 1832 Norfolk Co. MA. Wd survived him.

John Baker and wf Abigail of Uxbridge, Worcester Co. MA had sons:
1. Randall of Easton who m. 4th day, 8th month 1797 as a Quaker in Easton (Saratoga) Washington Co. to Louise Dillingham, d/o Thos. and Remembrance Dillingham of Pittstown, Renss. Co. NY. Witn. were Eben'r Cook, Eliz. Cook, Stephen Baker, etc.

1. Randall Baker, same man, m. at Easton 28th of 11th mo. 1799 to Elizabeth Coggleshell, d/o Freeborn (dec'd) and his wd Abigail Coggleshell. Witn. Abigail Cook, Eben'r Cook, Silas Cook etc.

I think Quakers used a different calendar.

2. Stephen Baker, a Quaker of Saratoga (Easton), Albany Co. m. 3rd day of 12th mo. 1789 to Elizabeth Cornell, d/o Daniel and Mary of Albany Co. Witn. Eben'r Cook, Merritt Baker etc.

This family is of interest because the Baylies family was of Uxbridge in the 1740's. Also Thos. Sarg. Baker m. intop Cook family.

Note that a construction of this John Baker family indicates that John Baker was prob. b. by 1740's-1750's and his son Randall perhaps 1772/7 and Stephen ca 1774/9. Need the parents of John of Uxbridge. for a possible son of Matthew Baker of Attleborough.
